

Yake Defeats Butt For District Attorney;  
Millhimes And Guise Named For Sheriff;  
Oyler And Carbaugh For Associate Judge

Sheffer Wins GOP Race For Court Clerk;  
Horner Re-nominated And Shields Beats  
Spangler for Prothonotary; Taylor,  
Boyd, Rebert and Kane for  
Commissioner.

Less than half the voters turned out in Adams county Tuesday to cast their ballots in the "off year primaries" during which the county named its candidates for most of the county offices. The only state candidates running were unopposed.

The greatest interest was in the nomination for district attorney with the incumbent, J. Francis Yake, Jr., Esq., winning easily over former District Attorney John P. Butt, Esq., to capture both the Republican and Democrat nominations and thus virtually assure his re-election at the November elections.

Hundreds of written-in nominations held up the counting of the ballots. The first returns to the office of the county election commission at the court house were made by the first district of Mt. Pleasant township which finished its work shortly after 10 o'clock Tuesday evening. The last district to report was the Third Ward in Gettysburg, which turned its completed count over to the county election board at 6:10 o'clock this morning. Only 10 districts had reported by midnight.

**Wide Margin For Yake**  
The 7,172 vote was about normal for an "off-year" nomination primary election, political observers said. The county's registered voters number nearly 17,000.

District Attorney Yake won over Mr. Butt by 2,372 to 663 in the Democratic primaries and by 1,628 to 406 in the Republican primaries. Both had filed for the Democratic nomination and then ran sticker campaigns for the Republican selection.

Earl W. Guise, who was unopposed for sheriff on the Democratic ticket rolled up a vote of 2,335. He will face John W. Millhimes, New Oxford, in the November election. Millhimes won the Republican nomination in a five-way race with 1,368 votes. His nearest opponent was B. W. Spence, a former sheriff, who secured 1,114 votes. Walter J. Lott had 576 votes; Dorsey J. Schultz, 512 and Charles P. Harner, 427.

**Clerk Race Close**  
J. Price Oyler, who has been as associate judge since his appointment to fill the vacancy caused by the death of John C. Wible, won the Republican nomination for associate judge from Clarence E. Fair, 2,604 to 1,147.

Arthur H. Shields, Cumberland township museum owner, won the Republican nomination for prothonotary, nosing out Russel M. Spangler, 2,150 to 1,625. Shields will face LeRoy M. Wintrose, who ran unopposed on the Democratic ticket and secured a vote of 2,088.

The Republican's four-way battle for clerk of the courts ended with Howard W. Sheffer, Gettysburg, securing 1,426 votes to win the nomination. Roy D. Renner, Littlestown, incumbent clerk of courts, secured 1,181 votes while George D. Sheely, New Oxford and John P. Grindler, Gettysburg, secured 531 and 827 votes respectively.

**Kane, Rebert Win**  
Bernard W. Redding, Cumberland township farmer and local grocer, who announced as a candidate for the Democratic nomination for clerk of courts on Friday, secured 511 votes to win that nomination. He was unopposed.

J. Arthur Boyd, Littlestown, and George P. Taylor, incumbent county commissioners won the two Republican nominations for county commissioners. Taylor secured the largest vote, 2,371, while Boyd's vote was 2,105. The nearest candidate, Mervin H. Benner, was given 1,581 votes and Chester Shriver secured 801 votes.

Carl W. Kane, Democratic chairman and Quintin D. Rebert, former register and recorder won the two Democratic nominations for commissioner. Kane secured 1,461 votes and Rebert 1,540 votes. The county will elect three commissioners in November.

**Official Count Friday**  
Only four votes separated the two Democratic nominees for county auditor, Armer M. Weikert and W. D. Brown. Weikert secured 1,358 votes while Brown was given 1,354 votes. The Republican nominees for county auditor are S. N. Keagy and John S. Wolf, with 2,280 and 2,774 votes respectively. They were unopposed.

Dr. C. G. Crist, incumbent coroner, won the nominations for that office on both tickets, obtaining 3,297 Republican votes and 156 Democratic votes.

J. Francis Yake, Esq., who won both party nominations in his campaign for re-election as District Attorney.

John E. Millhimes who nosed out B. W. Spence and three other candidates for the GOP nomination for Sheriff.

Earl W. Guise won the Democratic nomination for Sheriff without a contest in Tuesday's balloting.

George P. Taylor who led other candidates for the Republican nomination for County Commissioner in his drive for re-election.

Rural Voting

Abbottstown

**DEMOCRAT**—Councilman (four years), Roger Wildasin, 8; S. S. Wolf, 6; auditor, Archie Leib, 5; school director, J. Faber Wildasin, 8; Faber Wildasin, 6; Francis Elder, 4; Judge, Bernard Anthony, 6; inspector, Norman Miller, 11; constable, Milo Wolf, 3; councilman for four years, eight men received one vote each.

**REPUBLICAN**—Councilman, S. S. Wolf, 12; Roger Wildasin, 10; Earl Haverstick, 6; C. A. Swope, 7; auditor, four received one vote each; school director, Richard Hoke, 9, and J. Faber Wildasin, 6; judge, Bernard Anthony, 3; inspector, J. David Hoke, 7; constable, Norman Miller, Paul Chronister and C. A. Swope, one each.

Arendtsville

**DEMOCRAT**—Councilman (four years), John Raffensperger, 16; Paul Beamer, 15; councilman (two years), Charles Cushman, 13; auditor (six years), Clyde Allison, 8; Myron Knouse, 7; auditor (two years), John Stover, 6; Clyde Allison, 5; school director (six years), L. E. Myers and M. E. Knouse, each 12 votes; J. L. Boyer, 4; school director (four years), J. L. Boyer, 11; judge, Harry Trostel, 12; inspector, Bernard Kimple, 9; constable, C. D. Arendt, 15; high constable, C. D. Arendt, 4.

**REPUBLICAN**—Councilman (four years), John Raffensperger, 13; Ed Schlosser, 13; Paul Beamer, 10; councilman (two years), Charles Cushman, 10; auditor (six years), Clyde Allison, 9; auditor (two years), John Stover, 7; school director (six years), M. E. Knouse, 20; L. E. Myers, 16; school director (four years), J. L. Boyer, 14; judge, Harry Trostel, 15; inspector, Walter Frederick, 9; constable, C. D. Arendt, 16; high constable, C. D. Arendt, 3.

Bendersville

**DEMOCRAT**—Council, eight men had one vote each; auditor, Roy Starnier, 2; school director (six years), six men had one vote each; school director (four years), three men had one vote each; judge elections, three men had one vote each; inspector, C. D. Bream, 2; constable, three men had one vote each.

**REPUBLICAN**—Councilman, all names illegible; auditor, H. W. Knouse, 10; school director, Cecil Snyder, 24; Robert Heckenluber, 20; school director (four years), R. B. Garretson, 20; judge, Ernest Ogden, 27; inspector, C. S. Morrison, 25; constable, name illegible.

Berwick

**DEMOCRAT**—Auditor, Claude Orndorff, 32; school director, J. W. Lucabaugh, 29; John Bair, 3; supervisor, A. W. Duncan, 32; judge, Wilmer Gross, 35; inspector, George Hull, 22; constable, J. Edward Richter, 33.

**REPUBLICAN**—Auditor, James Brinton, John Bair and Claude Orndorff, one each; school director, John Bair, 12; supervisor, A. W. Duncan, 1; judge, Charles Albert, 1; inspector, James Brinton, 8.

Biglerville

**DEMOCRAT**—Councilman, Joseph Boyer, 8; G. W. Koser and J. W. Deardorff, five each, with six tied for fourth place; auditor, J. W. Hollabaugh, Cyrus Bucher and B. B. Taylor, one vote each; school director, O. A. Nary, 40; L. W. Klinefelter, 13; judge, W. Earl Fohl, 4; inspector, Mrs. Earl Carey, 50.

**REPUBLICAN**—Councilman, Kenneth Alvine, 3; J. D. Miller, 3; S. E. Kapp, 2, and 21 names with one vote each; auditor, B. B. Taylor, 8; school director, Lloyd Klinefelter, 83; O. A. Nary, 19; judge of elections, W. K. Enck, 19; inspector, Mrs. Earl Fohl, 10.

Butler

Groft, 23; inspector, Dorothy Sullivan, 19; constable, Herbert Hemler, 124.

**REPUBLICAN**—School director (six years), George Adams, 3, and four men tied with one vote; supervisor, C. Laughman, 11; inspector, Gertrude Hufnagel, 12; school

College Amends Bill In Court

An amended bill in the court action brought by Gettysburg college in an effort to be relieved of paying borough and county taxes on the Little K. Aughinbaugh property, used as a girls' dormitory by the college, has been filed at Gettysburg by Richard A. Brown, attorney for the college. The property is located on Springs avenue.

In its new statement, the college states that the entire revenue from the building is applied to the support of the college, to increase its efficiency and facilities and for repairs and necessary increase of the grounds and buildings and for no other purposes. The college asks a permanent injunction restraining the collection of all taxes on the property while it is owned by the college.

TOWN SELECTS NOMINEES FOR BOROUGH JOBS

By means of extensive "writing in" of names on both party ballots Gettysburg voters on Tuesday selected nominees for most of the local offices to be filled in November.

The scattered few who had their names on the ballots were assured of nominations by large votes but the insertion of names by voters clouded the status of some offices until a ruling is made on the various forms in which citizens' names appear.

In the first ward Republican nominations for council appear to have been handed to Vernon Corle and Charles A. Beales, the latter receiving six votes. In the first precinct Beals and four others received two votes each but Beales received four additional votes in the second precinct.

**Epley Nominated**  
The Democratic choices in the same ward are Councilman Harry J. Troxell, now a member of council and Mr. Beales.

In the second ward C. W. Epley, former council president, became one of the GOP nominees for council in the second ward when he received four votes. Fred A. Hummelbaugh, who with Mr. Corle was named a member of council Monday evening to fill a vacancy, piled up 217 votes.

The Democratic balloting in that ward resulted in the nomination of Fred Hummelbaugh with three votes and Ray M. Hoffman, a retiring member of council, with five votes. Two are to be elected in November.

**Two For School Director**  
H. M. Oyler, current council president, received 86 Democratic votes in the third ward and with Harry E. Koch was nominated. Mr. Koch and Edgar Moser received the Republican nominations.

In the school board balloting Mahlon P. Hartzell and Paul M. Rohrbaugh, won nominations of both parties. Hartzell received 651 Republican votes and Rohrbaugh 602. Rohrbaugh won the Democratic nomination with six votes. Hartzell got five.

More than a dozen names were written in for the office of high

PAIR CHARGED IN CAR THEFT

Raymond Haggett, 19, Hudson Hills, New Hampshire, pleaded guilty Tuesday to a charge of stealing a car belonging to Andrew Starnier, Bendersville, at an appearance before Justice of the Peace John H. Baschore. The charge was laid by Private Robert E. Dietrick, of the local detail of the state police after Frederick police had stopped the car with which Haggett and a 16-year-old companion from California were touring in Maryland.

The youths took the Starnier car from Florida Dale Monday evening after attempting to secure employment from Mr. Starnier, police say. After they had been refused work the youngsters disappeared and when Mr. Starnier went to look for his car he found that too had gone. Frederick police discovered the car when they stopped it because they thought the driver was drunk. Investigation disclosed that Haggett, who could not drive had taken over control of the car in an attempt to learn. Further questioning disclosed that the car was stolen. Haggett has been committed to the county jail and police are holding the 16-year-old youth for appearance before juvenile court.

RICHARD GROSS KILLED IN NEW GUINEA ACTION

Word was received Tuesday evening by Mr. and Mrs. Eli Gross, East Berlin, of the death of their son, Technical Sgt. Richard Gross, 24, who was killed in action at New Guinea.

He was born at Zion View and was the youngest of eight children. The youth graduated from East Berlin high school with the class of 1938. He enlisted three times but was turned down twice before being accepted June 1, 1942. He was sent to Camp Meade, Maryland, and was stationed at Keesler Field, Mississippi; Sioux Falls, South Dakota; Harlingen Army Guntery school, Texas. He gained his rank as technical sergeant in a class of more than 80 men at Harlingen.

Squadron Record

After his training in Texas he was sent to Salt Lake city, Utah, and from there to Tucson, Arizona, where he completed his first flight training. He was then sent to Alamo Gordo, New Mexico; El Paso, Texas; Topeka, Kansas, and on June 13 of this year left for overseas duty. Word was received June 18 that he had reached Australia. His squadron had the name of "The Aster Pioneers" and had held the record for the largest number of planes shot down by a squadron.

Mr. and Mrs. Gross received a letter from their son on Monday. On Tuesday evening a telegram was received from the War Department notifying them of his death.

In addition to his parents he is survived by the following brothers and sisters, Lester and Robert, East Berlin; Harold, Elizabethtown; Ervin, who is stationed at Great Lakes, Illinois; Mrs. George Hull, and Mrs. Chester Hull, East Berlin; and Mrs. H. Maxwell, Thomasville.

MAN HURT AS CAR, TRUCK HIT

Tuesday's voting indirectly caused a double truck and car accident in Latimore township about two miles north of York Springs on the Harrisburg road at 7:20 o'clock Tuesday evening. One man was injured, another will be charged with driving to the left of the center of the highway. Damage amounted to \$200 as a result of the triple collision.

According to the investigating officer, Private George Ackerson, of the local detail of the state police, Clayton Shanesbrook, Littlestown R. 4, was driving a truck owned by M. P. Florence, also of Littlestown R. 4, south on the highway. As he approached the Latimore township voting place he pulled out towards the center of the highway to go around a voter's car parked near the polling place. In the process of passing the car Shanesbrook was said to have sideswiped a trailer-truck driven by C. Ralph Landis, Port Royal R. 2, and the force of the collision pushed the Landis vehicle into a parked car owned by H. L. Anthony, York Springs.

Landis suffered a laceration of the left shoulder. Shanesbrook will be charged before a justice of the peace with driving to the left of the center of the highway.

CODE VIOLATOR

William Sharrah, Orrtanna R. 2, had been charged by state police for driving without an operator's license. The charge was laid before Justice of the Peace Floyd M. Hartman, Cashtown.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Clarence Hoff, York Springs R. 2, announce the birth of a son Monday evening at the Warner hospital.

Don't Forget!

Washington, Sept. 15 (AP)—Memo to 15,000,000 income taxpayers:

Don't forget that declaration of estimated income and victory tax which you must file by midnight tonight if: You are single and will earn more than \$2,700 this year, married with an income of over \$3,500 or if you have income of more than \$100 not subject to the withholding levy which went into effect July 1.

Bond Sales \$338,815.70

With three bank towns not reporting Adams county bond buyers elsewhere in the county on Tuesday boosted the Third War Bond drive sales up to \$338,815.70. Reported sales for Tuesday totaled \$32,395.75.

York Springs, East Berlin and McSherrystown are the three bank towns that did not report their Tuesday's sales. Some post offices and other communities in the county also failed to report Tuesday's sales.

Tuesday's total was the smallest reported in the current drive to raise \$2,134,100 as this county's quota.

Committee members feel confident that the county's total sales are well above the reported total and are hopeful that every community will submit daily reports in order that a complete check may be made each day of the progress of the campaign.

\$50 GIVEN TO HONOR ROLL BY SOROPTIMISTS

The Soroptimist club, at its first fall meeting, Tuesday night, voted to pay \$50 toward the county Honor Roll to be placed in center square. A \$25 War Bond will be auctioned to raise funds for this purpose.

Miss Mary Ramer, welfare chairman, reported that 75 books had been received to establish a library for the Child Welfare committee.

Miss Ramer also reported that the material in the club's clothing center is depleted and asks that the public "give worn but good clothing for this purpose." Clothing is given to representatives of the local welfare agencies for their deserving, needy.

Need Coffee Urn

Mrs. Frederic Griest and Miss Florence Baschore, reporting for the USO committee, stated that there was a need for a coffee urn for the use of the local center.

Mrs. Eleanor Oeschger Stanton, art supervisor in the local schools, and Miss Emily Allison, superintendent of nurses at the hospital, were enrolled as new members. In compliance with a request from the National War Service committee of the Soroptimist club, it was agreed to assess each member fifty cents, proceeds to be used toward Christmas and emergency boxes of comforts for nurses on foreign service. The boxes will be packed by the American Red Cross. Miss Virginia Myers is collector for this fund. The club also agreed to pay \$10 toward Red Cross kits for soldiers.

The fall conference of the North Atlantic area will be held in Camden, New Jersey, on October 23 and 24.

Mrs. Guyon E. Buehler was elected a delegate for two years, with Mrs. Frederick Griest as alternate. Mrs. Harry Ridinger was elected a one-year delegate to replace Miss Dorothy Brindle who recently moved to Hagerstown. Mrs. Buehler was appointed to the music committee in Miss Brindle's stead.

HOSPITAL REPORT

Mrs. Clarence Claybaugh and infant son, Clarence Marvin, 404 South Washington street; Mrs. Howard Motter and infant daughter, Joan Marie; Mrs. H. I. Sites and infant son, John Francis, and Mary Koutz, all of Taneytown, have been discharged as patients from the Warner hospital. There were no admissions.

Patriotism?

Trenton, N. J., Sept. 15 (AP)—Soldiers who worked recently at one south Jersey cannery to relieve a labor shortage during the peak of the tomato season were compelled to pay union dues, Herbert W. Voorhees, president of the New Jersey Farm Bureau, said today.

Voorhees, in an address prepared for delivery at the New Jersey state fair, said: "I was shocked beyond words to learn that when a contingent of soldiers reported for work at a certain south Jersey cannery, the management was instructed to make the usual union dues deductions from the cannery pay envelope of each one."

ROP WOMEN TO MEET

The Adams County Council of Republican Women will meet Friday at 8 p. m. at the YWCA, it has been announced by Mrs. Esther Hayberger, president of the council.

2,000 Aerial Attacks Help Block Enemy

By NOLAND NORGAARD

Allied Headquarters in North Africa, Sept. 15 (AP)—Allied troops have beaten off fierce German counterattacks against the Salerno bridgehead in Italy but were forced last night to yield some ground gained earlier, in order to strengthen their lines.

New support came to Lt. Gen. Mark W. Clark's forces—the strongest air attacks of the Mediterranean war and the thunder of Naval guns offshore.

Today's Allied communique disclosed that savage, close-quarter combat raged along the whole Fifth Army from Salerno to Agropoli 27 miles south, with both sides throwing heavy reinforcements of troops and armor into battle.

2,000 Aerial Assaults

British Eighth Army troops speeding up the west coast to support the landing drove through the village of Belvedere, 67 air miles from Agropoli, to close the gap between Allied forces to some 80 miles of coastline by land.

Heavy, see-saw fighting swirled in the Salerno sector, and the northwest African Air Force hurled all planes at its command against the Germans, flying more than 2,000 sorties from dawn Tuesday to dawn today in the greatest air attack ever witnessed in this theater.

Not a single Allied plane was lost.

The German propaganda machine radically changed its tune today, not only admitting that the Allied forces in the Salerno bridgehead had not been evacuated but were "offering resistance" near the coast under cover of Naval guns.

Yesterday, the Germans said warships were being used to cover a withdrawal.

Allies Hold Grip

Today's Nazi communique continued to assert that the Allies were suffering heavy losses, but the German radio in its mid-day news bulletin made no mention of the Italian front. Yesterday it had issued an endless stream of victory reports.

The toning down began last night when a Nazi commentator observed, "The Allies have got their teeth into Salerno and even the most experienced soldiers find it difficult to push them back into the sea."

The Nazis managed to bring up more troops to the Salerno sector despite the concentrated pounding of roads by Allied aircraft, and elements of at least one more division—the German 29th motorized—were identified in action against the Allies. At least three others, the Hermann Goering, and 15th and 16th Armored divisions, already were in the battle.

**Get Reinforcements**  
Allied Naval forces were landing reinforcements all along the Salerno-Agropoli front despite German interference, and the Naval communique announced occupation of Capri Island west of Salerno on Sunday.

The German attacks were strongly supported by tanks that were driven back repeatedly by blistering American and British fire. One U. S. combat team alone destroyed 13 tanks.

The yielding of ground at nightfall straightened Allied lines and permitted consolidation of positions against expected night assaults by the enemy, it was announced.

One officer declared that the end of the day showed the situation was "a little more in our favor, especially with the arrival of fresh reinforcements."

**25-mile Push**  
The Eighth Army's advance to Belvedere represented a 25-mile push beyond the Cosenza line, which had been announced yesterday as its position.

In the Taranto district on the "heel," British forces liberated 300 Allied prisoners, including two Greek generals. They came in contact with German forces at Gioia, about 20 miles northwest of Taranto. This was believed to have been a rear guard of the German First Parachute division encountered earlier just north of Taranto.

Naval guns blasted heavily at German positions on the mainland in the Salerno area.

GETS DISCHARGE

Staff Sergeant Plus I. Topper of McSherrystown will receive a medical discharge from the Army, effective at noon Thursday. Since his induction on January 9 of this year, he has been assigned to handling government life insurance and war bond purchases in the army. A former insurance agent, he is stationed at the Shenango Personnel Replacement center at Greenville, Pa.

Wanted to Buy: Good electric heater. Apply Smart Shoppe, 22 Centre Street.

# "SALERNO SECURE" --- CLARK

## \$391,877 BOND SALES IN FIRST WEEK OF DRIVE

Less than one-fifth of Adams county's quota has been realized in the first week of the three-weeks' Third War Bond campaign, the committee tabulating daily reports announced today.

A compilation of sales made on Wednesday, the close of the first week of the drive, showed that Adams counties purchased at least \$53,062 worth of bonds. This figure, combined with the total reports announced on Tuesday, showed a grand total of \$391,877.70 worth of sales thus far.

Today's reports, however, are not complete. A number of communities have not reported their sales since the inauguration of the campaign last Thursday. Some have promised to submit a report on Friday.

A number of other issuing agents, not including banks, also have failed to report their sales.

Although the tabulating committee feels confident that county sales are in excess of the amount reported they are somewhat disappointed over results thus far.

**\$1742,222 Short**

"The natural impetus we expected at the outset of the campaign did not develop," one member said, "and for this reason the lag in sales appears to have continued. It does not constitute a representative showing for Adams county. We felt certain that we would have reached the \$800,000 mark during the first week's campaign, but our figures show that we have failed to reach half that amount. Unless there is a decided change and an outpouring of bond-buyers, it does not appear at this time that Adams county will reach its goal."

Unofficial reports were to the effect that several large sales which were expected to be completed this week had not materialized and this added to the disappointment for committee members.

Adams county is \$1,742,222.30 short of its \$2,134,100 quota. To reach that goal \$145,185 worth of bonds will have to be sold every day for the remaining twelve days of the drive.

**Philadelphia, Sept. 16 (AP)** — Pennsylvanians' war bond purchases exceeded \$253,100,000, slightly more than 25 per cent of the state's goal in the Third War Loan campaign.

State Campaign Chairman E. A. Roberts said purchases in Philadelphia alone during the first week of the drive totaled \$151,422,921.

## To Break Tie Votes, Oct. 1

Clerks of the Adams county board of elections were getting ready today for their busiest session of the year—counting the ballots of Tuesday's primaries. The official count will begin at 12 noon Friday and is expected to continue into next week.

The number of ties that occurred for smaller offices in the townships and boroughs of the county, if borne out in the official count, will be decided by the casting of lots, October 1, at noon at the court house.

## ARRIVE IN AFRICA

Cpl. Edward I. Cole has arrived safely in North Africa according to word received by his mother, Mrs. James Cole, of The Narrows.

Mr. and Mrs. James Shindler-decker, West Middle street, have received word of the safe arrival in North Africa of their son, Pvt. Glenn Shindler-decker.

## "Pal" Is Lost

If someone can locate the whereabouts of "Pal," 5-year old black brindle French bulldog they will make Barbara Anne Ziegler, 15-year old daughter of Mr. and Mrs. C. T. Ziegler, Springs avenue, very happy.

"Pal" has been Barbara's pal ever since he was six months old. They were inseparable. "Pal," incidentally, won third prize in a New Jersey dog show and was popular with all the children in the Ziegler neighborhood.

Two days ago "Pal" disappeared. The Zieglers have found no trace of him. Advertisements in several newspapers brought no results.

Radio service, Baker's Battery Service.

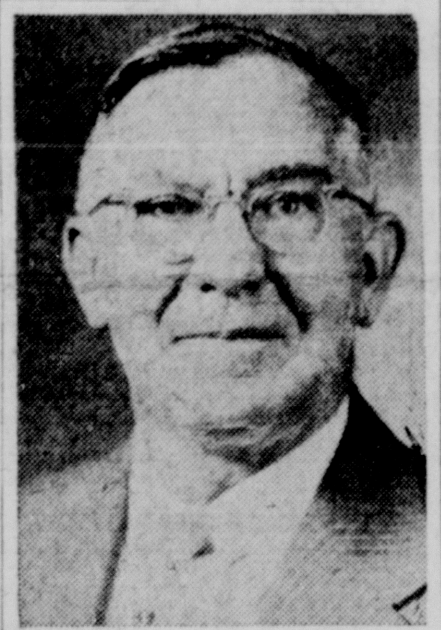

## Some Nominees

Winfield G. Horner who topped his opponent by more than 1,100 votes in the race for the Republican nomination for register and recorder.

Quintin D. Rebert who defeated three other Democratic candidates for the Democratic nominations for County Commissioner.

A. J. Carbaugh who successfully conducted a "sticker" campaign for the Democratic nomination for Associate Judge.

LeRoy M. Wintrod who was handed the Democratic nomination for Prothonotary without a contest Tuesday.

Carl W. Kane, county Democratic chairman, who captured one of his party's nominations for County Commissioner in a four-way race, Tuesday.

Fred G. Klunk, unopposed Tuesday for the Democratic nomination for Register and Recorder.

## FIREMEN TAKE \$500 WAR BOND; ELECT MEMBER

Gettysburg firemen at their September meeting, Wednesday evening, voted to buy a \$500 Series "G" U. S. War bond, thereby increasing to \$1,500 the total funds of the company invested in war bonds.

The company netted \$1,593 from the annual bazaar which replaced the usual food sale this year. It was disclosed Wednesday with the submission of the final reports of the committee that handled the event. The firemen solicited cash donations this year instead of foodstuffs with the result that more money was raised for the company's funds than by any food sale in the last several years.

The firemen elected Clarence H. Cluck, West High street, as a new member and acknowledged a \$5 contribution from Paul A. Kinsey.

## Collect Scrap Tuesday

The company discussed plans for the next general collection of all types of salvage. The collection will be made next Tuesday evening when trucks manned by firemen will tour the streets of the town and load all types of salvage materials to help meet this community's share of the state scrap quota.

Vernon Corle, transportation chairman for the salvage collections here, told the members of the company that he is going to Harrisburg this afternoon to attend an area salvage meeting.

President James B. Aumen, who presided, named this committee to arrange for a special activity of the company at Thanksgiving time: Emory Strausbaugh, Clarence Shindler-decker, George March, Donald McSherry, M. E. Crouse, Paul Oylor, John E. Storm, John Bowers, George Bushman and Richard Cole.

About 40 members of the company attended the session.

## L. F. MICKLEY DIES TODAY

Lemuel F. Mickley, 87, a retired carpenter, died this morning at 9:45 o'clock at the home of his daughter, Mrs. Sidney Donaldson at Orrtanna. A complication of diseases caused death.

A native of Adams county, Mr. Mickley was a son of the late Charles and Jane R. (Green) Mickley. He resided all of his life in this county with the exception of several years spent in New York state. He lived for the last four years at the Donaldson home and had been confined to his room during all of that time. He was bedfast for the last nine days.

Surviving are these children: Mrs. John Starner, Lincolnway east, Gettysburg R. D.; Mrs. Donaldson, at whose home he died; Donald Mickley, Florida; nine grandchildren, 11 great-grandchildren and one great-great-grandchild.

Funeral services from the Donaldson home at Orrtanna, Saturday afternoon at 2 o'clock with the Rev. G. W. Harrison officiating. Interment in the Fairfield cemetery. Friends may call at the Donaldson home Friday evening from 7 to 9 o'clock.

## Car Thieves In Federal Hands

Local state police this afternoon turned over to federal authorities Raymond Haggett, 19, Hudson Hills, New Hampshire, and a 16-year-old companion, who had been charged with the theft of an automobile from Andrew Starner, Benderville.

The two, who had been held by Adams county authorities since Tuesday, were released to the federal officials under regulations which makes the larceny of a car a federal offense when the car is removed to another state. A charge before Justice of the Peace John H. Baschore against Haggett will be dropped. The youths will be taken to York for a hearing before the federal commissioner there.

## HOSPITAL REPORT

Mrs. Lloyd Herring, Biglerville R. 1; Mrs. Paul Schulze, Emmitsburg; Carole Sue Heiges, Gettysburg; Mrs. John Marks, Gardners; Mrs. Charles Boyer, Biglerville R. 1, and Howard Riley, Gettysburg R. 5, have been admitted as patients to the Warner hospital. There were no discharges.

## BIRTH ANNOUNCEMENT

Mr. and Mrs. Charles Boyer, Biglerville R. 1, announce the birth of a daughter at the Warner hospital Wednesday.

## Former Massachusetts Governor Indicted In Huge Mail Fraud

Washington, Sept. 16 (AP)—Representative James M. Curley (D-Mass.), and five others were indicted by a Federal grand jury today on 21 counts charging violation of the mail fraud statute in connection with operation of an alleged government war contract brokerage racket.

Another defendant is Donald Wakefield Smith of Washington and Pittsburgh, a former member of the National Labor Relations board.

All six defendants were described as officers and directors of Engineers' Group, Inc., with offices in Washington, Chicago and Boston.

Curley, long prominent in Democratic politics, is a former Governor of Massachusetts and former Mayor of Boston. He is a member of the Democratic National committee.

The indictment alleged that between June 20, 1941, and February 20, 1942, the defendants "falsely and fraudulently" represented themselves as being experienced and competent consulting engineers with special facilities and qualifications for obtaining war contracts from the government but that they had little or no experience in this field and "could not and did not produce any of the services for which they were paid."

The indictment alleges that retainer fees of as much as \$9,000 were accepted from clients and contracts were entered into calling for commissions of as much as eight per cent of all contracts obtained.

In addition to Curley and Smith the defendants are:

Marshall J. Fitzgerald, Chicago and Washington, secretary and director of Engineers' Group, Inc.

James G. Fuller, formerly of Washington but now serving a five year term in a Federal penitentiary on conviction of sending fraudulent securities through the mails, executive vice president and director of the concern.

James Barton Underwood, formerly of Washington but now serving with the Greek Army at Cairo, Egypt, president and director in January and February, 1942.

Bertram Hall, Dallas, Texas, vice president and director.

## EXPECT GIRLS TO OUTNUMBER MEN STUDENTS

For the first time in the annals of Gettysburg college girls will outnumber boys when the institution opens its 112th year next Thursday, according to a college announcement today. The total student body will number about 300 with an estimated 200 of them being coeds.

The largest class of freshman girls the college ever has received will be enrolled Monday morning when the seventeenth annual freshman week opens.

In previous years the ratio of men to women was about one to three but in the coming term the girls will outnumber the male students about two to one.

## Dr. Hanson To Speak

In addition to the civilian students, there will be an average of more than 500 Air Corps cadet candidates on the campus constantly under the Army training program inaugurated here early this year.

Registration of new students will take place Monday from 9 a. m. to 5 p. m. Tuesday and Wednesday will be devoted largely to a series of placement tests and entrance examinations. Dr. Henry W. A. Hanson, president of the school, will address the student body at the formal opening exercises, Thursday morning.

## 32 FAMILIES SEEK HOMES

Thirty-two families ranging in size from two to five in each family are seeking housing facilities in Gettysburg, according to an official of the War Mapping Division of the U. S. Forest Service of the Department of Agriculture.

The unit, housed in Lee-Meade Inn, along the Emmitsburg road, plans to employ about thirty additional men locally in the early future. In addition other members have been assigned to the local office from the west.

The housing shortage is acute, an official said this morning. "We have been living in trailers, cabins and tourist camps all summer but we must have better accommodations for the winter months. We have 28 families to care for. Fourteen have three in each family; nine have four each; four have five in each family and there are five couples. We are seeking homes for these people."

The housing shortage in Gettysburg has been evident for many months. Officials and workers for the firm which laid the "Big Inch" pipe line through here were unable to secure accommodations last year and there has not been any change in the situation at this time.

## RAID VIOLATOR FINED

George Scott, Littlestown R. D., this morning paid a fine of \$5 and costs before Justice of the Peace John H. Baschore, on a charge of violating the air raid regulations earlier this month by refusing to honor the request of a warden, John Bachevsky, that he remain in the local post office building during a morning air raid test.

## Boy Scout Court Of Honor, Monday

The September Court of Honor of the Black Walnut (Gettysburg) Boy Scout district will be held Monday at 8 o'clock at the Biglerville high school, it was announced today.

Transportation of Gettysburg scouts to the court will be arranged, it was stated. The scouts will meet at 7:30 o'clock Monday evening at Christ Lutheran church. Scouts are asked to notify their scoutmaster if they plan to attend so that arrangements may be made to secure enough vehicles for the trip.

Donald P. McPherson, Jr., Esq., is chairman of the Court of Honor.

## CLOSING DRIVE FOR OLD NYLON, SILK HOSIERY

The final drive to complete the collection of silk and nylon stockings in Adams county was announced today by Richard C. Lighter, acting chairman of the county Salvage committee.

The nation-wide collection of the stockings will end September 30. The collection began November 16, 1942, and no new silk or nylon hose have been made since that time. As a result, salvage officials believe that nearly all of the used silk and nylon stockings in existence will have been collected by the end of the nation-wide campaign on September 30.

Mr. Lighter, in his appeal to the women of the county to turn in their stockings of that type in their possession prior to September 26, thanked the women for their excellent work during the course of the collection which has produced 5,300 pounds of stockings so far in the county.

In proportion to size, Adams county has been among the leading centers for stocking collections in the state, Mr. Lighter said, and the state has been first in the nation for the quantity of stockings collected since the campaign began.

## Shipping Directions

All committee chairmen or others who have more than 100 pounds of stockings on hand are asked to place the stockings in a sack and send them, collect, together with a bill of lading, to Defense Supply Corporation, Green Island, New York. The sack and bill of lading should be marked "Old Silk Hosiery Rags." A duplicate bill of lading should be sent at the same time to the Defense Supply Corporation, Public Ledger Building, Philadelphia.

Those sections with less than 100 pounds on hand are asked to send or take them to Mrs. J. P. Dalbey, 145 Baltimore street, head of the Gettysburg silk stocking salvage committee, who will add the stockings to the ones collected in Gettysburg.

The date, September 26, was set as the closing date for the Adams county campaign to allow the chairmen and other collection agencies time to send the stockings to the Defense Supply corporation before the expiration of the drive.

Thousands of powder bags for use of the armed forces have been made from the stockings given by the women of the county, Mr. Lighter pointed out.

## Corle Attending Salvage Meeting

Vernon B. Corle, head of the local fireman's salvage committee is representing Adams county at the eastern counties Salvage meeting this afternoon at Harrisburg.

Mr. Corle will report on the meeting, at which plans will be laid for the salvage drives during the next several months, at a session of all fire companies of the county to be held next week to select a chairman for the county salvage committee. The county firemen recently accepted appointment as the county salvage committee.

## Benefit Recital Here September 24

Miss Lillian M. Taylor, Harrisburg colored vocalist, will present a recital in Christ Lutheran church Friday evening, September 24, at 8 o'clock, for the benefit of St. Paul's A.M.E. Zion church.

No admission will be charged but a silver offering will be lifted.

# Yank General Says: "We Are Here To Stay"

Allied Headquarters in North Africa, Sept. 16 (AP)—Lt. Gen. Mark W. Clark declared today the American Fifth Army's beachhead at Salerno is secure, adding:

"Additional troops are landing every day and we are here to stay. Not one foot of ground will be given up."

In a special order of the day to his troops, announced here, Clark said the British Eighth Army was advancing and "in a matter of hours its presence will be felt by the enemy." Clark, who has been leading his men on the Italian mainland, congratulated British and American troops on their stand at the Salerno beachhead.

Simultaneously, Clark launched an offensive in the southern sector of the bridgehead, driving the Germans back between the junction of the rivers Sele and Calore north of Altavilla. The offensive came after four days of defensive action by the Allies.

## By WES GALLAGHER Terrific Battle Is Raging

Allied Headquarters in North Africa, Sept. 16 (AP)—American and British troops, engaged in the biggest beachhead battle since Dunkerque, held their Salerno bridgehead like a rock into the eighth straight day while the British Eighth Army raced northward toward Sapri, only 39 air line miles away.

While the terrific fight raged back and forth under the thunder of 15-inch guns from British battleships and the artillery of lesser warships, Allied Naval might poured a flood of reinforcements into the area.

Lt. Gen. Mark W. Clark's Fifth Army, composed equally of British and Americans, was now the largest Allied force engaged in a single battle since the Mediterranean war started, and it was supported again yesterday by more than 2,000 sorties flown by the powerful Northwestern African Air Force and separate raids by Middle East heavy bombers.

## Blast Boche With Hardest Punch Of War

The entire Allied Air Force thus joined the struggle for the second straight day and hurled hundreds of tons of explosives upon the Germans' positions with earth-shaking barrages.

With unchallengeable control of the sea, the Allies exploited the advantage to the utmost by moving their mobile naval batteries up close to the blackened, smoking beaches and hurling tons of screaming steel into the teeth of the Germans. The British battleships Valiant and Warspite with their 15-inch rifles joined in the bombardment.

General Clark toured the fiery arena, cheering begrimed Tommies and Doughboys with his presence at the advanced positions where he told the troops that every soldier must fight to the last and that there must be no withdrawals.

**Heaviest Casualties**

Casualties in this seven-day battle have been the heaviest of any in the Mediterranean fighting.

At least four German divisions (Please Turn to Page 2)

## Need 1,221,000 Men This Year

Washington, Sept. 16 (AP)—The Army and Navy will require 1,221,000 more men during the last four months of this year, and there are only about 775,000 non-fathers available for the draft during that period, Maj. Gen. Lewis B. Hershey told Congress today.

The deficiency of 446,000, Hershey testified before the Senate Military committee, apparently must be met from the pool of 5,586,000 married men of military age with children.

The chief of Selective Service appeared before the committee to give these statistics after high Army and Navy officials had voiced a stern "no" in response to the question whether Congress should act to postpone or cancel the planned induction of pre-Pearl Harbor fathers beginning October 1.

Hershey stated that the October 1 draft order was issued "because we no longer had the assurance that in the manpower pool there remained sufficient men to meet our calls" for September, October, November and December, without taking fathers.

One hundred and twenty-six of the youngsters, including 49 freshmen are in the high school while 137 students are in the grade schools.

## Schools Opened In New Oxford

Two hundred and thirteen New Oxford children returned to school there Monday when the New Oxford grade and high school reopened for the coming year. The schools were the latest in the county to open to allow the students to take part in the harvesting of crops in the area.

# YANKS FACING DIFFICULT JOB INITIALLY; IS NOT ALARMING

By DEWITT MACKENZIE

Difficulties such as our troops are encountering on the open beaches of Salerno are bound to cause worry among the folks back here at home, especially since casualties apparently have been severe, but there's no reason why we shouldn't regard with complete confidence the general position of our battle with the Hitlerites in an already beaten Italy.

Even if the Fifth Army units had to withdraw entirely from Salerno, as the lying German propaganda machine yesterday said they were doing, it wouldn't represent a major defeat from the standpoint of the Italian operations as a whole. It would be a nasty but not vital setback.

**Desperate Nazis**

In order to have a correct picture of the situation we must know that the Nazis have no expectation whatever of preventing Allied occupation of Italy. Their tactics represent an act of desperation which is being carried out largely to try to restore in some degree their shattered prestige, and partly in the hope of delaying the Allies in undertaking other invasion operations.

Our troubles at Salerno haven't been due to the massing of great German strength—though we seem to have been outnumbered numerically—but to the fact that the Hitlerites were well established with artillery on the hills overlooking the landing-stages. Our boys had to struggle ashore under heavy gunfire from the heights, and fight their way up the sloping beaches in the face of fierce attacks from tanks and infantry.

I've sailed along those shores, and have motored and hiked in that neighborhood, under the shadows of old Vesuvius. It's beautiful in many parts from an artist's viewpoint, but it's a devilish sector for a soldier to have to invade from the sea.

**Easily Defended**

It doesn't take a big force to defend such admirable positions as are held by the Germans. Actually they are said to have one infantry and two mechanized divisions—or parts of divisions—in the Salerno sector. Full divisions would represent between 35,000 and 40,000 men.

Concentration of these troops on the heights has made it extremely difficult for us to create a heavy attacking force from our invasion units at the beachhead. However, the Yanks obviously have done a sizable job, for at last reports they were holding a 24-mile beachhead and were in possession of the city of Salerno—a place of some 70,000 inhabitants.

Apparently in the early stages of the fighting we did have to withdraw a unit from one point in the beachhead and send it in at another place. So far as information from Allied headquarters goes this represents the sole excuse for Berlin's claims that we were withdrawing wholesale and were beaten. On the contrary, latest advices are that General Eisenhower is pouring reinforcements into the Salerno battle and that the sea is black with transports in that area.

**Aid From South**

Meanwhile General Montgomery's British Eighth Army is pushing northward in two columns from the heel and toe. These columns now are something less than 100 miles from Salerno. They aren't encountering much armed resistance, although they are hampered by mines and Nazi demolitions along the highways, and they are moving so fast that they may reach Salerno in a week or so. An attack on the German rear would change the complexion of things.

As a matter of fact, the position of the Germans at Salerno is far from enviable. They've been more or less cut loose on their own, with bad communications to the north to carry out a suicide job. Their game was to hit and run—if they can—when Montgomery's troops arrive and things get too hot.

At the same time the Allies should be able to make reasonable progress up the southern half of the peninsula. The fighting is likely to intensify from Rome northward, and will reach its peak along the Po river in the far north, where the wild Marshal Rommel again is plotting holding operations, such as gained him fame in Africa. Much will depend on air power, and we have a superiority.

## Miss Fannie Rager Rites On Thursday

Funeral services for Miss Fannie Rager, 76, Greenmount, whose body was found Tuesday morning hanging in the attic at the home of Mrs. James Plank, with whom she lived, will be held from the Allison funeral home, Emmitsburg, Thursday afternoon at 2 o'clock conducted by the Rev. Philip Bower. Interment in Apple's church cemetery, near Thurmont.

The deceased was born in Maryland, Washington county, and was a daughter of the late Hiram and Mary Ann (Gower) Rager. A number of nephews and nieces survive.

## Social Happenings

Phone Gettysburg 640 or Biglerville 8

**Plans for combining promotion and rally day exercises in a single program on Sunday morning, October 3, were made at a meeting of the officers and teachers of the Presbyterian Sunday school Tuesday evening in the church study. Promotion and attendance awards will be given and the various departments will participate in a special program. E. Donald Scott, general superintendent, presided at the meeting.**

**Miss Frances Garvin, daughter of Mr. and Mrs. Howard Garvin, West Chester, formerly of Gettysburg, recently graduated from the St. Francis Hospital School of Nursing, Wilmington, Delaware, at special services held in the hospital chapel with the Rev. Dr. Edmund J. Fitz Maurice as speaker. Miss Garvin is a granddaughter of the late Mr. and Mrs. Madison A. Garvin of Gettysburg.**

**Mr. and Mrs. Elmer B. Fissel, Gettysburg R. 3, entertained Monday evening at their home in honor of their son, Sgt. Ellsworth Blair Fissel, who is home on furlough after spending the last 18 months on duty in the canal zone.**

Attending the party were Mr. and Mrs. Elmer Fissel, Mr. and Mrs. Calvin Fissel, Mr. and Mrs. Blaine Bushey, Mr. and Mrs. Warren Bushey, Mr. and Mrs. Harry E. Baker, Miss Carrie Elliott, Miss Sally Grove, Miss Bess Fissel, Washington, D. C., who is spending a two-weeks' vacation with her parents; Miss Jean Fissel, Miss Betty Lou Fissel, Miss Joyce Fissel, Sergeant Fissel, William Whiteley, John Bushey, Junior Bushey, Charles Bushey, Robert Baker, George Fissel and Guy Fissel.

**Mrs. P. S. Miller spent the weekend with her sister, Mrs. Sara A. Doll, East Middle street, en route to her home in East Orange, New Jersey, after having spent some time in Beaumont, Texas; New Orleans and Chicago.**

**Mrs. Charles Garland left today for her home at Dayton, Ohio, after a visit with her sister-in-law, Mrs. David Blocher, West Middle street.**

**Mr. and Mrs. E. C. Ott, of Washington, D. C., are spending their vacation with Mr. Ott's parents, Mr. and Mrs. E. C. Ott, Springs avenue.**

**Miss Amelia Butt, who had been visiting her brother, John P. Butt, Hotel Gettysburg, returned to Albany, New York, today.**

**Prof. and Mrs. Earl Bowen, East Lincoln avenue, are on a vacation trip to Philadelphia and New York city.**

**Mrs. Ira Y. Baker entertained the members of the Tuesday Night Bridge club this week at her home on Hanover street. Mrs. Lawrence Oyer was an additional guest. The next meeting will be held in two weeks at the home of Mrs. John Basehore.**

**Mr. and Mrs. Carl E. Oyer, York street, attended the York fair today. The Mothers' class of St. James Lutheran Sunday school held its regular meeting Tuesday evening at the church with 25 members and two guests present.**

**Officers elected were: President, Mrs. John Caskey; first vice-president, Mrs. John Kimefelter; second vice-president, Mrs. Joseph Mumper; secretary, Mrs. Roy Fridinger; assistant secretary Mrs. Paul Boyer, and treasurer, Mrs. M. O. Rice.**

**Mr. and Mrs. Herbert Cluck, Gettysburg R. D. recently spent some time in Washington D. C.**

**Miss Maude Shriver, York street, left this morning to begin training as a nurse at the Garfield Memorial hospital, Washington, D. C. She was accompanied by her father and sister, Mrs. Paul T. Hauge Augusta, Georgia.**

**The Mary Gettys Rebekah Lodge will hold a card party Thursday night at the lodge home at 8:30 o'clock.**

**Mrs. A. Z. Rogers, York street, has returned after a visit with relatives in Westminster.**

**Mrs. Howard F. Sheets entertained the members of the Tuesday Night Bridge club this week at her home on East Lincoln avenue. The next meeting will be held in two weeks at the Mrs. S. J. Poppas Seminary.**

**Dr. Albert Bachman, North Stratton street, is spending the week in Washington D. C.**

**Miss Mary Louise Wentz, Seminary campus, returned Monday evening from a summer vacation in a month of which she spent at Eagles Mere. Later she attended the National Lutheran Student Assembly at Lake Geneva, Wisconsin. En route home, she visited friends in Mechanicsburg and Pottsville.**

**The Women's League of Gettysburg college will hold a rummage sale Friday and Saturday, October 3 and 4, at the Loney building.**

**West Middle street. The committee on arrangements includes Mrs. C. Richard Wolff, Mrs. I. C. Bucher, Mrs. Herbert Hamme, Mrs. George R. Larkin, Mrs. W. E. Tilberg, Mrs. Carl E. Oyer and Mrs. Roy Zinn.**

**Mr. and Mrs. Charles Rogers and daughter, Charlotte, have returned to Baltimore after visiting relatives here.**

**At the regular monthly meeting of the Women of the Moose, Tuesday evening, a report of the recent conference in Cincinnati was given by Virginia Lawver, past senior regent. The group will maintain a booth at the Murphy store to sell war stamps and bonds during September. A \$500 war bond was purchased by the group.**

## Wedding

Gardner-Smith

**Miss Mary Frances Smith, daughter of Raphael Smith, New Oxford, and Pvt. Harry Lee Gardner, Jr., stationed at the Marine Barracks, Washington, and son of Mr. and Mrs. Harry Lee Gardner, Houston, Texas, were united in marriage on Saturday afternoon in the Marine Barracks chapel, Washington. The ceremony was performed by Capt. B. E. Tower, chaplain of the U.S. Navy.**

The attendants were Miss Leah Smith and Raphael Smith, sister and father of the bride. The bride wore a blue velvet street length dress with black accessories and had a corsage of orchids.

The bride will leave within the next two weeks for an indefinite visit to the bridegroom's parents in Houston, Texas. Those from New Oxford attending the wedding were the father and stepmother of the bride, Mr. and Mrs. R. H. Smith; her two sisters Leah and Harriet Smith, and Misses Emma J. Gable and Martha Weaver.

Livingston-Hickman

**Miss Marie Thompson Hickman, Gettysburg, and George E. Livingston, Gettysburg R. 5, were married on Sunday afternoon at the Grace Lutheran parsonage, Westminster, Md., by the pastor, the Rev. Elwood S. Falkenstein. The ring ceremony was used.**

## POST AUXILIARY BUYS \$100 BOND

Enrolling in the Blue Star Brigade through the purchase of a \$100 war bond, Monday evening, the members of the auxiliary of the Albert J. Lentz Post No. 202 of the American Legion dedicated their purchase to sons, grandsons and nephews of the auxiliary members. The unit previously had bought two \$25 bonds.

**Mrs. Howard Hartzell, president, presided and named these incoming officers as local delegates to the four-county council meeting to be held here Thursday, October 7. Mrs. Fred P. Haeblin, Mrs. James Howe, Mrs. Eric R. Deardorff, Mrs. Mildred Shover, Mrs. Morris Gillin, Mrs. J. E. McDonnell. The new officers are expected to be installed at the district meeting.**

**Mrs. Henry Lower was named social chairman and Mrs. James Howe, entertainment chairman, for the next auxiliary meeting.**

## Beer, Liquor Sale Approved Tuesday

The move by the dries in East Berlin to put an end to beer and liquor sales in that borough was defeated in a local option vote, Tuesday.

Residents of the borough voted 198 to 127 in favor of permitting beer sales while on the liquor questions the count showed 183 in favor and 142 opposed. The local option question was submitted on a separate ballot.

No other county communities exercised the right of local option at Tuesday's primaries.

\$375 GAS FINE

**Pittsburgh, Sept. 15 (AP)—Federal Judge Guy K. Baird, of Philadelphia, fined Wayne G. Thompson, Swissvale gasoline dealer, \$375 yesterday for selling gasoline to customers without requiring ration coupons. The judge described the action as "detestable."**

NEW PARALYSIS CASE

**Camden, N. J., Sept. 15 (AP)—The eighth case of infantile paralysis in the Camden area since August 1 was reported Tuesday by Camden Municipal hospital. The patient is May K. Buck, 18, of nearby Marlton. Her condition was reported as fair.**

TEXAS LEAGUE MEETING

**Dallas, Tex., Sept. 15 (AP)—The Texas baseball league, which suspended operation this year, will hold its annual meeting Monday, Sept. 20, said Secretary Milton Price. He said the league is expected to decide whether the circuit will operate next year. Officials are more hopeful than last season.**

## Some Nominees

J. Price Oyer who has been nominated by the GOP to succeed himself on the county bench as Associate Judge.

Howard W. Sheffer who won a nip-and-tuck four-cornered race for the Republican nomination for Clerk of the Courts.

Arthur H. Shields who is the GOP nominee for Prothonotary.

J. Arthur Boyd who has been nominated by the Republicans for re-election as a County Commissioner.

## Election Judge Is Overruled By Court

**Mr. Margaret McMahon Red Cross secretary, was given court permission to cast her vote in the first precinct of the First Ward in Tuesday's primary after her right to vote had been questioned by an election judge.**

**Miss McMahon recently moved into the first precinct of the First Ward. Her registration read second precinct, First Ward.**

**Miss McMahon filed a petition with the court who ruled in her favor. She claimed the error was a clerical one and not her responsibility.**

## New Answer In Equity Action

An answer to the petition to open a decree of pro confesso filed by George A. Shumlin on time management of the Elevation orchards near Fairfield was filed at the court house Tuesday by Harvey P. and Ruth B. Jones and Limestone Plummer, owners of the farm.

The answer claims that Shumlin waived any right to question the sufficiency of the bill in equity by his failure to place the original bill on the docket for trial and asks that the decree pro confesso be taken from the records be dismissed.

## Nursing Group To Meet Friday

The annual meeting of the Civic Nursing association of Gettysburg will be held Friday evening at 7 o'clock in the Christ Lutheran church building.

Officers for the coming year will be elected. Directors will be chosen and the association's annual report will be presented. Dr. Herbert C. Anderson will be the guest speaker.

The meeting will be held at 7 o'clock in the Christ Lutheran church building. It would be equivalent to adding between eight and nine per cent to the total food supply.

## Upper Communities

**Mr. and Mrs. George M. Peters, of Flora Dale, have returned from a visit with their son-in-law and daughter, Mr. and Mrs. F. Lee Shields, of Mt. Airy. They were accompanied on the visit by their son, Robert Peters, of Baltimore.**

**The Carnation Guild will meet Thursday afternoon with Mrs. F. Walter Wright, of Biglerville.**

**Mr. and Mrs. F. Walter Wright had with them over the week-end at their home in Biglerville their son and daughter-in-law, Mr. and Mrs. Dion Wright, and daughter, Judy, and son, Tommy, and their son-in-law and daughter, Mr. and Mrs. Richard Corman and daughter, Karen, all of Mechanicsburg.**

**Mrs. Glenn Eaton, of New Cumberland, is a guest of Mr. and Mrs. Clair B. Grum, of Table Rock.**

**Pvt. Darrell F. Pyles, of Palm Springs, California, has returned to camp after spending a 19-day furlough with relatives in Biglerville.**

**Mrs. C. H. Musseiman and daughter, Mrs. L. Musseiman Arnold, Biglerville, spent the day in Harrisburg.**

**Mrs. Raymond F. Oyer entertained the Bridgettes Tuesday evening at her home in Biglerville. The next meeting will be held at the home of Mrs. E. A. Meyer.**

**A meeting of the board and teachers of St. Paul's Lutheran Sunday school was held Tuesday evening at the parsonage.**

**The King's Daughters class of Bethlehem Lutheran Sunday school, Bendersville, was entertained at a picnic-supper Tuesday evening on the lawn at the home of Mrs. W. B. Delap. Associate hostesses were Mrs. H. W. Knouse, Mrs. R. D. Peters and Mrs. James Routsong. During the business session plans were made for the sending of Christmas boxes to the boys from the congregation in the service. Eighteen members and two guests attended the meeting.**

**The classes of Trinity Lutheran Sunday school, Ardenstville, taught by Mrs. M. E. Knouse and Roy Heckenhuber, will collect the annual Harvest Home contributions for the Tressler Lutheran orphanage, Loysville, Friday. Residences in Ardenstville and surrounding vicinity will be visited.**

**The clubs of the Biglerville high school have organized for the year with the following results:**

**Art club—President, Martha Hollabaugh; vice-president, Barbara Keller, and secretary-treasurer, Martha Reever. Miss Caroline Rex will serve as faculty adviser.**

**F.F.A. club—President, Earl Starner; vice-president, Sidney Myers; secretary, Fred Baker; assistant secretary, Richard Rice; treasurer, Myles Starner, assistant treasurer, John Miller; reporter, Glenn C. Funt; watch dog, Maurice Black. Cecil R. Snyder will be the faculty adviser.**

**B-H Times—Co-editors, Joanna Meyer and Joyce Keller, assistant editor, Jane Beal, news editor, Phyllis Peters; features editor, Martha Hollabaugh, and business manager, Teddy Slaybaugh. The faculty adviser will be Miss Virginia Troxell.**

**Senior Home Economics club—President, Jean March; vice-president, Shirley I. Lawver; secretary, Marcella Walter; treasurer, Sherle M. Lawver. Miss Hannigan will serve as faculty adviser.**

**Girl Reserves—President, Mae Welker; vice-president, Opal Group; secretary, Pauline Herring, and treasurer, Joyce Kuhn. Mrs. Henry Lower will be the faculty adviser for this group.**

**Miss Mary Lochner, of Harrisburg, spent Tuesday with Mr. and Mrs. William M. Lott, of Gardners R. D.**

**Miss Helen Palmer and Dr. Harold Heiges, of Washington, D. C., are spending several days with Dr. Heiges' parents, Mr. and Mrs. E. Dale Heiges, of Biglerville.**

**Miss Dorothy Sternat has returned to Susquehanna university, Selinsgrove, to resume her studies after the summer vacation which she spent with her parents, the Rev. and Mrs. Henry W. Sternat, of Biglerville.**

**Rally Day services will be held at the Mt. Tabor United Brethren church Sunday afternoon. Sunday school will be held at 1:30 o'clock followed at 2:30 o'clock by the Rally service at which the Rev. George A. Heiss, York, will be the guest speaker. Special music will be furnished by the Fleming sisters, of Dillsburg.**

## FIREMEN TO MEET

The postponed September meeting of the Gettysburg fire company will be held this evening at 7 o'clock at the engine house on East Middle street with President James A. Auer presiding. The meeting was postponed from last Wednesday, the evening of the war bond drive parade here.

## TOWN SELECTS

(Continued From Page 1)

constable but the unofficial tabulation indicates Glenn Guise has won the GOP nomination and Victor Palmer that of the Democratic party.

The largest number of write-in votes were on the ballots cast in the third ward. On the Democratic ticket, eight names were written in for associate judge; seven for sheriff including four variations on the name of B. W. Spence; seven for clerk divided between various spellings of the names of B. W. Redding and Roy Renner and nine for coroner including seven variations of the name of Dr. C. G. Crist.

Handle Many Names

There were five men who received votes for councilmen, with H. M. Oyer obtaining 88; Harry Koch, 3, and Kermit Deardorff, P. B. Deardorff and C. Ray Rupp each one. Nine names were written in for school director including C. B. Dougherty, who secured three votes under that name and two others as "Chas. Dougherty" and "Chas. B. Dougherty." Clarence Steinhour, who obtained two votes and Charles W. Jacobs, Charles Myers, "Art. Hutcherson" and "Dr. Gitt," each one.

On the Republican ballot ten names were written in for district attorney, 13 for council, seven for inspector, 10 for judge of elections, eight for constable and 11 for high constable.

Other results by wards and precincts in Gettysburg follow:

**First Ward, First Precinct**  
Democrat—Inspector, C. C. Bream, 3; constable, Glenn C. Guise, 2; judge, Chester G. Crist and C. C. Bream, one vote each; auditor, Harry Troxell, one vote.

**Republican—Auditor, John Hewitt, 159; judge, Anna Bracey, 21; inspector, Mary E. Naugle, 10; constable, Glenn Guise, 150.**

**1st Ward, 2nd Precinct**  
Democrat—Auditor, John Hewitt, 1; inspector, George March, 7; constable, Glenn Guise, 1.

**Republican—Auditor, John W. Hewitt, 174; judge, George Bender, 11; constable, Glenn Guise; inspector, Carl Oyer, 16.**

**Second Ward**  
Democrat—Auditor, John Hewitt, 1; judge, Tyson Tipton, 3; inspector, J. Warren Gilbert, 76; constable, C. J. Myers, 20.

**Republican—Auditor, John Hewitt, 208; judge, C. Tyson Tipton, 222; inspector, D. D. Kendeheart, 216; constable, C. J. Myers, 20.**

**Third Ward**  
Democrat—Judge, Elizabeth Redding, 85; inspector, Annie M. Cunningham, 105; constable, Clarence Crouse, 97; auditor, John Hewitt and George Raffensperger, each one vote.

**Republican—Auditor, John W. Hewitt, 187; inspector, Ida Fissel, 22; judge, Ida Fissel, 3; constable, eight with one vote each.**

## John Q. Jacobs Rites On Friday

Funeral services for John Quincy Jacobs, 75, who died at the Warner hospital Tuesday afternoon, will be held Friday afternoon at 2 o'clock at the Allison funeral home, Fairfield, conducted by the Rev. E. G. Colestock. Interment in Union cemetery, Fairfield.

Friends may call at the funeral home Thursday evening from 7 to 9 o'clock.

The deceased was a son of the late George W. and Delilah (Harbaugh) Jacobs. He was a retired farmer and fertilizer and implement dealer. He resided in Fairfield for 50 years. Mr. Jacobs was a member of Zion Lutheran church, Fairfield, and the Fairfield fire company. For 46 years he was a member of Valley Home lodge, IOOF, Fairfield.

Surviving are his widow, Lucy, one son, John, Fairfield; one sister, Mrs. George Kemper, Emmitsburg; three brothers, Harry, Gettysburg R. D.; J. E. Jacobs, Gettysburg, and Garfield, Baltimore.

## YAKE DEFEATS

(Continued From Page 1)

ficial count. Under state laws, only the court can decide that the intention of the voters was to vote for a given man if his name is spelled in several different ways on the ballot.

The official count of Tuesday's ballots will begin at noon, Friday, at the court house but cannot be completed until Friday of next week, the last day on which military ballots will be received. More than 50 military ballots were mailed from the commissioners' office but not all of them are expected to be used. Although some of Tuesday's contests were close, it is not regarded as likely that the military vote will upset any of the nominations indicated in the unofficial tabulation made Tuesday night and this morning.

Score of men and a few women who did not seek office were given nominations Tuesday—some of them by receiving only one or two votes. A new law provides that these prospective nominee's names will not be placed on the November ballots, unless the candidate appear and pay a fee equal to the charge for filing a nominating petition for the office for which the person has been nominated.

Several county nominations—including the Democratic candidate for associate judge, clerk of the courts and coroner—would be affected in addition to many of the minor offices in boroughs and townships.

Tuesday's vote was light with

Several county nominations—including the Democratic candidate for associate judge, clerk of the courts and coroner—would be affected in addition to many of the minor offices in boroughs and townships. Tuesday's vote was light with fewer than 100 voters going to the polls in 15 of the county's 12 election districts. The smallest number following in any district was in the second district of Hamilton township, where only 25 votes were cast in the 13 hours the polls were open.

# SAYS PUPPET ITALIAN STATE HELPS ALLIES

**(By DEWITT MACKENZIE Associated Press War Analyst)**

One of the finest services Fuehrer Hitler could render the Allies is his revival of the fallen and dishonored Fascist regime under the control—or so the Nazis say—of its old master, Mussolini.

The United Nations had carried out their aim of smashing Fascism. The collapse of the incompetent and corrupt government exposed the Fascist rule to the world for exactly what it was—a dictatorship of gangsters who not only waged cowardly war on small and helpless countries, and against their grievously wounded neighbor, but made themselves and their mistresses vastly rich by plundering their own people.

The vast majority of Italians, while heart-broken over the straits to which their country has been reduced by Mussolini's wickedness and stupidity, nevertheless have been rejoicing that they finally have been rid of this nasty old man who personifies the "soft underbelly of Europe." No price is too great to purchase freedom from such a tyrant.

**Seek Visible Proof**

Now along comes the arch gangster of them all and sets up a little puppet government in the name of Fascism. He tries to give it life by announcing that Mussolini himself is the quisling of this revival—a statement which certainly requires ocular proof before the world will accept it as truth. At this writing the whereabouts of the ex-dictator is a great mystery, and it's even rumored that he's dead. If he is, the devil has a new pal.

Anyway, dead or half alive in his terror, the Duce's usefulness is about the same. This puppet "government," which is a stage-play affair, will drag out its brief existence, to provide a further striking demonstration of the folly of Mussolini's Fascist fancies. It will clutch the argument for the overthrow of Fascism and Nazism and the establishment of democracies in their stead.

**Back to the Wall**

Why is Hitler thus exhibiting Fascism in its nakedness and so taking the chance of weakening his own dictatorship? Well, there are several reasons, all of them understandable. In the first place he is, of course, playing for time, and so is trying to fool the world for a brief period into the idea that Fascism really isn't dead at all but is still a potent influence and a tower of strength to the Axis.

The all highest is particularly anxious to convey this impression to the Balkans. He is trying frantically to prevent further disaffection among his Balkan satellites, whose allegiance to the Axis has been due in considerable measure to Italian influence. He also wants to reassure his home front that all is still well in the Axis camp. And he figures that his ruse may provide some discouragement for Allied peoples.

It is a stunt which the Nazi dictator scarcely would try under normal circumstances. However, he is fighting with his back to the wall to save his own position. He can't have the slightest expectation of putting Fascism back on its feet permanently, or of preventing the Allied conquest of Italy.

**Time on Hitler's Side**

Still, he is gambling that he may create a delay, and hesitation in the enemy camp, which may enable him to discover some fresh ray of hope. His position has become so grave that in undertaking this dramatic propaganda he really has little to lose and everything to gain. Time is Hitler's ally right now. Already the autumn rains have begun in Russia, and this may give his desperate armies a respite from the disastrous hammering they are getting from the Red forces. Every passing day lessens the danger of an Allied invasion of western Europe, because of weather conditions. Each hour that he can hang on enables him to repair broken fences.

Looking at the matter from that light, Hitler's scheme is a smart one.

## Tar Available For Road Work

A rush of road re-surfacing and building throughout Adams county was expected within the next few weeks with the announcement that the townships and boroughs no longer need priorities for tar for road construction.

State highway officials Tuesday called the office of the county commissioners to announce that the priorities had been removed from the material and that large quantities of the road tar is available.

It was expected that most of the townships will begin shortly with plans for road construction that have been held up since the beginning of the war, a court house spokesman said.

**PLACED IN 2A**

The classification of Edward Hess Leister, 34 Myrtle street, Littlestown, has been changed by the area board of appeals from 1A to 2A. It was announced by the New Oxford draft board today. The new classification has been given for a six-month period.

# Social Happenings

Phone Gettysburg 640 or Biglerville 8

**Dr. and Mrs. C. H. Heldt** and daughter, Elizabeth, North Stratton street, returned Tuesday evening from a vacation spent at Oakland City, Indiana. They were the guests of Dr. Heldt's mother, Mrs. H. C. Heldt, who accompanied them home to spend the winter.

**Mrs. William Eckert** entertained the members of the Wednesday Night club this week at her home on Lincolnway east. The next meeting will be held in two weeks with Mrs. George S. Forney at the home of her parents, Mr. and Mrs. Willis H. Lady, Biglerville.

**Mr. and Mrs. Harold Beeson**, East Lincoln avenue, were visitors in York today.

**E. T. Whittinghill**, 3-c pharmacist, and Mrs. Whittinghill, Bainbridge, Maryland, and Mrs. Lloyd Whittinghill and daughter, Patsy, have gone to New Albany, Indiana, to visit friends and relatives for a week or ten days.

**Mrs. A. S. Moomaw**, Roanoke, Virginia, has been spending several days with her brother-in-law and sister, Prof. and Mrs. Fred Troxell, Baltimore street.

**Mrs. Daniel J. Wolf** and Miss Peggy Rupp, Gettysburg, and Mrs. Roy Gettler, Biglerville, were visitors in Harrisburg, Wednesday.

**Dr. and Mrs. Walter H. Danforth**, West Broadway, have returned after a vacation spent with relatives at Grand Isle, Burlington and Bristol, Vermont. On their return trip they visited friends in Baltimore for several days.

**Mrs. Arthur C. Aikin** entertained the members of the Acorn club Wednesday evening at her home of East Lincoln avenue. Mrs. August Borles, a former member of the club, was an additional guest. The next meeting will be held in two weeks with Miss Mary Hartman, Castown.

**Miss Betty Troxell** has returned to Husbontown to resume her teaching in the high school after spending the summer vacation with her parents, Prof. and Mrs. Fred Troxell, Baltimore street.

**Miss Ida Mae Alexander** returned to Baltimore today to resume her duties as a student nurse at Union Memorial hospital after a visit with her parents, Mr. and Mrs. A. R. Alexander, East Broadway.

**Mr. and Mrs. C. Arthur Griest**, of Baltimore, are guests of Mr. and Mrs. William C. Tyson, West Broadway, for several days.

**Mrs. Elizabeth Bell**, of York, spent Wednesday with friends in Gettysburg.

**Mr. and Mrs. James Shindeldecker** and son, Clair, and Mr. and Mrs. Thomas Adams, West Middle street, visited last Sunday with Mr. and Mrs. Shindeldecker's son and daughter-in-law, Mr. and Mrs. Donald Shindeldecker, Baltimore.

**Miss Mary B. Shifer**, daughter of the Rev. and Mrs. Luther B. Shifer, has enrolled as a student at the Woman's Medical College of Pennsylvania at Philadelphia.

**Mr. and Mrs. Emmert Leatherman** and Mr. and Mrs. Melvin Ditzler, Gettysburg, attended the York Fair today. Miss Louella Leatherman has arrived in Louisville, Kentucky, where she will spend some time.

**Mr. and Mrs. Ernest Kranias**, 129 North Washington street, entertained Wednesday in celebration of the 14th anniversary of their daughter, Mary Lou. Guests present included Barbara Klinefelter, Rae Strohm, Canela Cargas, Ann Stock, Peggy Ann Smith, Katherine Small, Lois Small, Doris Jean Kitzmiller, Phyllis Menchey and Charles Kranias. Refreshments were served.

## Seek Used Radios For Camp Hospitals

Radios, whether in usable condition or not, pianos, old furniture and games are among the articles needed by the members of the armed forces in nearby camps and hospitals, the members of the Camp and Hospital council of this section learned Tuesday at a meeting at Carlisle.

Representing Adams county at the session were Dr. J. Walter Coleman, chairman of the local committee; Mrs. LeRoy H. Winebrenner and Mrs. E. S. Lewars. Old radios which have outlived their usefulness in the home and parts of radios including tubes are needed, it was stated. Some of the soldiers are expert radio men and can repair the sets. Fifty additional hot water bottle covers have been sent by the local committee bringing to 500 the number turned in by the county to the armed service hospitals in this section so far.

**FIND MISSING BODY**

Pittsburgh, Sept. 16 (AP)—The body of John Anderson, 71, who had been missing from home since Monday, was recovered from a reservoir at the city filtration plant at Aspinwall yesterday by Patrolman Peter Kowalski.

# DEATHS

H. F. Bragunier

Harry F. Bragunier, 73, died Tuesday afternoon at the home of his son, Raleigh Bragunier, Waynesboro. He had been in failing health for the last year and a half and critically ill and confined to his bed for the last four weeks. He suffered from a heart condition.

Mr. Bragunier was born in Hagerstown, the son of Joseph and Susan (Spleman) Bragunier and lived most of his life in Hagerstown. For the last twelve years he had lived with his son.

He was a wood worker by occupation. His wife, Josephine Ferguson, died eight years ago.

Surviving are these sons and daughters, Walter W., Jacksonville, Fla.; Keller, Washington, D. C.; Raleigh, Waynesboro; Mrs. George Moritz, Gettysburg; Mrs. Mary Beset, Washington, and Mrs. Henry Thaden, Bethesda, Md. Eighteen grandchildren and these brothers and sisters, Mrs. Ida Hartman, Hagerstown, Md.; Mrs. William McLane, Long Island, N. Y.; Mrs. William Colmen, Pasadena, Calif.; Ned Bragunier, Hagerstown, and Jacob Bragunier, Cazenovia, N. Y., also survive.

Funeral services Friday afternoon at 2:30 o'clock from the home in charge of the Rev. George L. Detweiler. Interment in the Calvary grave yard at Beartown.

Friends may call at the home this evening between the hours of 7 and 9 o'clock.

Henry J. Kinneman

Henry J. Kinneman, 83, Abbotstown, died Wednesday morning at 10 o'clock at the home of his son, William H. Kinneman, Hanover. Death was due to a heart condition.

Mr. Kinneman was a son of the late Mr. and Mrs. Jacob Kinneman and was born November 4, 1859. He had served as a member of the Abbotstown town council for a number of years and had formerly been employed as janitor at the Abbotstown school. His wife, who before marriage was Magdalene Anthony, preceded him in death.

Surviving are one son, William H. Kinneman, Hanover; one brother, Charles Kinneman, York R. D., and one sister, Mrs. George Null, York.

Funeral Saturday afternoon with services conducted at the home at 1 o'clock, the Rev. John A. Kleinig, pastor of Grace Reformed church, officiating. Interment in Mr. Olive cemetery, Abbotstown. Friends may call Friday evening at the home.

## May Close Rural School; No Teacher

John L. Stock, teacher in the Victory school, Reading township, has been elected teacher of mathematics and science at the York Springs high school to fill the vacancy caused by the leave of absence of Charles A. Kennedy, who was inducted into the Army last week.

The Reading township board will meet in the next few days, it was reported to the office of the county superintendent of schools, to determine whether it is possible to obtain a new teacher for Victory school or whether the school must be closed.

## Three Suspected As Delinquents

Three western Adams county men have been posted as suspected delinquents by the Gettysburg Selective Service board. The three are Sherman Ervin Taylor (colored), Gettysburg R. 1; Joseph Patrick Reilly, no fixed address, and William LeRoy Crum, Biglerville. All are listed as having failed to notify the board of change of address.

If the men do not report to the local board within five days, it was stated, their names will be certified to the Federal district attorney for action.

## Food Committee Is Proposed

Chicago, Sept. 16 (AP)—Creation by Congress of an independent committee on the nation's war food program, like the Baruch rubber committee, was suggested today at the opening of the National Food Conference by Wheeler McMillen, of Philadelphia, editor of the Farm Journal. McMillen was the first of several speakers, including food industry authorities and a half dozen U. S. senators, invited by Chairman Frank Gannett, Rochester, New York, publisher, who called the conference, he said, at the request of agricultural officials of 16 states.

"After nearly two years of war, the nation finds itself without visible evidence of a consistent food policy," McMillen said in an address prepared for delivery to the conference.

"There can be little reason to expect that those whose exceptional talent for confusion has been its main cause will be able to bring order out of widespread chaos," he continued.

AIR RAID TEST

An air raid test "blue" was sounded at 2:15 o'clock this afternoon. The "red" followed at 2:30 p. m. for the second daylight drill of the month.

# REDS SEEK TO TRAP GERMAN TROOP UNITS

London, Sept. 16 (AP)—Russian forces have captured Novorossik, the Black Sea naval base in the German bridgehead of the Caucasus, Moscow announced today in a broadcast.

London, Sept. 16 (AP)—Battering their way across the central Ukraine plains toward the vital Dnieper river defense wall, approximately 70 miles to the west, Red Army columns which captured Nezhin yesterday apparently were aiming their main thrust today against the Kiev-Poltava-Lozovaya railway, severance of which would isolate German armies to the north and south.

Capture of Nezhin, a main bastion of Nazi defenses before the Dnieper barrier, already has cut all but one rail link between the enemy forces operating in the central and southern sectors of the Ukraine. If the Red Army spearhead can cut the Kiev-Poltava-Lozovaya line before the autumn rains make large scale military operations impossible, the Germans in the south would face the possibility of another defeat as costly as that suffered at Stalingrad.

Premier Joseph Stalin celebrated the fall of Nezhin in another order of the day, terming it "the most important center of the Germans' defense on the road to Kiev."

6,000 Nazis Slain

Wednesday's fighting cost the Germans in all more than 6,000 dead and they surrendered more than 200 towns and villages as they fell back before the relentless Red Army sweep, the Russians said. There was no indication anywhere that the enemy would halt short of the Dnieper river, which they have built into a formidable defense barrier.

Soviet forces to the south, driving toward the great bend in the Dnieper, captures Gulai Pole and Pokrovskoye, both 50 miles from Zaporozhe, a Dnieper river city which also is an important point on the one railway line leading to Melitopol and the Crimea.

There was still no announcement by the Russian high command of the capture of Bryansk in the north, which the Germans said they evacuated several days ago. The Russian communique reported fierce fighting in the Bryansk sector toward Smolensk and disclosed the capture of Dyatkova, 20 miles north of the German base, together with caches of war material and ammunition dumps.

# DROUGHT CUTS PRODUCTION OF MILK SUPPLIES

Philadelphia, Sept. 16 (AP)—Government-fixed "sales quotas" for Philadelphia milk distributors will be necessary shortly because of drought conditions sharply reducing production in the Philadelphia milk shed, W. P. Sadler, federal-state marketing administrator, announced today.

"The continuation of the severe drought in southeastern Pennsylvania, Delaware and Maryland has sharply affected nearly two-thirds of the farmers supplying milk to Philadelphia," Sadler said in a statement. "Information coming in from the country indicates a more rapidly declining supply than far in September than was forecast."

"The war food administrator has issued an order which authorizes the fixing of sales quotas for each distributor in a prescribed area. The decline in deliveries from farmers and rising sales will shortly make such action necessary here."

"A drop of a million pounds in the delivery of producers, and an increase of one-half million pounds in class 1 sales from July, brings home to all of us that we cannot expect to continue our purchases of fluid milk at will x x x."

Sadler announced the average August price for all handlers in the area at \$3.855 per hundredweight.

## Rites Held For Mrs. Mary Yoder

Funeral services for Mrs. Mary D. Yoder, who died Monday evening at the home of her son and daughter-in-law, Mr. and Mrs. W. F. Yoder, Orrtanna, were held this afternoon meeting at the Yoder home at 1:30 o'clock with services at 2 o'clock at the Fairfield Mennonite church conducted by the Rev. George Stonebaugh. Interment was made in the Mummaburg cemetery.

The pallbearers were B. E. Benner, Harry S. Stoner, Henry Burkhard, Blair C. Blessecker, Weaver W. Zimmerman and Samuel Musselman.

TRAIN KILLS MAN

Eric, Pa., Sept. 16 (AP)—John Durmiak, 60, transient rail worker, was hit and killed by a train at a street crossing yesterday. Fred Lambertson, acting coroner, said he was attempting to locate relatives in the vicinity of Brocton and Buffalo, New York.

# Upper Communities

**PFC and Mrs. Clair A. Beamer**, Wilmington, North Carolina, were guests of honor at a gathering of relatives Sunday at the home of the former's parents, Mr. and Mrs. Carey Beamer, Buchanan Valley. Those present included Mr. and Mrs. Charles Cole and daughters, Mary Louise and Helen, Mr. and Mrs. Edgar Beamer and son, Arnold, Gettysburg; Mr. and Mrs. Paul Beamer and son, Diekle, Arendtsville; Mr. and Mrs. Ivan Shanesbrook and daughter, Nancy, Gettysburg; Mr. and Mrs. George Smith and son, Kenneth, York; Mr. and Mrs. Robert Beamer and son, Randall, Waynesboro; Clyde Beamer, Gettysburg; Miss Catherine Staley, Taneytown; Miss Helen Beamer, Harrisburg; A. J. Warren, Harrisburg, and Mrs. Elizabeth Reed, Waynesboro.

**Mr. and Mrs. F. W. Weigle** and Mrs. Clair Taylor, Biglerville R. D., attended the York Fair, Wednesday.

**Miss Reba Taylor**, Biglerville, has accepted a position as a stenographer at the Glenn L. Martin plant, Baltimore.

**Miss Mary Enck**, Biglerville, is visiting friends at Greensboro, North Carolina, for a week.

**Mrs. Urwin Rowntree**, Washington, D. C., arrived today for a visit with her parents, Mr. and Mrs. S. Gray Bigham, Biglerville. She will be joined over the week-end by her husband, Lieut. Commander Rowntree.

**Mr. and Mrs. John Albert**, Biglerville, spent Wednesday in York.

The September meeting of the Trilogy club was held Wednesday afternoon at the home of Mrs. E. A. Meyer in Biglerville. The president, Mrs. William C. Tyson, presided. The program was in charge of Mrs. Daniel C. Jacobs who had as her subject "Historic Families of Adams County." Prefacing Mrs. Jacobs' paper, Mrs. William M. Lott, told of pioneer life in the county.

**Mrs. Arthur Griest**, of Baltimore, a former member of the club, and Mrs. Jack Carney, of New York city, were additional guests.

The October meeting will be held at the home of Mrs. G. W. Koser with Mrs. S. Gray Bigham in charge of the program.

**Mrs. Elizabeth C. Bell**, of York, has concluded a week's visit with Mr. and Mrs. H. G. Baugher, of Aspers.

**Mrs. D. M. Bream**, of Chambersburg, recently visited her mother, Mrs. Martin Baugher, of Aspers.

**Mrs. Joseph Stubbs** and daughter, Shirley, and son, Joseph, of Quaker Valley, recently visited Mrs. Stubbs' son, Lauren, at the Hershey Industrial school at Hershey.

**Pvt. Roy Cook** has returned to Fort Eustis, Virginia, after a short visit with his parents, Mr. and Mrs. Arthur Cook, of Aspers.

**Mrs. Jack Carney** left today to join her husband in New York city after a visit with her uncle and aunt, Mr. and Mrs. W. Clayton Jester, of Biglerville R. D.

**Miss Lois Sincell** has returned to Harrisburg after a short visit with her uncle and aunt, Mr. and Mrs. William M. Lott, Gardners, R. D.

# Blast Boche

(Continued From Page 1)

nage dropped on Pantelleria, and the heaviest load of bombs dumped on that island before it surrendered was three times the tonnage ever dropped in an enemy raid on London.

German pilots again avoided combat wherever possible and anti-aircraft fire was relatively light.

**4 Planes Missing**

Four Allied planes were missing from the two days' total of far more than 4,000 combat flights, a percentage of loss so light it amazed aerial combat veterans. Five German Focke-Wulfs were destroyed yesterday while attempting sneak-run raids on the Fifth Army's landing beaches.

Marauders also severed the rail line south of the Sele river bridge midway between Eboli and Sorre and another wave laid their loads squarely on roads in the same vicinity.

Crewmen said they could see Allied warships bombarding the same area and Lt. Lester D. Snail, of 6671 Sunset Blvd., Hollywood, said:

"What a combination! The Navy was blasting away from the sea and our gang from above. We couldn't miss."

100 PER CENT EFFORT

Pittsburgh, Sept. 16 (AP)—Frank Beech, a 69-year-old Pittsburgh war worker, is putting 100 per cent of his salary check into war bonds. Eager to help with the war effort he gave up a pension to take a war job. He said he is living on a small income from royalties on a water softener he once helped develop.

# Arendtsville

George Boyer spent a few days with his wife, who has been in Philadelphia for several weeks undergoing treatment at the Temple University hospital. Mrs. Boyer is reported to be showing improvement.

**Mr. and Mrs. P. E. Raffensperger**, Mrs. Byron Brought and son, Paul, all of Harrisburg, spent Tuesday visiting relatives in town.

**H. B. Raffensperger** has been a visitor in Philadelphia for a day or two.

**Miss Jane Guise**, who formerly lived in Felton, has arrived in Arendtsville to spend the winter with her grandmother, Mrs. Crist Guise. She is attending high school here.

The Boy Scouts of Arendtsville will begin their collection of scrap on Monday evening. Housekeepers are asked to have scrap gathered and ready for the boys when they arrive.

# JUNGLE TROOPS BACKING JAPS IN DEATH TRAP

By OLEN CLEMENTS

Allied Headquarters in the Southwest Pacific, Sept. 16 (AP)—Backing the Japanese into a death trap where they are forced to fight, Allied jungle troops have battered through pillboxes, trenches and machinegun nests with the aid of artillery and planes to bring nearer the fall of the big air base of Lae, New Guinea.

East of Lae, Australians are only two miles from the center of the coastal town and are about to overrun the prized Malahang airdrome.

On the west, where the intricate defenses were breached after hours of fighting, another force in the Markham Valley is only five miles away.

To the south, Americans and Australians who annihilated most of a Japanese garrison in capturing the airdrome and harbor town of Salamaua left behind patrols to hunt down the surviving stragglers and moved in force more than half way along the 18 miles of jungle trail separating the two Huon Gulf bases.

**Tricked by Doug**

The Japanese, tricked by Gen. Douglas MacArthur's strategy into believing the main Allied push would be made below Salamaua, have offered scarcely any opposition until now to pincer forces which landed from the sea above Lae Sept. 4 and from transport planes behind Lae Sept. 5.

Today's communique reported the capture in the Markham Valley of three defended plantations.

Ahead of the Markham Valley force, a path was blasted by Mitchell medium bombers through enemy defenses along the road and river. Above Lae, other Mitchells destroyed or damaged most of 30 enemy barges at Hansa Bay, silenced machinegun and anti-aircraft posts and demolished warehouses.

Delayed dispatches from the south Pacific told of new Japanese air losses in the Solomons. American losses in these operations were three fighters, against 34 enemy planes destroyed or damaged.

# Yank General

(Continued From Page 1)

had been identified in the action against the 27-mile front, and more were being brought up. It was probable that as many as five had been employed in the all-out effort to smash the Allied grip.

The magnitude and fierceness of the battle undoubtedly was draining German strength even more rapidly than Marshal Erwin Rommel's effort in Africa.

**British Advancing**

Gen. Sir Bernard L. Montgomery's Eighth Army, racing dramatically up the Italian west coast, with the Italian toe behind it, passed through the ancient fighting village of Sciala, approximately 50 miles airline southeast of Agropoli, the southern anchor of Gen. Clark's position. Allied headquarters announced.

General Montgomery's dust-stained warriors were meeting no opposition in the dash that had carried them more than 15 miles in the last 24 hours.

Although Gen. Dwight D. Eisenhower's headquarters communique said the Fifth Army had strengthened its hold on its bridgehead and was being reinforced and supplied, it was not considered likely that the critical phase would pass until it had been joined by the Eighth Army to form a great unified force.

The communique had nothing further to report of the British force which landed at Taranto and slipped off the Italian heel with the capture of Brindisi and Bari in a flanking drive on the east side of the peninsula. "These troops were believed to be fanning out through the lower backbone of the Apennines, however."

A 10-pontoon bridge needs more than one and a half tons of rubber.

# NEW SULFA DRUG AID TO INFANTS

Chicago, Sept. 16 (AP)—One of the new Sulfa drugs produced remarkable improvement in 11 cases of epidemic infant diarrhea, a highly fatal disease now reappearing in the midwest, the Journal of the American Medical Association reported today.

The drug is succinylsulfathiazole, a comparatively new sulfonamide, which has been used mostly for treatment of bacillary dysentery and

for preparation of patients for surgery of the large bowel.

Dr. Allan H. Twyman and Dr. George R. Horton of Indianapolis said the new sulfonamide greatly benefited the 11 new born babies but offered no explanation for its success, pointing out that no specific cause of the disease has been found.

The death rate of diarrhea is usually about 50 per cent.

"Outbreaks of epidemic diarrhea of new born infants occurred in the fall of 1942 in Cleveland, Carlisle, Pa., Detroit, Toledo, O., Dayton, O., and Indianapolis," the physicians said.

# STRUGGLE FOR SECOND PLACE TOPS MAJORS

By JUDSON BAILEY  
The Associated Press

In the absence of anything resembling a pennant race, the major leagues are offering the next best thing—a spirited scramble for second place in both circuits.

The glamor and gold is not the same, but the struggle between the Washington Senators and Cleveland Indians in the American league and between the Brooklyn Dodgers and Cincinnati Reds in the National is just as torrid as if the stake were first place.

## Senators' Spurt

The Senators, who finished seventh a year ago, are earnestly seeking the second slot this season and in the last five days have put on a spurt of five consecutive victories. This drive, coupled with a double setback for Cleveland last night, was enough to place Washington again in the American league's runner-up spot.

Playing—the Boston Red Sox in a night game, the Senators had their hands full, but a single by Gerry Priddy in the seventh inning knuckled in the deciding run for a 3-2 victory.

At St. Louis the Indians, who previously had won four in a row and six out of seven games, were tumbled twice by the Browns 3-0 and 7-1 in a two-night doubleheader and dropped back to third place by a game and a half.

## Braves Blank Dodgers

The Brooklyn Dodgers, who moved into second place last week-end on the crest of a winning streak that numbered 14 victories in 15 games, were blanked 3-0 by the Boston Braves and saw their margin over the idle Cincinnati Reds shaved to half a game.

In the only other senior circuit encounter the New York Giants and Philadelphia Phillies, who already were scheduled for a game at 11 o'clock (EWT) this morning, struggled to a 4-4 ten-inning tie in a night game that was called by baseball curfew rules at 1 o'clock this morning after twice being interrupted by weather. As the result today's program at Philadelphia was made into a morning doubleheader.

The New York Yankees wonned the Philadelphia Athletics 6-5 with an inept exhibition in which Bill Zuber granted 11 bases on balls in 4 and one-third innings and Detroit divided a double-header with Chicago. The White Sox took the first 7-1 and the Tigers the second 7-5.

# LANCASTER IS LOOP WINNER

(By The Associated Press)

It's all over now but the playoffs, and the Hagerstown Owls, whose desperate last-minute drive ended a single game short of the Interstate league pennant, can salvage this grain of comfort:

Even if they hadn't played that unscheduled double-header with pennant-winning Lancaster last month, Lancaster still would have come out on top.

Hagerstown blasted out a 7-5 win over third-place Wilmington in the last game of the regular season last night, scoring all its runs in the last two innings, while Lancaster's scheduled finale at Trenton was weathered out.

The final standings show, however, that even if a Hagerstown win and a Lancaster loss hadn't been wiped out because of the extra game, the Roses would have finished in first place—by one percentage point.

In the playoffs, starting tomorrow night, Lancaster meets Wilmington and Hagerstown plays York.

## The final standings:

	W	L	Pct.
Lancaster	83	55	.601
Hagerstown	83	57	.593
Wilmington	77	61	.558
York	73	66	.525
Trenton	64	73	.467
Allentown	35	103	.252

## Fights Last Night

(By The Associated Press)

Jersey City—Willie Cheatum, 141. Newark, and Joey Sulick, 140. New York, drew (8).

Hartford, Conn.—Tony Costa, 129½. Woonsocket, Rhode Island, outpointed Donnie Maes, 130. Denver, Colorado (10).

New York—Pete De Ruzza, 152½. New York, and Frankie Willis, 151½. Washington, drew (10).

New York—Tami Mauriello, 199½. New York, outpointed Mike Alfano, 208. New York, drew (10).

Seattle—Jimmy Garrison, 150. Kansas City, outpointed Saverio Turillo, 150. New York city (10).

Los Angeles—Enrique Bolanos, 123. Mexico City, knocked out Bert White, 126, Chicago (9).

## MENTOR VS. PUPIL

Ithaca, N. Y., Sept. 15 (AP)—Cornell Coach Carl Snively will be out to give a former pupil a post-graduate course in football when the big Red clashes Saturday with Bucknell for the first time since 1917. Johnny Sitarsky, a Bucknell player when Snively coached there 10 years ago, now is coach of the Bisons.

# SPORTS ROUNDUP

By HUGH FULLERTON, JR.

New York, Sept. 15 (AP)—With the Major League pro football season opening Sunday—and it'll out-class the college brand this year just the way big league baseball does—this corner offers a scouting report from one of the biggest and best sports in the business. . . . to get it over quick, he picks the Bears and Redskins.

## SKINNING THE REDSKINS

The way our informant sees it, you can laugh off those three pre-season games the Redskins lost . . . they couldn't do much scrimmaging with a 28-man squad, he explains, and they had to get ready in a hurry for the All Stars with 80 men . . . but Sammy Baugh seems to have recovered from whatever ailment was bothering him at the start and is hitting his pass receivers in his best form . . . The older players are just beginning to get into shape and when they do, they'll be tough. The Skins may lose Jack Jenkins, who looks good, but they have a whale of a defensive player in Wilbur Moore . . . Their only competition in the east should come from the Giants, who'll be a lot better than last year since the rookies seem to be coming along just the way Steve Owen hoped they would.

## MORE BEAR STORIES

The Bears and Packers will have another race in the western division but the Bears, as usual, seem to have the ball club . . . They have those two big guards, Fortmann and Musso, and a good-looking boy named Merkel from Kansas—also Sid Luckman and Bill Geyer, who is stronger and better than last year . . . Curly Lambeau has been boasting about the Packers' line but the inside dope is that the line isn't as good as he claims. Tony Canadeo's passing to Don Hutson is okay and so is a new back named Fritsch. It'll help the Packers when Goldenberg and Brock return . . . Detroit's Lions have a good passing club but so far their running attack hasn't looked so hot . . . Frankie Sinkwich may improve that department . . . You can lump the other clubs under the "I dunno" heading, but the safest bet is that they'll all have a big season at the gate.

## NEW REASON

When Bill Hetzel, rookie infielder, walked out on the Boston Braves the other day, he gave this brand new explanation for his act. "Big league baseball is too high toned for me, always having to wear coats and ties, imagine."

## TODAY'S GUEST STAR

Samuel B. Cohen, Meriden (Conn.) Journal. "The Senators have a Candidate, the Braves a Cardon and the Giants have used a Houdini to get them out of the bonds of the National League cellar."

## SERVICE DEPARTMENT

From somewhere in the South Pacific, Marine Lt. David Simmons, who played on Buck Shaw's Santa Clara grid teams, sends this word: "Many times I cursed football for giving me my bum knees and legs that hampered certain phases of my officers' training, but after half a year out here in the field, I have decided the pointers learned from football about handling men outweigh its disadvantages." A prized possession of Pvt. Ted Garbee, of Camp Lee, Virginia, is a trophy he won in 1927 for being the best baseball player at a Citizens' Military Training camp at Port Eustis. It was presented by Gen. Douglas MacArthur . . . Lend-Lease item: The stands used for the 25,000-seat football stadium at the Great Lakes Naval Training Station were loaned by the University of Chicago and the Sampson, New York, Naval Station has brought up all the N. Y. U. football gear. . . . Well, those colleges had no use for the stuff.

## Pirates Purchase Columbus Hurler

Pittsburgh, Sept. 15 (AP)—President William E. Benswanger of the Pirates announced today the purchase of Edwin (Preacher) Roe, a southpaw pitcher, from Columbus of the American association, for undisclosed cash and two players to be named September 30.

Roe won 14 games and lost six for Columbus this year and struck out 125. He allowed 51 runs in 150 innings.

Pittsburgh, Sept. 15 (AP)—Bishop John B. S. Stamm of Harrisburg, resident bishop of the Eastern Episcopal area, presided today as the 92nd annual Pittsburgh conference of the Evangelical church opened.

# 10 VETS SEEK BERTHS ON OWL GRID VARSITY

By JACK SMITH

Philadelphia, Sept. 15 (AP)—There's nothing wrong with Temple university's football prospects this year—nothing, that is, that 10 experienced football players couldn't fix.

Coach Ray Morrison already has the eleventh in Clyde (Pinky) Wood, a 5 foot, 6 inch, 130-pound back, who might be considered a veteran by some 1943 standards. Pinky has played before—last year, in exactly one minute of one game.

As the only veteran, however, this lightweight already is building up a reputation for taking out 200-pound opponents.

"Anyway," said Morrison, surveying the rest, "these boys look a lot more like football players when they're in uniform."

## Show Promise

There's something in what he said because his candidates—numbering 25 do display possibilities. Besides, most are freshmen under the draft age and two others—Jack Burns and John Kicsiz—already have been inducted and, for physical ailments, honorably discharged.

Burns and Kicsiz, a 200-pound tackle, were on last year's second string squad and neither looks bad. Then there is George Hell, from Carteret, N. J., New Jersey all-staristic guard last year, and Charley (Bob) Lange, a guard from St. Joseph's high, Philadelphia, who called signals last year for the titlists of the City Catholic League.

Lange likely will be shifted to the backfield.

Brighter lights also include Anthony Hubka, of Perth Amboy, N. J., a brother of Gene Hubka, Temple's forward pass act last season, who went the way of most Owl's hopes and became a Navy trainee, stationed at Bucknell.

## Old Task For Coach

Frank Reed, from Holy Spirit High, Atlantic City, N. J., 195-pound Charlie Goetz, Atlantic City High, and six-foot Walter Hertzig, of Upper Merion, Pa., also seem sure of varsity assignments.

Looking at Temple's prospects, the form makers might bear in mind that Morrison is an old hand at starting from scratch. He developed Southern Methodist's first grid team, back in 1915, and some of his better seasons were have started out looking like a coach's nightmare.

Temple opens its season Sept. 24 against V. M. I. here. The Owls tackle Swarthmore Oct. 1 at home. Army Oct. 9 at West Point. Ursinus here Oct. 15. Bucknell Oct. 22 at home. Holy Cross Nov. 6 at Worcester, Mass. Penn State Nov. 13 at State College, and Villanova Nov. 20 at home.

## Eastern League

(By The Associated Press)

The two Pennsylvania teams, pennant-winning Scranton and fourth place Wilkes-Barre, have at least a finger-hold today on bids to play in the finals for the Eastern league Governor's cup, after winning their initial games in the semi-finals.

The Scranton champions scored in seven of the nine innings in defeating the Hartford Laurels last night, 10-4. The Laurels, finishing the regular season in third place after a spectacular climb from the second division during the last month, never had a look-in on the game after the first inning.

In the other battle in the best-of-five series, the Wilkes-Barre Barons took a 4-1 decision over the Elmira Pioneers.

### Today's Schedule

Wilkes-Barre at Elmira, 8 p. m.  
Hartford at Scranton, 8:30 p. m.

## PUBLIC SALE

### VALUABLE REAL ESTATE

Saturday, September 18, 1943—1:00 P. M.

Pursuant to an order of the Orphans' Court of Adams County, Pennsylvania, the undersigned administrators of the Estate of Curtis J. Fohl, deceased, late of the Borough of Biglerville, Adams County, Pennsylvania, will offer at public sale on the premises on Saturday, September 18, 1943, at 1:00 P. M., the following real estate, viz:

All that lot of ground situate along the South side of East York Street, in the Borough of Biglerville, Adams County, Pennsylvania, more particularly described as follows:

BEGINNING at an iron pin for a corner on the South curb line of East York Street and at a corner of Third Street; thence running with said curb line of East York Street South 87½ degrees East, 56 feet to a point on said curb line; thence running by and formerly of W. E. Roth South 3 degrees West, 140.5 feet to an iron pin; thence running with a 12 foot public alley North 87½ degrees West, 56 feet to a point; thence running with Third Street North 3 degrees East, 140.5 feet to an iron pin, the place of BEGINNING. CONTAINING 28 Perches and 235 Square Feet, more or less.

This lot of ground is improved with a 2½ story brick dwelling house with slate roof, in good condition and repair, equipped with modern conveniences, including electric lights, furnace and up to date bathroom. Also improved with a frame double garage.

This real estate is being offered at public sale for the payment of the debts of Curtis J. Fohl, and if sold, will be sold freed and discharged of any liens or record.

Terms and conditions will be made known at time of sale.

W. EARL FOHL,  
EVA G. LAWVER,

# REVERSES IN ITALY TEMPER DAD-DRAFT TALK

Washington, Sept. 15 (AP)—Congressional agitation for exempting fathers from the draft was tempered today by military reverses in Italy and reports that President Roosevelt is preparing to oppose any such legislation.

Action on the Wheeler no-father draft bill likely will be delayed at least until next week while the Senate Military Committee quizzes top-ranking Army and Navy chiefs on the need for more fighting men.

Chairman Reynolds (D-N.C.), frankly in a "show me" mood, announced this all-star cast of witnesses for a series of hearings beginning today:

Admiral Ernest J. King, Chief of Naval operations.  
General George C. Marshall, Army Chief of Staff.  
Undersecretary of War Robert P. Patterson.

Lt. Gen. Joseph T. McNarney, Deputy Chief of Staff and Marshall's right hand man.  
Maj. Gen. Lewis B. Hershey, Selective Service director.

With the exception of Marshall, all were slated to testify today. The Army chief is expected to appear Monday.

In Non-Essential Work  
President Roosevelt disclosed at a news conference yesterday that he has been discussing the father draft question with congressional leaders. One thing might be made clear, he said—the fact that if a man is in an essential war industry he would not be drafted. However, he remarked, a good many fathers are neither in the army or navy nor performing any essential services.

Reports circulated on Capitol Hill that the President would tell Congress in a message Friday that the needs of the armed forces should come first. Democratic leader Barkley (Ky) of the senate, a member of the congressional group that conferred with Mr. Roosevelt during the afternoon, said the President's message would be a "report on the general war situation."

As the military committee hearings began, Chairman Reynolds declared Congress and the people are entitled to complete justification for drafting family heads.

"We have sent some 2,000,000 men abroad, and we have 7,000,000 in uniform in this country," he told reporters. "What are we going to do with 7,000,000 more men over there? How are we going to get them across? How would we feed them?"

Main grows 55 million bushels of potatoes annually.

# BULLETINS

Washington, Sept. 15 (AP)—General Manager Chester Bowles of the Office of Price Administration Tuesday announced a sweeping price reduction program designed to lower the cost of living for consumers by 2.3 per cent and effect substantial savings in retail prices of potatoes, lard, apples, oranges and other products.

The roll back would be accomplished through a \$100,000,000 government program of transportation subsidies, government crop purchase and resale, and in the case of peanut butter and probably lard, rollback subsidies within the financial limits set by Congress.

Partial effects of the program will be felt by mid-October or November, Bowles told a press conference.

It will be followed up with a price program on winter fruits and vegetables, which Bowles said would bring their prices down to "about 15 per cent less than last winter."

The \$100,000,000 now is available, but additional funds from Congress will be necessary, Bowles said, in order to hold down the price of milk.

Washington, Sept. 15 (AP)—National Selective Service headquarters has emphasized that it will make certain every available non-father has been inducted into military service before starting the drafting of fathers next month.

New classifications will be halted temporarily throughout the nation at midnight today while all local draft boards review their records to see that men without dependents are classified properly.

# DELAWARE IS LEADING WAR BOND BATTLE

Washington, Sept. 15 (AP)—Delaware held top place today in the Treasury's first nation-wide progress report on the \$15,000,000,000 third war loan, but New York drew special commendation for placing second.

With bond sales through Monday totaling \$17,000,000, Delaware achieved 34 per cent of its \$49,000,000 quota. New York, however, with a quota of \$4,709,000,000 or more than 25 per cent of the national total, reported sales of \$1,294,000,000 to attain 28 per cent of its goal.

The Treasury meanwhile set aside Friday as "Back Salerno" Day in the drive as a tribute to American soldiers fighting to hold their bridgehead on the Italian mainland.

## Other Percentages

Today's breakdown of state percentages was on total bond sales of \$2,369,000,000, representing 16 per cent of the goal. Last night's reports boosted that figure by \$589,000,000 to account for nearly 20 per cent of the \$15,000,000,000, but the Treasury said a one-day lull in providing state totals was unavoidable.

Ranked behind Delaware and New York on a percentage basis were Maine with 24 per cent of its \$54,000,000 quota subscribed; North Carolina 21 per cent of \$145,000,000; New Hampshire 20 per cent of \$39,000,000; Utah 19 per cent of \$41,000,000; Minnesota 18 per cent of \$216,000,000; District of Columbia 17 per cent of \$94,000,000 and Nevada 17 per cent of \$12,000,000; South Carolina 16 per cent of \$61,000,000, and Pennsylvania and Colorado with 15 per cent each of respective quotas of \$1,071,000,000 and \$72,000,000.

## PICKS YANKEES TO COP SERIES FROM ST. LOUIS

By JUDSON BAILEY  
(By The Associated Press)

The New York Yankees are riding the crest of an eight-game winning streak, matching their longest previous victory string of the season, but the team is just coasting.

Ignoring the fact that the campaign has two weeks to run and they haven't clinched the pennant yet, the Yankees simply are taking their day to day business in stride and concentrating on the World Series.

In their clubhouse before the games the players are autographing baseballs by the dozens and striving to round up series tickets for their friends. Also before the games Charley Keller and Nick Etten, the heavy armament of the bombers, are taking special batting practice—not because they need it for the American league opposition but to get ready for the big test against the St. Louis Cardinals.

**Hits 27th Homer**

Yesterday Keller hit for 20 minutes before most of the players were on the field and then, when the tussle with the Philadelphia Athletics got under way, he hit his 27th home run with two aboard in the first inning.

Arthur Beauregard (Bud) Metheny hit his second homer in two days and Joe Gordon notched his 14th of the season while Hank Borowy pitched six-hit ball to overpower the A's 7-3. Borowy had a shutout till the eighth, when he made the mistake of grooving a pitch to rookie George Staller, who socked it for a three-run homer.

About the time this was going on James J. Carroll, St. Louis betting commissioner and nationally known odds-maker, disclosed that he had established the Yankees as overwhelming favorites in the series, quoting 13 to 20 against New York and 13 to 10 against St. Louis. This meant a bettor must put up \$20 to win \$13 if taking the Yanks, or lay \$10 to win \$13 if taking the Cardinals.

The Redbirds, although idle, moved within three games of clinching the National league pennant when weather forced cancellation of the second-place Brooklyn Dodgers' final game with Boston.

**Phils-Giants Split**

In the only senior circuit activity of the day the Phils divided a doubleheader with the New York Giants. Jack Kraus pitched four-hit ball as the Phils won the first 1-0 on Ray Hamrick's triple, but the Giants bagged the second game 6-3. The double bill started at 11 a. m., less than ten hours after the completion of the Phils-Giants game of the previous night, and drew only 903 paying customers.

Washington strengthened its hold on second place in the American league by shutting out the Boston Red Sox 5-0 on John Niggeling's three-hit hurling while Cleveland dropped another decision to the St. Louis Browns 4-2 through Al Zarilla's three-run homer in the seventh.

Detroit downed the Chicago White Sox 8-2 with Rube Gentry pitching a six-hitter.

## Wins 8th Straight Race At York Fair

York, Pa., Sept. 16 (AP)—With Governor Martin among the on-lookers, My Son, bay horse owned by J. R. Rich of New Castle, Pa., stretched his winning streak to eight straight dashes yesterday at the York interstate fair.

Driver Earl Cummins brought My Son home in the first dash of the second division of the 2:12 class pace, then chopped two seconds off the winning time to win the event in straight heats.

## SPORTS ROUNDUP

By HUGH FULLERTON, JR.  
New York, Sept. 16 (AP)—The hottest golfer in Northern Africa, at last report, seems to be Fireman First Class Herb Johnson, U. S. Navy. . . . Corp. Howard L. DuPont of Pinehurst, N. C., relays the results of the first Moroccan open tournament, played Aug. 14, 15, and an amateur-pro event two weeks later.

Fireman Johnson, former Hinsdale, Ill., pro, won them both. . . he shot 78-72—150 in the open over a course that "was built inside of a race track and up to two months ago was a camp for our troops" and playing with golf balls which, DuPont says, "some caddies at home would throw away as useless." . . . In the pro-tourney Herb teamed with Victor Bellinconi, Moroccan banker, and they turned in a card of 65-62—127. . . . Corp. DuPont seems to think the tournament committee, including Sgt. Dugan Aycock of Lexington, N. C., and Corp. Ben Banks of Dallas, Tex., did a good job—they even got the Pasha of Marrakech and his son, Si Ahmed Glaoui, to play—but, he asks, why can't they get some good golf balls in Africa? "The latest quotations at Gibraltar are \$10 apiece if you can get one."

**YOU PICK 'EM**

Proceeding on the safe assumption that the Yanks and Cards will meet in the world series, this corner begins a daily presentation of facts about the regular players. . . . You can draw your own conclusions.

First basemen—Nick Etten, Yankees; Refugee from the Phils who has been proving he needed only a Yankee uniform; has knocked in 98 runs on a .268 batting average so far; once hit .311 for Phils. Naturally, he's had no world series experience. Victim of the season's worst gag—the Phils are a "hungry" club because they haven't Etten. Roy Sanders, Cardinals: Split the job with Johnny Hopp last year and rode the bench during the world series. Hitting .270 so far with 64 R. B. I. once a softball and soccer player but he hasn't done much soccer booting around first.

**TODAY'S GUEST STAR**  
Wilbur Kinley, Jackson, (Miss.) Daily News: "Signs of the Times: Last year the Southeastern conference had four teams in New Year's bowl games (Georgia, Rose Bowl; Tennessee, Sugar Bowl; Alabama, Orange Bowl, and Georgia Tech, Cotton Bowl). This year the Southeastern conference has four teams period."

**SHORTS AND SHELLS**

Story from the Southwest is that conference coaches put through a rule that gridgers who had used up their three years' eligibility in the circuit couldn't come back as service trainees and be eligible because they thought it would be easier to deal with Texas' Roy McKay that way than on the field. Roy, who played a lot of fullback for three years, was assigned to the Austin campus by the Navy. . . . Col. Heine Miller suggests that interest in service boxing tournaments can be maintained by eliminating the winners from further competition so as to give the less expert fighters a chance. . . . looks as if the Army already had done that for civilian boxing. . . . Tommy Colella, Detroit Lions' halfback, recently was discharged from the Marine Corps because he was allergic to 25 different foods, three weeds, two trees and feathers. . . . wonder how he reacts to Redskins and Bears?

**SERVICE DEPT.**

When Capt. Red Eubank, coach at the South Plains Army Air Field team at Lubbock, Tex., called out his winged commando squad, he discovered four 240-pound tackles, three ex-high school stars and Lieut. George Meier, Jr., who had played at Nebraska. . . . The coach probably used his crying towel to wipe the dust out of his eyes and make sure he wasn't seeing things. . . . Pfc. William J. Beckloff, formerly of Temple U., and Platoon Sgt. William McSherry, ex-Columbia player, played forward on a Marine basketball team that won 11 of 13 games somewhere in the South Pacific—and it was only runner-up in its league. . . . Bill Dawson, end of the Camp Lejeune, N. C., Marine football squad, was cited for his coolness during the Jap sneak attack on Pearl Harbor. What does he do against a naked reverse?

## Phillies Set New Attendance Mark

Philadelphia, Sept. 16 (AP)—Only 903 cash customers saw the Phillies' farewell appearance in Shibe park yesterday—but that wasn't typical, fortunately for the club's finances.

The Phillies announced they had drawn an all-time record total of 466,876 to their home games this season—approximately twice the 1942 attendance.

## BIGLER ELEVEN AND MAROONS SCRIME TODAY

Biglerville and Gettysburg high schools' football teams will clash for a practice this afternoon at 4:30 o'clock on the Biglerville field it has been announced by school officials.

It was also announced by Biglerville officials that the opening game of the season with Juniata township, originally scheduled for September 30, will be played Wednesday evening, September 29, at Biglerville.

The reason given for the change was in response to a request made by the company supplying the temporary lighting system.

For the last week and a half Coach Roger Smith has had a squad of 32 members working out daily. Included in the group are four lettermen from last year.

**Hold Scrimmage**

On Wednesday afternoon the Cannons were given their first taste of rough work when a light scrimmage was held and defense on passing was stressed.

Coach Smith is optimistic about a good season. He has a comparatively fast squad and which will compare favorably in weight with other teams in its class.

Tom Yost, a guard of last year, is being groomed as a blocking back and will probably be designated to call signals. Dave Pitzer, a husky and powerful lad, looks good at fullback, while Clyde Lady, another letterman, is slated for a halfback position along with Dick Ogden, who possesses plenty of speed.

**Other Vets**

Herman Dixon and Dan Ebbert, both fairly tall, seem to have the inside on the end positions. They are receiving stiff opposition from Bill Jester and Leo Kleinfelter. Heading the candidates for tackle posts are Robert Brough and George Baugher. Gerald Heller, letterman, and Glenn Funt, are battling for center. The guard berths will probably be manned by Norman Lady, letterman, and Sid Myers. Clifford Brough and John Baugher are putting up a good scrap for guard positions.

At present the second string backs include Stanley McClimens, fullback; Jim Bucher, quarterback; Bob Sternat and Edward Utz, halfbacks.

Other members of the squad include Robert Brough, George Baugher, Glenn Funt, Dale Knouse, James Sillik, Harold Rexroth, Percy Bohrer, Gerald Garretson, Eugene Johnson, Robert Weikert, Clyde Naylor, Ronald Grimm and Marvin Kime.

## Fights Last Night

(By The Associated Press)

**Cleveland**—Jimmy Bivins, 182½, Cleveland, outpointed Corp. Mello Bettina, 185½, Beacon, New York (10).

**Elizabeth, N. J.**—Tippy Larkin, 151, Garfield, New Jersey, outpointed Patey Spataro, 139, New York (10); Bobby Ruffin, 136, New York, outpointed Al Guido, 134½, New York (10).

**Woonsocket, R. I.**—Harry Hintlian, 122, Worcester, Massachusetts, knocked out Johnny Boyce, 123, Garfield, New Jersey (4).

**Fort Devens, Mass.**—Roger Toothaker, 145, Lowell, knocked out Walter Burrell, 145, Jersey City (3).  
**Oakland, Calif.**—Luther (Sluggo) White, 139, Baltimore, outpointed Pedro Ortega, 137, Mexico City (10).

## 35,000 Expected At Grid Game In Philly

Philadelphia, Sept. 16 (AP)—Professional football returns to Philadelphia tonight when the Chicago Bears tangle at Shibe park with the Philadelphia Eagles—Pittsburgh Steelers combination in an exhibition game for Inquirer Charities, Inc.

Greasy Neale and Walt Kiesling, Steagles coaches, have shifted Bill Hewitt from fullback to his old left end spot as a defensive move against the Bears, who defeated the Washington Redskins 21-14 last Sunday. Ben Kish, former Brooklyn player recently given a medical discharge by the Army, will replace Hewitt.

Coach Hunk Anderson of the Bruins reported his squad "in fine fettle and ready to go" after a blackboard lecture last night.

Inquirer Charities officials estimated the crowd would reach 35,000.

## Home Runs Habit With New Phillies

Philadelphia, Sept. 16 (AP)—Coincidence department:  
July 5, his second day with the Phillies, Bob Finley, rookie catcher from Knoxville, made his first major league hit—a home run into Shibe park's left field stands.

Yesterday, his second day with the Phillies, Andy Seminick, rookie catcher from Knoxville, made his first major league hit—a home run into Shibe park's left field stands.

**TO ADDRESS SENIORS**  
**Pittsburgh, Sept. 16 (AP)**—University of Pittsburgh seniors, at graduation exercises tomorrow, will hear Dr. Edward Charles Elliott, president of Purdue university, talk on the subject, "The Cracking of Wisdom."

## Dempsey Would Have Bouts Aid Bond Drive

Dallas, Tex., Sept. 16 (AP)—Jack Dempsey thinks some of the energy of the nation's young fighters could be turned toward making money for their Uncle Sam and at the same time building them into better soldiers.

Now a lieutenant commander in the Coast Guard with the duty of coordinating its physical training program, Dempsey was here today to preside at a bond auction luncheon. In Houston, he had refereed at a war bond boxing tournament for service men and defense workers that drew over \$4,000,000.

"That illustrates just what I have in mind," said the former heavyweight champion of the world. "If we could match name fighters like Joe Louis and Billy Conn in the major cities we would raise half this next war loan. I would say Louis and Conn would draw \$100,000,000 in New York."

## STATE ELEVEN TO SEE ACTION THIS SATURDAY

By ED CREAUGH  
(By The Associated Press)

The second installment of Pennsylvania's wartime college football season comes due Saturday, and, except that it promises heavier action, it's much of a muchness with last week's.

Two of the state's teams—Muhlenberg and Villanova in this case—play on Pennsylvania soil while a third, Bucknell, sees if it can dilute the Big Red of Cornell at Ithaca, N. Y.

Bucknell coach John Sitarsky plans to use four holdovers from last year in his effort to better Muhlenberg's out-of-state jaunt last Saturday, which ended 13-6 in favor of Yale.

Besides his own boys Sitarsky has three former Manhattan players, two from Temple and one each from Panzer and Hampden-Sydney—all Navy V-12 trainees.

**Cornell Primed**  
At Cornell a Bucknell graduate, assistant coach Lefty James, has been helping drill the Big Red for their season's opener. Head coach Carl Snavely has a 187-pound line buttressed by 210-pound Ralph Calagani—Penn's co-captain last year—and a backfield averaging three pounds lighter.

Muhlenberg, which forced the Ells all the way, has been drilling hard in pass defense. "They're tough," admits Villanova's new coach, John Oliver, who looks for "pretty much of a dogfight."

The Wildcat's have a backfield surviving from the regime of Maurice "Clipper" Smith, now a Marine captain, plus a 200-pound fullback, Al Kasulin from University of Miami, and a Boston college expatriate, John Killelea.

Both Muhlenberg and Villanova count heavily on their Marine and Navy students. Anybody within gas-rationing distance of Allentown will be able to find out for himself which can count higher.

## Major League Leaders

(By The Associated Press)

**American League**  
Batting: Appling, Chicago, .318.  
Runs: Case, Washington, 83.  
Runs batted in: York, Detroit, 108.

Doubles: Guttridge, St. Louis, 33.  
Triples: York, Detroit, 31.  
Stolen bases: Case, Washington, 48.  
Pitching: Chandler, New York, 19-3.

**National League**  
Batting: Musial, St. Louis, .353.  
Runs: Vaughan, Brooklyn, 106.  
Runs batted in: Nicholson, Chicago, 106.  
Hits: Musial, St. Louis, 194.  
Doubles: Musial, St. Louis, 38.  
Triples: Musial, St. Louis, 18.  
Home runs: Nicholson, Chicago, 22.  
Stolen bases: Vaughan, Brooklyn, 18.  
Pitching: Cooper, St. Louis, 19-8.

## Eastern League

(By The Associated Press)

Teams in the Eastern league Governors' cup semi-finals are practically in the same position today as they were at the close of the regular season Sunday—all even. Only difference today is each of the four teams has one victory and one defeat to its credit.

Second-place Elmira and the Hartford Laurels, who finished in the third position, won their contests last night after dropping the initial games in the best-of-five series to Wilkes-Barre and Scranton, respectively.

The Wilkes-Barre-Elmira contest last night was a toss up until the last of the ninth when the Pioneers loaded the bases. A timely single by Wood, sent Nowak across the plate for the first and winning run. Wilkes-Barre won the first game, 4-1.

The Scranton-Hartford contest, like the Barons-Pioneers game, was just the reverse of the Tuesday night tilts. The Laurels dominated the pennant-winning Pennsylvania club 9-2, after pounding a trio of Nemo Leibold's hurlers almost at will. The initial game went to the entertaining club, 10-4.

## PENN OUTLOOK FOR CAMPAIGN IS UNCERTAIN

By HENRY LITTLEHALES

Philadelphia, Sept. 16 (AP)—Two former varsity ends who were "lost" when they enlisted as Navy pre-flight cadets and then happily were assigned to their alma mater may hold the key to the uncertain football outlook at the University of Pennsylvania.

Coach George Munger, starting his sixth season as head man of the Quakers, had given up all hope of utilizing the expert services of Herb Nelson and Frank Quillen, 6 ft.-4, 220-pounders, but the Navy sent them back to the Penn campus September 1, three weeks before the season's opener.

Because of their size and experience, the two young Behemoths now are listed as tackles. Nelson is a certainty at right tackle, but Quillen may have trouble ousting Les Zetty, ex-Muhlenberg star, on the left side of the wall.

Munger, who vows he'll be satisfied if Penn gets through the campaign with less than four defeats, pits Frank Sotack, formerly of Pitt, and Francis Kane, a Temple product, as the No. 1 ends, with Jack Rosenthal and Walt Buben, Penn "natives," in close contention.

**Back Injured**

A gloomy development in the backfield situation a week ago was the injury of Johnny Makar, bullet-passing, long-booting sophomore. While he's on the sidelines for three or four weeks, his tailback post will be filled by 155-pound Dudley Brundage, a freshman, or Joe Michaels, who was Drexel Tech's captain-elect.

Regular assignments are on the books for two experienced vets—blocking back Bob Odell, brother of Yale's head coach, and wingback Joe Kane, who's no slouch in the passing department.

Johnny Small, a 16-year-old freshman, is "Mr. Big" among the fullbacks, with Art Vincent (Virginia Poly) and George Velling (Villanova) giving him a run for his money.

Penn opens with Princeton here September 25, and follows with three successive home attractions—Yale, Dartmouth and Lakehurst Naval Air station—before traveling to New York to tackle Columbia in its only game abroad, on October 23. The card is rounded out by four more difficult Franklin Field features with Army, Navy, North Carolina and Cornell.

## SOLDIERS WILL SEE BALL STARS

By BUCKY O'CONNOR

Chicago, Sept. 16 (AP)—The Japs took to baseball a few years ago and now baseball is "taking after" the Japs.

It's going to transport a little bit of America to the service men who are slugging it out with the Nips in the Pacific war zone.

Approval of the tour was announced by Army officials in Washington yesterday, but the personnel of the two 18-men squads representing the American and National leagues has not been chosen. Baseball Commissioner K. M. Landis said he assumed the players would be selected by a vote of the managers in each league.

While there was a suggestion that each club in both leagues have a representative on the squads, Landis said this would not necessarily be the case. His point is that the teams will be selected to give service men a taste of real Big League ball and should comprise the best available talent regardless of other considerations.

League presidents and club owners will choose the two managers.

## PUBLIC SALE

**HOUSEHOLD GOODS**  
Saturday, October 2—1:00 o'clock  
243 CHAMBERSBURG ST.  
Gas refrigerator, 7 cubic feet; gas stove, good as new; wood and coal range; living room suite; dining room suite; bedroom suite; 3 beds; 2 dressers; chest; 4 mattresses, 2 inner spring; 4 bed springs; oak extension table; radio; roll top desk; rugs; dishes; pots and pans; pints, quarts and one-half gallon jars; bed clothing; pillows; stands; mirrors; electric speewer; electric iron; sewing machine; "Easy" electric washer; breakfast set; floor lamps; card tables; chairs; porch chairs; curtains.

daily except Monday

## Police And Fire Sirens Permitted

Philadelphia, Sept. 16 (AP)—Police and fire sirens sounded in Philadelphia today for the first time since the war began.

The metropolitan district council of defense permitted their use on emergency vehicles after William F. Cowden, chief of the city fire bureau reported there have been 29 accidents involving such vehicles since the first of the year.

Previously sirens were banned except as air raid warning signals. Under the new ruling they may be sounded only at street intersections to avert the possibility of prolonged blasts being mistaken for raid warnings.

## LIQUID FUEL PLANTS ASKED

Washington, Sept. 16 (AP)—A bill to establish a number of government-operated semi-commercial plants for the production of synthetic liquid fuels from coal and other substances has been introduced by Rep. Randolph (D-W. Va.).

Randolph, chairman of a House Mines and Mining subcommittee, which considered the possibilities of synthetic gasoline production, said the plants he had in mind when preparing the bill (HR 3209) would cost from eight to ten million dollars each. He said he felt that one plant should be erected in the bituminous coal fields, one in the Wyoming-Colorado-Utah area where, he declared, 85 per cent of the nation's oil shales are located, and a third wherever government scientists might decide.

The bill is similar to legislation introduced by Senator O'Mahoney (D-Wyo.) but differs in that it would permit the sale of products not sold at cost to government agencies, or placed at the disposal of the War and Navy departments, at "going prices to any purchaser through regular commercial channels."

Randolph said that gasoline produced from coal at the small experimental plant in Pittsburgh had proved "as good as any high-grade aviation fuel used in our bombers." What is now needed, he said, are larger plants "to undertake the development work to the point where private industry can profitably enter."

## DIES FROM FALL

Pittsburgh, Sept. 16 (AP)—Frank J. Willard, 63, of Greensburg, died of injuries he received when he fell into the Monongahela river Tuesday from a railroad bridge he had been painting. He suffered a fractured skull.

## REPORT BORDER CLASH BETWEEN JAPS AND REDS

By JAMES D. WHITE

Washington, Sept. 16 (AP)—Speculation about a Japanese attack on Soviet Russia revived here today with unconfirmed reports from Chungking that a border clash—the first reported in some time—has occurred along the Mongolian frontier.

The Chungking report said the incident occurred north of Palling-miao, a Japanese-controlled inner Mongolian desert settlement which might be a strategic base position for the Japanese if they should be planning a drive to cut the trans-Siberian rail line in the vicinity of Lake Balkal.

Among experts on Asiatic affairs here, one group holds that the Japanese will not attack, having enough on their hands already with the growing power of the Allies in the Pacific and east Asia.

**Nazi Pressure**

Another contends that while the Japanese well may be concerned about this, they are nevertheless in this war with the Germans and must realize that once Germany is liquidated the Allies can turn their full attention to the Pacific. And the Germans, this group argues, undoubtedly are pressing the Japanese for a second front against the Russians in the east which would divert much Soviet strength from the advancing lines in the west.

It is assumed that the Japanese would take such a desperate step purely in self interest, but the bogey of being bombed from Siberian bases has been drilled indelibly into the popular Japanese imagination for many years.

Only by capturing eastern Siberia itself could the Japanese eradicate such a spectre with complete certainty.

More than 120,000,000 tons of commerce moves through the port of New York each year.

## Men, Women! Old at 40, 50, 60! Get Pep

Don't blame exhausted, worn-out, run-down feeling on your age. Thousands amazed at what a little pep and vim can do. Contains powerful tonic, calcium phosphate, vitamin B<sub>1</sub>. Improves circulation, builds up strength. Why feel old? Start feeling younger and younger, today. For sale at all drug stores everywhere—in Gettysburg at Rex and Derick.

## Just Folks

By Edgar A. Guest

**FATE**  
I like the way Fate does its stuff  
And tosses 'round its darts.  
While seeming blind sees well enough

To toy with human hearts.  
Had many leftwards turned, instead  
Of swinging to the right,  
Then other maids they might have wed

Than those they loved on sight.

Some stubborn man will stick it out  
For five and forty years  
And never see the girls about  
Till one by chance appears.

They bump upon a crowded bus,  
A meeting long delayed.

He thinks her something glorious  
And thus a match is made!

Some folks there are who scheme  
And plan  
To join two friends for life.  
They know the girl who'd make the man

A most devoted wife,  
But all the various schemes they try

His lonely soul to mate,  
Lack something of the method sly  
Of what is known as Fate.

The wind removes his pearl gray hat  
And blows it down the street,  
A maiden picks it up, and that  
Lets two nice people meet.

She smiles! He smiles! And strange to say  
To church that meeting leads,  
For when Fate plans a wedding day  
One chance is all it needs.

## Today's Talk

By George Matthew Adams

**GOD EVER NEW**  
There is nothing old about God, except that he has always been—something quite beyond our finite mind—and yet to every age, every century, every change of time or circumstance, God is ever new!

God always comes up to people in times of stress or trouble, and people search him out, as well. There must be some great and everlasting reason for this. Capt. Maurice M. Witherspoon, noted Chaplain of the two World Wars, and a man who has travelled thousands of miles contacting thousands of soldier boys, says that the soldiers in this war "are more intensely religious than in the last, and they have a greater devotion to duty."

This fact is evidenced very strongly in the many books written, or stories told, by those who have come back from the thickest of the fighting. Col. Robert L. Scott has written a great story of his experiences in the Far East, and he has named his book "God Is My Pilot." Also the little book by Captain Rickenbacker, and the one by his companion on that dreadful Pacific experience, when all seemed lost, each emphasizes God as the guardian and watcher, who finally rescued them.

A boy looking death in the face becomes very realistic. His urges more right than wrong. He prays to God sincerely. As do all those who daily pray for his safety and his return. God is ever new to such. Those who look to God regularly for guidance and spiritual instruction learn something new about his power to inspire, comfort and lead. He refreshes the human spirit, instills courage and increases our faith in his never-failing love for the humblest of creatures. He wipes away tears from the sorrowful, and keeps streaming his light into places that have become dark, thus removing fear from the fearful.

Imagine a world without God, for a moment. No starry heavens, arranged in perfect order, and moving through the ages according to divine plan; no sunlight, no substances in the earth created for man's life and glory, no sunsets or sunrises—no flowers, no clouds painted against the blue sky—no anything that has made this world so beautiful! How impossible even to imagine such a state! How easy to think of God as ever new—everlasting!

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times

TWENTY-FIVE YEARS AGO

Tankers Set to go to Raleigh: A committee of Gettysburg men who went to Washington to try to have Camp Colt prepared for winter use, have returned with the report that the War Department has decided definitely that the Tankers shall be moved to Raleigh, N. C., as soon as cold weather sets in.

The following composed the party: R. P. Funkhouser, A. B. Plank, C. B. Dougherty, P. W. Stallsmith, S. Miley Miller, J. Frank Hartman, and J. L. Williams, Esq.

**Fink - Eyer:** Miss Ruth Naomi Eyer and William Edgar Fink were married on September 5th by Rev. E. Stockliger at the Mt. Joy parsonage.

**Reaver - Hafe:** Miss Emma Matilda Hafe and Charles M. Reaver, were married at Littlestown on Tuesday by Rev. F. S. Lindaman.

**Kime - Shultz:** Miss Mary Viola Shultz and Raymond W. Kime were married on Tuesday by Rev. J. B. Baker.

**To Naval Reserve:** Lester Stauffer and Frank Dempsey, of this place, have been called to the Naval Reserve, and have left for Philadelphia.

**In Transport Service:** Lieutenant Horace Stewart, U. S. N., son of Dr. and Mrs. Henry Stewart, has been assigned to duty as executive officer on the transport "Lake Blooming-ton."

**Marksmanship Test:** George Miller, son of Mr. and Mrs. P. A. Miller, who has been training for the past two months with the United States Marines at Parris Island, S. C., has been awarded a medal as high sharpshooter.

**Oyler - Strickhouser:** Miss Myrtle B. Strickhouser, daughter of Mr. and Mrs. Charles Strickhouser, of near Harney, and Carl Ernest Oyler, son of Mr. and Mrs. J. Price Oyler, of Gettysburg, were married Saturday evening at five o'clock in the Lutheran parsonage in Carlisle by Dr. A. R. Steck.

The bride was formerly a student at Shippensburg Normal school, and is now teaching in the county. The bridegroom is employed by the firm of Oyler and Spangler.

They will reside in Gettysburg.

**Xavier Hall for Truck Men:** The use of Xavier Hall has been secured for the truck train men who will come through Gettysburg during the fall and winter. A letter to this effect has been sent by Burgess Elcholtz to Captain Andrews at Detroit, who has charge of the movement of trucks to the Atlantic seaboard.

At the last meeting of the town council a committee was appointed consisting of Burgess Elcholtz, Councilmen Funkhouser and Swift, Rev. W. F. Boyle and Rev. J. B. Baker to secure suitable quarters. When Father Boyle offered the use of the large auditorium, the suggestion was gratefully accepted.

**Gels Commission:** William Tipton Timmins has received his commission as second lieutenant. Lt. Timmins has been with the troops in Mexico for a number of months. His commission was earned in direct line of service as he did not attend any training school.

**McKee-Slaybaugh:** The marriage of Miss Mary E. Slaybaugh, of Gettysburg, and Lieutenant Charles W. McKee, United States Army, took place on Thursday at Butler. The ceremony was performed by Rev. Mr. Baldinger.

The bride is a daughter of Mr. and Mrs. Elmer E. Slaybaugh, of Springs avenue. Lieutenant McKee attending college in the class of 1918. He is stationed at Camp Jackson, Columbia, S. C.

**Farm Sold:** Jesse Clapsaddle has sold his farm at Barlow to Raymond Coshun, for \$3,000. Possession April 1.

**Fine Result to Big Registration:** Adams county registered exactly 3,602 men on Thursday, contributing its full share to the latest enrollment for military duty, under the selective service, requiring all men between the ages of 18 and 45 to register.

No such greeting ever welcomed the birth of a new year as that which on Thursday morning ushered in the dawn of America's great registration day, when 13,000,000 men were called upon to place themselves in readiness to answer the nation's call to arms.

A minute before the stroke of seven the factory whistles sounded and in a few seconds church and school bells were ringing. The noise fest of the morning was repeated at one o'clock in the afternoon in order to remind once more all who had not registered up to that time that it was the momentous day.

**Personal:** Mrs. William Wentz has returned to her home on York street after spending two months in the west. Mrs. Frank Deardorff has gone to

## SAMUEL, BOK, BULLITT, RENO ARE NOMINATED

(By The Associated Press)

At least one more Pennsylvania community approved the sale of beer today while three more outlawed the sale of liquor on the basis of incomplete reports from local option referenda in connection with yesterday's state-wide primary election.

Other results of the voting, which was still being tabulated in many sections early today despite an unusually light turnout, included:

1. Acting Mayor Bernard Samuel of Philadelphia and 16 other mayors of Pennsylvania cities won nominations to succeed themselves.

Samuel, a Republican, will be opposed in the November election by William C. Bullitt, Democrat and former Ambassador to France and Russia. Both organization candidates, they won sweeping majorities.

**Reno and Bok**

2. State Superior Court Justice Claude T. Reno, Republican, and Judge Curtis Bok of the Philadelphia common pleas court, Democrat, were nominated without opposition for the \$18,000 a year Superior Court post, only state-wide position on the November ballot. Throughout Pennsylvania 21 judges received both Democratic and Republican nominations.

3. Republican organization candidates supported by Governor Martin held an early lead over "Young Republican" opponents backed by U. S. Senator James J. Davis in the Allegheny county fight for nominations to two county commissioner seats, but the count was far short of indicating a definite trend either way.

Lock Haven, only city voting on the wet-dry issue, retained liquor and beer by two-to-one majorities. Six other formerly wet communities outlawed beer and four liquor, seven dry communities voting in favor of beer and one for liquor.

**York Mayor Loses**

The only incumbent mayors failing of renomination were Harvey N. Werner, York Democrat, who lost to Guy S. Boyd, and A. G. Luebert, Coatesville Democrat, defeated by Richard Scully, Jr.

Judge M. F. Sando of the Lackawanna county common pleas court was one of six judges who defeated opponents on both tickets. The others were Philadelphia municipal court members.

An early verdict in the Allegheny county contest was considered unlikely although first scattering returns showed "old guard" candidates John S. Herron and Robert D. Fleming leading Robert J. Corbett and Raymond A. Tucker, "insurgents."

The generally light vote throughout the state had been predicted by party leaders who pointed out that thousands of younger voters are in the armed forces while their fathers and mothers are busy with war jobs. The lack of state-wide contests was cited as another reason for the prevailing lack of interest.

**Frozen Eggs To Cost More Says OPA**

A mark-up of one-half cent a pound over established maximum prices for frozen eggs when these are sold, usually to bakers and confectioners, in small containers of 20 pounds or less was authorized Tuesday by the Office of Price Administration.

The mark-up, traditional in the trade, should not affect the cost of living, the OPA said. Frozen eggs do not go into home consumption.

**Free Press Rule Upheld By Court**

Mobile, Ala., Sept. 15 (AP)—The contempt conviction of Ralph B. Chandler, publisher of the Mobile Press and Register, for editorial criticism of an inferior court decision was dismissed Tuesday by Probate Judge Norville R. Leigh, Jr.

Upholding "the constitutional liberty of the press," the judge ruled that "after a judge or court has rendered final judgment any one may criticize such final judgment as he pleases, subject only to criminal prosecution and civil suit if his criticism be slanderous or libelous."

Harrisburg to take her daughter, Anna, to the hospital. Master John Elcholtz, of Table Rock, is visiting at the home of his grandfather on North Stratton street.

Mr. and Mrs. Allen Dubbs of Chambersburg street, announce the birth of a son.

Mrs. Robert Miller, Charles Miller, Miss Anna Miller, and Harold Mumper, of Baltimore street, spent the week-end in Atlantic City.

Dr. and Mrs. A. R. Wentz and son, Valentine, have returned to their home on Seminary Ridge, after spending two weeks in Confluence.

Miss Elizabeth Sheads, of Stratton street, has gone to Camden, N. J., where she will teach in the public schools.

## Flashes Of Life

PHOTO FINISH

Indianapolis (AP)—Albert Young, 49-year-old photographer with studios in downtown Indianapolis, charged with possession of obscene photographs, told Judge John L. Niblack that "it's all in the mind of the person who looks at the pictures whether they are art or are obscene."

"Well," Judge Niblack replied, "I was brought up in a Methodist family and they took obscene to me, so it will be \$100 and costs and 180 days."

**EQUAL-RIGHTS DEPT.**

Los Angeles (AP)—Newest addition to the Red Cross public instruction program:

A class in baby bathing, diaper-changing and middle-of-the-night floorwalking—for prospective fathers, exclusively.

**THE LAUNCHING**

Santa Fe, N. M. (AP)—Police arrested a man on a charge of intoxication and whisked him to jail in a shiny patrol wagon.

In court the next morning, the head jailer generously gave him a package of cigarettes, and the judge dismissed charges against the bewildered defendant.

He was the first law violator to ride in Santa Fe's new "Black Maria."

**QUICK REBOUND**

Kansas City, Kas. (AP)—Last November Errett P. Schriver was defeated, by two thousand votes, for county attorney.

Yesterday he was elected to Congress—with a 10,000-vote margin.

## FOOD SUBSIDIES STILL PROBLEM

Washington, Sept. 14 (AP)—Congress returned to the capitol Tuesday and found right on the doorsteps the problem child—food subsidies—it had abandoned in July to go off on vacation.

Chester Bowles, the business man who came in as general manager of the Office of Price Administration while Congress was away, had the baby dressed differently but he sang the lullaby Congress heard before:

If food prices are to be controlled—and reduced to or near the levels of last September 15, which Congress wanted—some of the job must be done by subsidies or bonuses.

Milk is the item specifically needing Congressional help through subsidy or bonus for the dairy farmer. Said Bowles who also reported a drop in living costs and an attempt to cut them further by a new program to whittle food prices.

After battling itself red in the face over food subsidies earlier in the summer, the Senate finally recessed in such haste it abandoned the ban it had placed on subsidies.

At that time the controversial items were meat and butter but OPA has gone ahead with them, depressing prices by a subsidy of about 350 million dollars obtained from the Reconstruction Finance Corporation.

**\$295 FOR UNEMPLOYED**

G. Harold Wagner, state treasurer, Saturday announced that a check for \$295 was issued to Gettysburg for unemployment compensation for the week ending September 10.

**GRASS FIRE**

The local fire company was called about 5:30 o'clock Sunday afternoon to extinguish a grass fire between Franklin and Breckenridge street near the colored Baptist church.

## VICTORY TAX REPEAL ASKED; SALES' LEVY?

By FRANCIS M. LE MAY

Washington, Sept. 15 (AP)—Repeal of the 5 per cent victory tax was proposed by a member of the House Ways and Means Committee today as a cure for the decimal point jitters suffered by many income tax payers.

Rep. Robertson (D-Va.), member of the committee which originated the tax, said there must be some simpler way of collecting "the \$2,000,000,000 a year netted from the victory levy."

Capitol Hill heard meanwhile that the administration probably would present to Congress Sept. 20, not a specific program to raise more war-time revenue, but several alternative plans for digging deeper into taxpayers' pockets.

**Hint Sales Tax**

The administration's tax procedures were reported to have been decided upon finally yesterday at a White House conference.

Robertson did not suggest a specific substitute for the victory tax, but some authorities were known to be discussing a 5 per cent sales tax as a possible alternative. However, Congressional tax leaders privately expressed doubt that there is much prospect for enactment of a sales tax.

Chairman Doughton (D-NC) called the Ways and Means Committee into a closed meeting tonight for a discussion with treasury and congressional tax experts of the various proposals for simplifying the income tax return.

The meeting coincides with the deadline for the filing of some 15,000,000 returns on estimated income for 1943.

Many taxpayers have been puzzled by the double computation of income and victory taxes.

**Arrests Climax Political Fight**

Washington, Pa., Sept. 15 (AP)—Climaxing a bitter Democratic political fight, 15 persons were arrested Monday on charges of criminal libel and of distributing pamphlets libeling political candidates.

Merle Spandau, of Pittsburgh, one of those taken into custody was charged with conspiracy in the issuance of 14,000 handbills. He posted \$500 bond in Allegheny county.

The other 14, who said they were employed by a Pittsburgh distributing company, were charged with distributing the pamphlets which Harvey Stuart, Washington county controller and Democratic county chairman, claimed libeled him and other candidates.

**PUBLIC SALE**

SATURDAY, SEPTEMBER 18TH

The undersigned, having sold the farm and intending to quit farming, will offer at public sale on the premises, one mile east of Heidlersburg in site of the Menallen highway about midway between Heidlersburg and the Five Points, formerly known as the Slaybaugh farm, the following:

**Live Stock**

Two head horses, one a single line leader, the other will work on either side with checks; 12 head young cattle, 2 heifers will be fresh in May; 2 bulls fit for service; heifer about 15 months old; the balance are smaller. Four brood sows will farrow in November; 2 male hogs, one will dress 600 pounds when fat, the other smaller; 6 shoats will weigh about 60 pounds apiece; about 125 laying hens; also a number of pullets.

**Farm Implements**

McCormick-Deering tractor, 10-20 on steel, in good condition; John Deere grain binder, 7-foot cut, in good condition; Johnson mower, 5-foot cut, in good condition; John Deere double row corn planter with phosphate attachment, only used a few years; John Deere double row corn worker, used two seasons; hay rake, self dump; New Holland chopper; New Ideal manure spreader; 2-horse wagon and bed; 16-foot hay ladders; 3-section lever harrow; 2 14-in. bottom McCormick-Deering tractor plow, in good condition; tractor disc, in good condition; Syracuse 3-horse plow; 2 sets front gears, collars, bristles and shovels; picks; 2 digging irons; shovels; mactook; oil brooder stove; belt; power belt; 4-in. power belt; wrenches of all kinds; wire stretcher; two 55-gallon gas drums; four spigots; 25-gallon gas drum; four 55-gallon steel drums, with lids and clasps; 5-gallon oil cans; 2 coal chutes; lot of locust posts; stool rack for truck; lot of old iron; circular saw.

**Household Goods**

Bedroom suite; 6 chairs; writing desk; organ; 2 kitchen bins; parlor suite; buffet; 9x12 linoleum rug; 6x9 linoleum rug; 2 extension tables; couch; empty glass jars; jelly glasses; canned fruit; dishes of all kinds; Columbia range; 3-piece living room suite; 2 library tables; Singer sewing machine; stands; chairs; baby buggy; 5-gallon crock; 2 two-gallon crocks; mattress, and many other articles too numerous to mention.

Sale to start at 12:00 noon. Terms cash.

**GERTIE KENNEDY**

Paul Miller, Auctioneer

H. M. Gardner, clerk

## Place Ceiling Price On Live Hogs Here

Announcement was made today at the District OPA office of the three prices for live hogs that will prevail in the Harrisburg 10-county district under the new dollars-and-cents ceilings established by the Office of Price Administration.

Three types of selling prices are recognized in the regulation:

(1) "Terminal markets," specifically listed municipalities in which all sales in public markets, slaughterhouses and all other places are covered. Lancaster is the only terminal market listed in this District and the ceiling price for live hogs weighed at the market for sale is \$15.30.

(2) "Interior markets," any municipality in which more than 25,000 hogs were slaughtered at a single plant in 1941. Harrisburg is included in that category and the ceiling price has been set at \$15.10.

(3) "Buying station," any fixed place of business other than a "terminal market" or an "interior market" where live hogs are weighed for sale and sold to the buyer and a regular market is maintained. The ceiling price is \$15.00.

In effect this means that the ceiling price on live hogs sold in this district outside of Harrisburg and Lancaster municipalities is \$15.00.

**MRS. SHAW DIES**

London, Sept. 15 (AP)—Mrs. George Bernard Shaw, wife of the famous playwright and wit, died at their home here Sunday. She was known as a lover of music and the arts and had published a translation of French plays and endowed a number of institutions and scholarships.

## An Evening Thought

Men are often capable of greater things than they perform. They are sent into the world with bills of credit, and seldom draw to their full extent.—Walpole

## Just Folks

By Edgar A. Guest

## QUATRAINS

## Comparison

Sometimes when weary I have grown  
And tempted am from toil to flee,  
I think of boys who drift alone  
Day after day on rafts at sea!

## Counsel

Remember son, 'twas never planned  
That man should woman understand.

For if he could 'tis certain then  
All women would behave like men.

## Mad Dog

A mad dog yowling down the street,  
Snapping at all he chanced to meet,  
This observation brought to mind:  
"The Adolf Hitler of his kind!"

## The Difficulty

We know the world can come day  
be

A better place for you and me  
But not, to put the matter straight,  
Until men rid the world of hate.

## Today's Talk

By George Matthew Adams

## LEAVING THINGS BEHIND

The costliest of all baggage is excess baggage. Not merely in money, but in worry, care and bother. We are forever carrying too much, no matter where we go or in what we are engaged.

A business desk littered with a multitude of papers, unanswered letters, documents, and whatnot is excess baggage to the one who works at that desk. On vacations, and other trips, we always carry too much. Often it is the excess that wears us down and not the work that we do.

There is no better habit to acquire than to learn to leave things behind! Let the worries slide away. Forget about unintentional mistakes. Drop all regrets as so much excess, as well as dangerous, baggage to the soul.

In youth the dream of possession is at its height. But as the years advance with us we learn the folly of holding on to things. Our wants become fewer. Serving the mind and the impulses of the heart far outclasses that of the body and its environment. The futility of vain display grows less and less. The traveler, after a long journey, the end not yet in sight, keeps mulling over in his mind what he can discard and leave behind. The soldier travels with the lightest equipment possible—and discards much of that in combat.

When we go away, however, there are things that we leave behind—friends, and those beloved, for example. But we take the memory of their love and good deeds all the way with us, no matter where we go. And when we leave this earth permanently the only things left behind, that remain to inspire and bless, are the deeds of kindness and generosity that gave to us the greatest blessing in life.

We can always afford to leave our troubles behind. They serve no purpose, either to us or to those with whom we may come in contact. We can leave love behind to warm the hearts of the many. We can leave behind an example of courage and selflessness.

In the words of Longfellow, we can "leave behind us footprints on the sands of Time." We can leave evidences that we lived and served.

Tomorrow Mr. Adams will talk on the subject: "Your Mental Bank-Book."

The diet of the average Chinese is said to be inadequate in meat, milk, eggs, vegetables and fruits.

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times

## TWENTY YEARS AGO

**Distinguished Visitors in Gettysburg on Sunday:** Gettysburg was host over the week-end to a number of distinguished visitors including Henry Ford, prominent automobile manufacturer of Detroit, Michigan; General John J. Pershing, of Washington, and Major General Hanson E. Ely, commandant of the War college, at Washington.

In an effort to avoid publicity, Mr. Ford signed his name on the Eagle Hotel register as "A. Henry," but John Slaybaugh, who guided the party over the Battlefield Sunday morning, was introduced to the Detroit automobile wizard under his right name.

General Pershing with his son, and another couple, arrived in town from Pittsburgh. Frank Slonaker acted as guide for the party over the Battlefield.

**Parochial School Opens With 202 Pupils:** With 202 pupils in attendance, Catholic schools of Gettysburg opened their session for the year with Mass at St. Francis Xavier church at 8 o'clock Monday morning, celebrated by the Rev. Father Mark E. Stock. Sister Angela, Superior, is principal of the school. Sister Rita was added to the teaching staff.

**Accepts New Position:** George Naugle, of Gettysburg, formerly employed as salesman of The Quality Shop, Baltimore street, has accepted a similar position with G. W. Weaver and Son.

**To Hold Reception for New President:** Dr. and Mrs. Edward S. Breidenbaugh, Carlisle street, have issued cards to the local trustees and faculty of Gettysburg college for a reception to be held at their home Thursday afternoon for Dr. Henry W. A. Hanson, newly elected president of Gettysburg college. Dr. Breidenbaugh is head of the chemistry department at college.

**Three Couples Get Marriage Licenses Monday:** Miss Ethel Beatrice Taylor, daughter of Mr. and Mrs. H. A. Taylor, Aspers, and William E. Hikes, son of Mrs. Emma Hikes, also of Aspers, secured a license from Mr. Hartman and later were married by the Rev. Mr. Hummelbaugh at the parsonage of the Gettysburg United Brethren church.

Licenses were issued to Lester Miller Jacobs, son of Mrs. Viola I. Jacobs, and Miss Bertha May Hoke, daughter of Mr. and Mrs. L. C. Hoke, all of Hanover, and to Ray David Ginter, son of Mr. and Mrs. Charles Ginter, Mt. Pleasant township, and Miss Dorothy Catherine Rutters, daughter of Mr. and Mrs. William Rutters, Oxford township.

**Gets Road Job:** J. William Kendeheart, Jr., West Middle street, has accepted a position as assistant inspector with the Pennsylvania State Highway Department. He is working out of Hanover, under J. Robert Fleming, chief inspector.

**Purchases Property:** Clarence Cromer, Water street, on Wednesday purchased the property of Mrs. Alice Zeider, Carlisle street. Mr. Cromer began moving into his new home on Thursday.

**Law Student Weds Miss M. V. Eberhart:** At a quiet ceremony performed at 9:15 o'clock Friday morning at the Fairfield Lutheran church, by the Rev. Ralph Baker, pastor, Miss Mable Virginia Eberhart, York street, and Lester Grant Rarig, of Catawissa, were married.

The bridegroom is a student at a law school in Philadelphia, where they expect to make their home.

Mr. and Mrs. Rarig are spending a honeymoon at Pen Mar.

**Gas Company Promises Better Service:** An assurance that work of improving the plant and the entire system of the Gettysburg Gas company is being carried on and will continue with the greatest speed possible, that the improvements just completed and added equipment at the plant will give the consumer a far better quality of gas at a more consistent pressure, and that every effort is being made to effect a price reduction by the beginning of next year is the gist of the understanding reached between directors of the Chamber of Commerce and the Gettysburg Gas company, through William D. Himes, New Oxford, president, and H. Harold Miller, general manager, who met with the Commerce directorate at their regular meeting Friday evening in the parlor of the Hotel Gettysburg.

**Personal:** Miss Sadie Hoffman and Miss Lillie Stover spent Sunday with Miss Loretta Smick, York Springs.

Miss Corynne Tyson, of Flora Dale, has returned to her home, after spending several months in California, where she was engaged in landscape work.

Mr. and Mrs. Charles H. Smith, Broadway, and Mr. and Mrs. Borland, of Pittsburgh, have returned from a motor trip to Boston, Massachusetts.

Mr. and Mrs. H. E. Bumbaugh and daughter, Grace, have returned home after spending several weeks in Atlantic City and Philadelphia.

Glenn Bream has gone to Sunbury

## RUBBER PLANT, REICH CAPITAL BOMBED BY RAF

London, Sept. 16 (AP)—A heavy force of RAF bombers attacked a rubber factory at Montluçon only 43 miles northwest of Vichy in enemy-occupied France last night while other bombers hit targets in Berlin and northwest Germany, the air ministry announced today.

The Vichy radio said the town of Chartres also was attacked, but the British announcement made no mention of this.

Last night's raid, first since the September 6 attack on Munich, followed by a few hours the first after-dusk assault by a combined force of American Flying Fortresses, Liberators and Marauders which raided the Paris area. Here the Hispana-Suiza and Caudron-Renault aircraft plants and a ball bearing works were the main targets.

## London Pounded

At the same time German air raiders subjected suburban London to one of its severest bombings in months.

The raid on Paris marked the first time that Fortresses, Liberators and Marauders had joined in the same operation in the European war theatre and the first time they had gone out and come home after dusk. Brig. Gen. Frederick L. Anderson, commander of the U. S. Eighth Air Force Bomber Command, pronounced the experiment a success and presaging the possibility that they would soon team up with the RAF in bombing Europe by night.

Last night's operations cost the RAF eight bombers and two fighters, the air ministry said. One enemy plane was shot down.

While other night bombers were stalling at Berlin and northwest Germany, RAF fighter squadrons attacked enemy air fields and transport targets in intruder operations over France.

## Mosquito Bombers

There was no indication that the Berlin raid, apparently carried out by light Mosquito bombers, was anything like the saturation attacks with loads of 1,000 tons of explosives, the last of which was made against the German capital September 4.

The burst of widespread activity in the past 24 hours ended a lull in the extensive Allied air activities against western Europe which followed the climax of an eight-day non-stop offensive against the continent a week ago.

## 20 Nazis Downed

These bombing forays were supported by swarms of Allied fighters, including American P-47 Thunderbolts, and a U. S. communiqué said 16 enemy planes were shot down as the Nazis tried unsuccessfully to beat off the raiders.

Allied losses yesterday were listed officially as six heavy bombers and three fighters.

Four German planes also were reported shot down last night—three over Britain and another over northern France.

Some casualties were caused in the greater London area by the German overnight raids, but the only bomb which fell in the city proper dropped in a football field which now is used as a community garden. Actually the number of planes which participated in the Nazi assault was comparatively small and heavy gunfire kept them away from the heart of London.

## FBI ARRESTS GERMAN SPY

Washington, Sept. 16 (AP)—Director J. Edgar Hoover of the Federal Bureau of Investigation, announced Wednesday the arrest in Newark, New Jersey, of John Da Silva Purvis, 43, on charges that he acted as a spy for Germany.

Hoover said Purvis transmitted information to his "principals" in Europe, and on two occasions received cash payments for his services.

Purvis, a Portuguese citizen, allegedly began his espionage activities early in 1942 when he was contacted by a crew member of a neutral vessel who had been recruited by the German Intelligence service.

"Purvis was contacted by at least two couriers and one of them saw him on two occasions," Hoover said. One of the representatives of the German espionage system brought to the United States a personal letter addressed to Purvis containing certain identifying code words. He also brought a list of 16 specific assignments to be covered by Purvis.

The assignments, according to Hoover, included information on warship construction, damage at Pearl Harbor, losses in sea action, convoy information, information on American bases in Central and South America and on the African coast, including mine fields.

where he has accepted a position with the State Highway department. Mr. and Mrs. William G. Weaver moved Monday into their new home on the corner of Broadway and Carlisle street.

Rex Gilbert and Robert Deardorff have returned to their homes here after spending two months at Midway Park, Lake Chautauqua, as members of the Gettysburg College Serenaders.

## Flashes Of Life

## PAY-OFF

New York. (AP)—The Atlantic Charter's four freedoms already have paid off as far as 89 employees of the Bank of China in Wall Street are concerned.

Regional War Labor Board chairman, Theodore W. Kheel said that the workers merited pay raises because of superior skills, but WLB rules did not cover the increases.

The board pondered, related Kheel, then a member said, "I know, let's give it to them on the basis of the four freedoms."

The vote was unanimous.

## ENGLISH LESSON

Kansas City, (AP)—A TWA plane heard a strange radio call one day in mid-Atlantic, relates Otis Frank Bryan, vice-president of Transcontinental & Western Air, Inc.

"A clear voice in English advised our radio operator he was using the wrong code of the day," Bryan said—

"And we were using the wrong code."

The voice was that of a German submarine commander, he added.

## THE VETERAN

Wichita, Kas., (AP)—Frank L. Roe is being sought here by postal officials; in fact, they've been looking for him ever since the last war.

They want to give Roe his Army discharge papers issued at Camp Funston, December 24, 1918.

## BLONDES NOT PREFERRED

Papeete, Tahiti, (AP)—Because Polynesians thought the first white visitor had a disease—since they were not dark skinned—they turned them Ta'ta papure, meaning leprous man.

For the same reason a blonde today is called vahine papure, literally leprous woman.

## Millionth Visitor At Movie Canteen

Hollywood, Sept. 16 (AP)—The stars were shining bright when 1st Sgt. Carl E. W. Bell of Rising Star, Tex., ventured into the Hollywood canteen.

Marlene Dietrich, Deanna Durbin and Lana Turner met him at the door and formed a guard of honor. Two name bands blared a welcome and Eddie Cantor was master of ceremonies for a show presented by Ginnie Simms, Red Skelton, Lena Horne, and many others.

He got a kiss from Miss Dietrich, too!

For Sgt. Bell, invalided home from New Guinea, was the millionth service man to visit screenland's famed retreat for members of the armed services since it opened last Oct. 3, its sponsors said.

## STABBED TO DEATH

Pittsburgh, Sept. 16 (AP)—John Gummings, 30, stabbed in the back with an ice pick while riding a streetcar, died later last night in Mercy hospital. Passengers said a woman, about 25, followed Gummings into the car and sank the pick in his back. Police were seeking her today.

Ravens annually return to the same nesting place.

## ALLIES WEAR JAP UNIFORMS IN SALAMAUA

(The first eyewitness story out of Salamaua, the New Guinea Japanese base which Australian units captured last Sunday, came today from Vern Haugland, 35-year old Associated Press war correspondent. Haugland went to Australia in January, 1942, with one of the first convoys of U.S. troops. He was lost 43 days in the wilds of New Guinea that fall after bailing out of a plane, and General Douglas MacArthur personally awarded him the Silver Star for "courage and perseverance."

## By VERN HAUGLAND

With Allied Forces at Salamaua, New Guinea, Sept. 14 (Delayed)—(AP)—With Japanese troops fleeing swiftly before them, Australian and American soldiers staged a footrace for Salamaua—and the Aussies apparently won by a nose.

First sizeable units of both forces entered the ruined, deserted town early Sunday, Sept. 12, but the Australians claimed they had put a patrol in late the night before which spent the night on Salamaua isthmus.

The Japanese apparently left hastily but in fairly good order. They left weapons and large stores of clothing and supplies in good condition.

## Wear Jap Uniforms

Correspondents engrossed with the Lae action 18 miles northwest were caught by surprise by the amazingly quick Japanese collapse. We arrived today by slow boat from Buna, scene of another bloody fight with the enemy earlier in the war.

We found this a shattered place with only two or three shacks still standing, and they were badly riddled. But already a bulldozer was fashioning a road between giant shell craters along the isthmus and a little jeep came rattling along to take us to headquarters.

Hundreds of Australians and Americans were swimming or walking along the isthmus, souvenir hunting. Many Americans of the 162nd Regiment, 41st Division, who had fought their way across the mountains from Nassau Bay and Tambu Bay and whose uniforms were in tatters, quickly changed to

HANOVER, PA.

Victor Palmer, Auctioneer  
George March, Clerk

THANK  
YOU FOR

The Nomination for  
PROTHONOTARY  
ARTHUR H. "OTT" SHIELDS

THE ARMED FORCES, war industries, and civilian defense units keep telephone wires humming these days. To handle this flood of calls, your telephone company needs more operators—and needs them now. Here is your chance to make a real contribution to the war effort—and at the same time get a job with pleasant working conditions. You will join a corps of selected girls who have dedicated their best efforts to providing swift and accurate service in these critical times.

CAN YOU QUALIFY? To maintain the high standard of telephone service requires girls, married or single, who have good eyesight, hearing, and voice. You should be right-handed, be in good physical condition and be a citizen. No previous experience is necessary.

HOW TO APPLY. If you have wondered "what you can do to help" . . . if you are interested in this opportunity for useful and agreeable work, simply call the Chief Operator, Gettysburg. She will be glad to tell you more about this interesting work and arrange an interview. Workers now engaged in essential activities will not be considered.

The United Telephone Company of Pennsylvania

## Mrs. Clark Wears Good Luck Ring

Pittsburgh, Sept. 16 (AP)—Mrs. Mark Wayne Clark, wife of the commander of the American Fifth Army battling the Nazis in Italy, is wearing a good luck ring.

It was the gift of William N. Robson, registrar in the City Deeds registry. Mrs. Clark said:

"It is a great comfort to have this ring, which I slipped on my finger with a fervent prayer."

Mrs. Clark was here in connection with the Third War Loan Bond campaign.

## Release Pitboy In Strike Case

Nottingham, England, Sept. 16 (AP)—Sidney Page, the 18-year-old pitboy whose imprisonment caused 15,000 coal miners to strike, was released today, but a miner's superstition against beginning work on Friday threatened to prolong the walkout at least another day.

The Page, who was sentenced to a month's imprisonment a week ago when he refused to obey a labor ministry order to work underground, was freed after he had changed his mind, it was announced.

His release came too late for the strikers to return today.

Japanese naval uniforms of white cotton found in great numbers in undamaged warehouses here. What's more, the Japanese clothing was new and perfectly laundered and pressed.

## PUBLIC SALE SATURDAY, SEPTEMBER 18th

The undersigned will offer for sale at his farm located at Mummasburg, five miles north of Gettysburg on hard road the following:

## 12 Horses and Mules

Imported registered Belgian stallion, strawberry roan, eight years old, weighing 1,900 pounds; registered Belgian stallion, sorrel roan, seven years old, weighing 2,000 pounds; registered Belgian stallion, sorrel, 11 years old, weighing 1,700 pounds; black jack, seven year old, weighing 1,650 pounds. These horses and jack are good breeders, gentle to handle with plenty of colts in neighborhood to show type and disposition; roan mare five years old, colt by side, near side worker; black horse colt, 2½ years old, broken to work any side; sorrel horse colt, 2½ years old, has been worked; two bay colts, 1½ years old; two black mule colts, 1½ years old; spotted pony, six months old.

## 18 Head Cattle

300 pullets, white leghorn; 200 yearling white leghorns; 30 bantams and several other miscellaneous articles.

Terms day of sale. Sale to start at 1:00 P. M. sharp.

Q. M. DEARDORFF AND SON.

## CRITICAL MILK PROBLEM LAID BEFORE SENATE

Washington, Sept. 16 (AP)—War Food Administrator Marvin Jones will lay before the Senate Banking committee Friday a critical milk production problem which, if unsolved, might lead to consumer rationing of fluid milk this winter and to higher ration values on butter, cheese and canned milk.

The food chief will suggest, aides said, the possible use of government subsidies during the winter season, when production costs generally advance.

Dairy experts of the War Food administration estimated such subsidies might run between \$140,000,000 and \$160,000,000.

Many areas, particularly urban districts, already are running into milk shortages—a fact which last week led the WFA to inaugurate a program for limiting sales of fluid milk through a system of dealer quotas.

## Two Types of Subsidies

Dairy authorities said the present ceiling prices on milk and dairy

products are insufficient to cover winter feed and other production costs. Inasmuch as President Roosevelt has issued orders that the line be held on food prices, an increase in ceilings appears to be out of the question.

Subsidies might be in one of two forms, or a combination of the two. They might be paid to dealers to enable them to pay dairymen larger prices without increasing consumer prices. Or the subsidies might be made in the form of reduced feed prices. The government would buy the feed at market prices and sell to dairymen at a reduced price.

## Tired Kidneys Often Bring Sleepless Nights

Doctors say your kidneys contain 15 miles of tiny tubes or filters which help to purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up nights. Frequent or many passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder. Don't neglect this condition and lose valuable, restful sleep. When disorder of kidney function permits poisonous matter to remain in your blood, it may also cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, swelling, puffiness under the eyes, headache and dizziness.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

## PUBLIC SALE Valuable Real Estate and Personal Property SATURDAY, OCT. 9, 1943, 1:30 P. M.

Pursuant to an order of the Orphans Court of Adams County, Pennsylvania, Clair R. Grim, administrator c.t.a., of the estate of William M. Lower, deceased, late of Butler Township, Adams County, Pennsylvania, will offer at public sale on Saturday, October 9, 1943, at 1:30 P. M., at the home property of the late William M. Lower, located along the Biglerville-Table Rock State Highway, in Butler Township, the following real estate and personal property.

## REAL ESTATE

# I'M HERE...

## *the enemy's just over the hill!*

**M**AYBE I'm your boy—or the boy next door. You know, Mary's sweetheart, Joan's husband, Timmy's daddy. Your son, Father! Your boy, Mother! Anyway, I've got something to say to you. I've got to make you understand.

This is it. This is zero. This is **INVASION!**

I'm here, with a million other boys just like me. We're your **INVASION** forces. And we're going to stay. It wasn't easy getting here, and it is going to be a lot harder before we're through.

### WE'RE GIVING ALL WE'VE GOT

I said we were going to stay. I promise that, even if it means the thing—well, the thing we don't like to talk about. Because we're giving all we've got: Our minds, our strength, our blood.

But you see, this isn't going to be enough. Not unless those planes we need snarl down out of the sky on the enemy just over there. Unless those tanks get here. Unless the supply ships get through. Unless there are enough bullets for this rifle.

### YOU'RE ON THE INVASION FRONT NOW!

It's that extra \$100 War Bond, all of them together, making up the \$15 billion worth they're asking you to buy in September, that will prove that you are on the **INVASION** front with him.

Your part is at least one extra \$100 Bond during the Drive—at least \$100. Of course, that's in addition to your regular bond buying. A \$100 Bond is the rock bottom figure. Some of you will have to invest thousands to put this Drive across. Take it out of your pay check—or out of that nest egg you were saving for a rainy day.

All you can spare is too little, all you've got is just going to be enough.

Look at it this way: You won't be giving anything. You will be investing in **VICTORY**—and your future.

Things like safety for your family and money after the war to buy a new home, or to educate your children.

You're buying a stake in **VICTORY**—and that means America, yours and mine!

I guess that's all I've got time to tell you now. The enemy is waiting, just over the hill. Don't keep us waiting for you!

### World's Safest Investments

**United States War Savings Bonds—Series E:** gives you back \$4 for every \$3 when the bond matures. Interest: 2.9% a year, compounded semi-annually, if held to maturity. Denominations: \$25, \$50, \$100, \$500, \$1,000. Redemption: any time 60 days after issue date. Price: 75% of maturity value.

**2½% Treasury Bonds of 1944-1949:** readily marketable, acceptable as bank collateral, redeemable at par and ac-

crued interest for the purpose of satisfying Federal estate taxes. Dated September 15, 1943, due December 15, 1949. Denominations: \$500, \$1,000, \$5,000, \$10,000, \$100,000 and \$1,000,000. Price: par and accrued interest.

**Other securities:** Series "C" Savings Notes, 7½% Certificates of Indebtedness, 2% Treasury Bonds of 1951-1953, United States Savings Bonds Series "F", United States Savings Bonds Series "G".

**3RD  
WAR  
LOAN**

**\$15,000,000,000  
NON-BANKING QUOTA**

Second and final account of The First National Bank of Gettysburg, Trustee of the trust created under the last will of Samuel M. Bushman, deceased, late of the Borough of Gettysburg, Adams County, Pennsylvania, for the benefit of Mary E. Power (later Mary E. Power Deardorff) during her lifetime, together with statement of proposed distribution.

R. D. RENNER, Clerk of the Orphans' Court of Adams County, Pennsylvania.

## Here And There

News Collected At Random

(Continued From Page 1) Roosevelt, son of the President, who was then a captain. One of his flights took him from Nigeria over French West Africa to Cairo and return on a photo mission. Now Colley is anxious to become a pilot.

If Adams countians keep on meeting in Africa they might have a regiment of their own.

The most recent reunion of countians overseas is that of James H. Harness, son of Mr. and Mrs. Hunter Harness, with Norman Small, George Tate and his brother Mike and a Lawrence boy of Gettysburg. Harness wrote to his parents here that he expected to hold another reunion with the boys mentioned above and Lieutenant C. W. Epley, Jr., Major Stuart Moyer, John Myers and Philip Small. Nine Gettysburg boys in the same area in Africa is not such a bad representation. And there are others nearby.

Property Transfers

Parker G. and Dora C. Comp, Menallen township, sold to Harry and Martha L. Baumgardner, Bendersville, a 10-acre property in Menallen township.

Emma Grace and Clark W. Schue, Hanover, sold to William C. and Etta Mae Stambaugh, York Springs R. 2, two properties totaling 10 acres in Reading township.

Trustees of the First National Bank of Gettysburg sold to Robert and Gladys Shirley, Gettysburg, two properties totaling 117 acres in Franklin township.

Claude LeRoy and Arlene Elizabeth Krumrine, Mt. Pleasant township, sold to Charles E. and Bessie K. Bupp, four properties totaling 47 acres in Mt. Pleasant township.

William B. and Violet Dixon, Littlestown, sold to Albert W. and Helen Schott, Littlestown, a one-half interest in three properties totaling 136 acres in Mt. Joy township.

Some forms of salamander never develop beyond the larval stage if they are kept in water.

## In the Wake of MURDER

By ADELINE McELFRESH

## Chapter 1

Jane Carter covered her type-writer and stacked papers in neat little piles on her desk, just as she did at 5 o'clock every afternoon.

She slipped into her coat, put on her hat, picked up her purse and walked out.

Just like that. Nothing to hint that fear was churning up in her heart, nothing to let Chester Billingsley know that she knew.

A distinct sense of relief came as the door closed behind her. This was the last time. Never again would she enter that office. She wouldn't dare. If that man ever found out . . .

The elevator girl smiled and Jane smiled back, hardly knowing she did so.

Outside, Jane breathed deeply of the crisp December air. She looked up and down the street, as though expecting to find changes. Changes as big as the one that had come into her life this afternoon. But it was the same. Only her tiny world, her job was different.

# 21 JUDGES IN STATE CERTAIN OF RE-ELECTION

Harrisburg, Sept. 15 (AP)—Twenty-one judges, including all 10 Philadelphia sitting jurists on the ballot, today were assured re-election in November, having won both Republican and Democratic nominations in Pennsylvania's municipal primary.

Another jurist, Judge Thomas A. Crichton of Tioga county common pleas court, who was unopposed for the Republican nomination, also was leading as the Democrats' choice in a write-in campaign after no one filed for the party nomination.

Fifteen of 43 county jurists seeking to retain their posts were nominated on both tickets without opposition while Judge M. F. Sando of the Lackawanna county common pleas court and five members of the Philadelphia municipal court defeated opponents on both slates.

**Reno Vs. Bok**  
Judge Claude T. Reno of the State Superior Court, seeking election to the only state-wide post at stake this year, was unopposed for the Republican nomination for a full 10-year term. He will be opposed in November by Judge Curtis Bok, of Philadelphia, who won the Democratic nomination for the \$18,000 seat without opposition.

Seven county jurists, including Judge Crichton, won one-party nomination and all 15 others were involved in contests that remained to be settled. Six sitting judges did not seek re-election.

Seven other candidates, not now on the bench, also won one-party nomination.

Judge Richard W. Iobst of Lehigh county common pleas court, meanwhile, was in a nip-and-tuck contest with Joseph E. Gehring, Allentown attorney, for one of the Democratic nominations. Judge James F. Henninger receiving the other. Judge Iobst led by 90 votes with 14 districts out of 104 unreported. Neither jurist entered the GOP primary.

Election boards elsewhere counted laboriously through the night as decisions in 19 other judicial races were held up by a host of tabulating the vote in the task of fighting for other county offices.

Candidates for the judiciary are the only ones who may run on more than one ticket at the primary under Pennsylvania's anti-party raiding statute.

## Rural Voting

## RADIO PROGRAMS

New York, Sept. 16 (AP)—After a change or two, the opening broadcast football schedule on the networks has settled down to two games on three channels for Saturday afternoon. Starting time in each case is 2:45.

Both the Blue and CBS will carry the Camp Grant vs. Michigan contest at Rockford, Illinois, with NBC describing Great Lakes vs. Purdue at Great Lakes, Illinois.

Further in cooperation with the Treasury Department in pushing the Third War Loan drive, the four coast to coast networks are to turn their entire schedules over to the campaign on different days within the next week or so.

In each case from network opening until closing time both regular programs and specially added features will stress the purchase of bonds. Various outstanding personalities will be asked to cooperate. The cavalcade starts on MBS Saturday, running from 10 a. m. to midnight. It will be continued on Sunday by the Blu, on Tuesday by CBS and be concluded on September 26 by NBC.

**THURSDAY**

# Allies Occupy Two Island Outposts To Balkans Near Turkish Mainland

## NEW BASES ARE ABOVE CRETE, HELD BY NAZIS

London, Sept. 16 (AP)—Allied occupation of two island outposts to the Balkans, in a move strikingly similar to operations which preceded the invasion of Italy, was reported in dispatches from Ankara today.

One account said that the Greek island of Samos and the Dodecanese island of Lero, off the Turkish coast and about 150 miles north of German-held Crete, were occupied three days ago—the day before Great Britain's Ninth Army was reported to have embarked from its Middle East bases 400 miles across the Mediterranean in Syria and Transjordan.

Used By Italians  
Lero, 30 miles from the Turkish mainland, has a valuable seaplane base and also was used by the Italians as a base for light naval craft. Samos is a much larger Greek island, 40 miles further north, with two of the best airdromes in the Aegean sea. Both islands are north of the Italian island of Rhodes.

There was no indication in the Ankara dispatches as to what type of forces were used in the reported occupation operations, but a Stockholm dispatch yesterday said the British Ninth Army, headed by Lt. Gen. W. H. Holmes, had sailed from its Middle East bases after two years of intensive training.

Mystery as to the exact whereabouts of the Ninth Army, coupled with reports of successes by Yugoslav guerrillas who are in touch with the Allied command, suggested a possible Allied invasion of the Balkans was shaping up.

Strengthen Salonika  
Tending to strengthen reports of intensified activity in the Balkans theater was the Cairo report that Maj. Gen. Lewis H. Brereton, commander of all U. S. forces in the Middle East, had been transferred to an important new assignment, and it was suggested that he might now be with the Ninth Army.

German reinforcements, meanwhile, were reportedly being rushed to the Nish-Vardar line in the Balkans with the evident intention of strengthening the strategic base of Salonika, Grecian gateway to the Vardar valley.

### Property Transfers

Joseph M. Rickrode, Hanover, sold to William H. and Irene L. Wagner, Hanover, a property in Conewago township.

Carroll C. and Lida E. Carbaugh, sold to Harry P. and A. Romaine Geiselman, all of Biglerville, a property on West York street in Biglerville.

H. L. Snyder and H. Marshal Sionaker, attorneys-in-fact for certain children of William H. McClell, and the trustees of the Citizens' Trust company sold to Clain C. McClell, Hamilton township, a five-acre property in Hamilton township.

George W. Gorden and Nannie Gorden, Reading township, sold to William P. Scott, Champ, Maryland, a property in Reading township.

The same property has been sold by Scott to W. J. and Ellen V. McClell, Reading township.

Maciej Koc, also known as Max Kurtz sold to Florence Robertson, 19 acres in Cumberland township, near the Emmitsburg road.

Hubert B. and Ruth Himes Flaherty, New Oxford, and others sold to Hartranft and Lillian B. Stockham, Reading township, a property in that township.

Howard H. and Clara E. Treiber, Reading township, sold to Melvin M. and Susanna M. Sharrer, Tyrone township, a lot in Hampton.

## Letters To The Editor

Dear Sir:

I want to take this opportunity to express my sincere thanks and appreciation to the members of your staff for sending me the "Times."

Several days I met Captain Joe Riley of Gettysburg. It was our second meeting since my arrival at this camp in February, 1943. Captain Riley recognized me before I was able to recognize him as on our first meeting he was then Lieutenant Riley. We had a nice chat together and we talked mostly about the boys from home that we knew and that are now in the service. I think that Captain Riley and I are the only Gettysburgians stationed at this camp.

I have been in the army over a year now, and since February have been with the Military Police and I find my work very interesting at times. I was recently promoted to Sergeant (T-4th Gr) and made chief clerk for my company. Last week both of my brothers went into the Navy so I know the war can't last much longer now!

Last week Joe Louis fought here and also Sugar "Ray" Robinson, so you see they keep us well entertained. Several days before Louis was here General Davis, the highest ranking negro officer in the army, made an inspection of both colored and white units stationed on this post. New York is a nice place, but there is no place larger or small that beats Gettysburg.

I am always glad to receive the "Times" because it keeps me informed of where my other buddies are and what they are doing. I know that all the boys both here in the states or across seas appreciate reading about each other. Again I say thanks to you and to the members of your staff.

Sincerely,  
Sgt. Joseph Penn Wansel  
Detachment, CMP No. 2  
Camp Shanks, New York.

"Somewhere in Tennessee"  
Friday evening,  
Sept. 10, 1943.

Dear Sirs:  
Am writing you mainly to change the address of the Times which is really swell to get when one is so far away from home and wants to know the news back home.

We have just been off maneuvers a few days and we now feel like real soldiers after taking eight weeks of this type of life.

Our entire battalion is made up of Pennsylvania boys and they have proven they can really take it for we got an excellent rating on maneuvers and were the best gasoline outfit ever to go on maneuvers down here.

Our outfit will only be here temporarily.

Thanks for everything and am patiently waiting for my next issue of the Times.

Yours truly,  
Pvt. Justin Houck,  
Co. D, 214th Q.M. (G.S.) Bn.  
Camp Forrest,  
Tennessee.

Dear Sir:

I wish to thank you for sending me the "Service Edition" of the Times. Since I have been in the Service I have enjoyed every issue.

Being away from home, everyone enjoys immensely news from home. It helps so much in Army life.

Had I not been so very busy, I would have written sooner.

Mississippi is very hot—too hot. Nevertheless I have adjusted myself to the climate. Of course, there is no state like the home state—Pennsylvania.

As a truck driver, I have lots of fun. And next to mother's cooking there is nothing like Army mess.

Well, the bugler has sounded the call for chow. And so I must conclude.

Again, many thanks for the edi-

tions. I look for them with great eagerness and devour each issue with avidity.

Gratefully yours,  
PFC. RAYMOND WILLIAMS,  
Camp Van Dorn, Mississippi.

Dear Sir:

I am not much of a writer but I do want you to know how much I have appreciated your sending me the service men's papers. It is a real treat to read the home town news when I am away from home and don't meet anyone from, or near my home town. I not only can keep tabs on the home news, but I can find out where my old schoolmates are located that are in the service.

The Carlton hotel in Miami Beach, Florida, will be my home for the next month. It is a comparatively small hotel, three stories high. My squadron happens to be on the top floor.

The food situation here is swell although milk is rather scarce due to transportation problems. The mess halls are very clean and the food is well prepared.

During the present time it is pretty hot here. Even though we are swimming every day, we can't keep cool. Our hotel sergeant informed us that we will be here during the hottest part of the year.

Lights will be going out soon because of blackout regulations, so I must close.

Once again many thanks for the happy moments you have brought me by sending me the service men's paper.

Sincerely yours,  
QAC James G. Fleck,  
409 TG Sqd. M.  
AAAPTC, BTC No. 4,  
Miami Beach, Fla.

Dear Sir:

Just a few lines to you and my many friends back in good old Gettysburg, to let you know I've arrived safely overseas and am now somewhere in India. It's not the best place in the world, but as long as we can get good American grub and cigarettes, things go pretty smooth.

I want to thank you for sending the paper to me while I was still in the states. It sure was nice to be able to sit down and read that letter from the hometown.

Now for a little more about this Army life. When we left Gettysburg there were 35 of us sent to the

same camp where we took our training together. Then we were split up, but some of us were lucky enough to stay together, and as yet we are still together and hoping we stay this way.

I know you would like to know more about things over here, but it's better to say less than to say something that would cause some of the boys to be wounded or killed. So I'll say "So Long" and "Good Luck on the Home Front."

Keep things rolling to the boys and we'll sure do our part to pass it on to where it does the work.

Thanks again.  
PVT. ROBERT WOLFORD.

Dear Sir:

May I take this long delayed opportunity to express my appreciation to the Service Edition of the Gettysburg Times which I receive regularly and, I assure you, look forward to eagerly.

For two and one half months now, I have been "at home" "Deep in the Heart of Texas." Am quite accustomed to the temperature, now, however. In fact, I believe it has been quite warm in Gettysburg this summer, also, has it not?

Although I had never heard of the Army Air Forces Navigation School at Hondo, Texas, until I was assigned here, I have found it to be an exceptionally nice Post, including our WAC quarters, which are really O.K.

Needless to say, we are exceedingly busy. Our day begins at 5:45 (when we are "rudely" awakened by the "inevitable whistle" and ends at 9:30 with "lights out" (if one is wise) or, more generally, at 11:00 (bedcheck). Never a dull moment, really!

News from home is vitally important to me, as it is to everyone in the Service, so for sending me The Times may I again say "Thank You!"

Sincerely,  
Pvt. Ruth Kitzmiller,  
743rd WAC Post Hq. Co.

Dear Sir:

I want to join the many service men who express their gratitude for the paper you sent us weekly.

Your paper does more than just give us something to read. It makes us forget the condition of the world and the place we're in and think of home—the people—the things we did—this is worth anything for a

service man hundreds of miles from Gettysburg.

Your paper also keeps us a part of our community and gives us a grand feeling to know how the people feel about the boys who are in the service. I know they all try to do their best for us and everyone does do a grand job.

I suppose you have received letters about Camp Howze, Texas, from some of the other boys stationed here. If they said anything bad about it, it's even worse. Only one from Board No. 2 is in the same company and he is Pvt. Robert S. Walker. Jack Lamont, while here, lived in the barracks directly across the street from me in Company B. We lived the same distance from each other for about a month and didn't know it until I met him at our PX one evening. I understand Jack is home now to stay.

My work here consists of administration work. I'm the company clerk for Company D. A few of my duties are: Payrolls, the men's allotments, care of the service records, transfers, furloughs, discharges, correspondence and numerous other things. A company clerk is known as one of the hardest working men in the Army. Often we work late at nights and occasionally, all night if we are rushed with work. The personnel officer worked for 36 hours straight last week when we had over 300 men leaving the regiment and all their records had to be completed.

The men in the field have been having it rather easy now and will up until October 15th, when small maneuvers start here and will last for three to four weeks. We are scheduled to go on big maneuvers in December for three months in Louisiana.

In closing I want to thank you once again for the paper. It's something I look forward to each week and I know all the boys that receive the paper will tell you the same thing.

Sincerely Yours,  
CPL. JAY C. McLAUGHLIN,  
Co. H., Company D,  
342nd Infantry, APO No. 450,  
Camp Howze, Texas

Dear Sir:

Just a few lines to thank you for the paper before I go back on mess duty. We have a great time here. Almost every night we go to

the movies. One day we went up to the lake to row boats. The food we get here is great. I have gained 10 pounds since August 6. I will close now.

Paul Bretzman, A.S.,  
Co. 1153,  
U.S.N.T.S.,  
Great Lakes, Ill.

Dear Sir:

Over six months ago I left Gettysburg one Saturday morning in a snow storm and came to Oklahoma. Today Oklahoma is a mass of burnt grass. The lawns are dead and even the trees are drying up. For 32 consecutive days we have had temperatures well over a 100 degrees and no rain since May.

You probably will remember the floods that we had out here in May. Will Rogers, a native of Oklahoma, in his glorious humor once said, "If you don't like Oklahoma weather wait 30 minutes and it will change, and he was quite right."

However, there was one excep-

tion to his saying and that was this hot weather. The hot winds blow over the range continually, so hot one must hold protection before their face or even turn the glass up in the car if you happen to be riding. It compares to that of our open oven.

One thing certain, the longer it stays dry and hot the more I wish I were back in Pennsylvania enjoying some mountain scenery and some good water.

I had the opportunity of talking to Major Richard Hershey some time ago, the only person I have seen from around Adams county since I left. Also, Capt. Taylor, from Ardentsville, whom I saw in passing in Oklahoma City one evening.

Fort Reno is a remount depot for the Army. It was a old Indian reservation before the government took it over as a fort and at one time General Sheridan was its commanding officer. Today the Indian reser-

vation and school is just four miles north of the Post.

I read in the Gettysburg Times about Adams county fruit being expensive this year and peaches selling for \$5 a bushel and up. Well, everyone should be real happy at that—they are 15 cents a piece out here, and oranges are 75 cents a dozen.

The Gettysburg Times reaches me every week and I sure appreciate it. Thanks for sending it.

Sincerely,  
LT. EDWARD C. BEARD,  
Ft. Reno, Oklahoma

Dear Sir:

In the midst of a quite enjoyable week-end I wish to express my appreciation for receiving The Gettysburg Times so regularly. I look forward to it as much as I do some of my important letters. I like especially the condensed paper you send us. It really covers everything of interest to us, and I know that (Please Turn to Page 2)

**Thank You!**

I really appreciate what the voters of Adams County did for me at the Primary on Tuesday. It was through their efforts that I received the nomination for County Commissioner.

The vote given me for County Commissioner was the most gratifying and I will appreciate your continued support at the General Election November 2nd.

**GEORGE P. TAYLOR**

**RADIO PROGRAMS**

New York, Sept. 15 (AP)—A day-time repeat by means of recordings of night-time sponsored programs "presented over any network" a plan under discussion for some time, has been announced by the Mutual network. The recordings would be segregated under the general listing of "daytime playhouse" between 3 and 4 p. m., five times a week, with more time to be allotted when needed.

No definite starting date has been fixed beyond the intention to get under way in October. For the first 13 weeks MBS said the series would be offered to the government as "a vehicle for war information and war effort drive." Thereafter it would be classified as any other sponsored broadcast.

**RATION TOKENS FOR FOOD WILL BE USED IN '44**

By JAMES MARLOW and GEORGE ZIELKE  
Washington, Sept. 15 (AP)—Some time early next year you'll be digging tokens out of pocket or purse to get your rations of meat and fats and processed foods.

While General Manager Chester Bowles of the Office of Price Administration has announced the long-awaited decision to use tokens as change for food ration stamps, it'll be at least four months before they're ready.

There's much still to be decided about the tokens.

So far OPA has decided there'll be two kinds, red and blue—red for meats and fats, blue for canned and other processed foods—because the public got used to these colors in Ration Book No. 2.

Glass Or Plastic

But OPA still hasn't selected a material and has yet to approve designs and specifications for the tokens. They'll be made either of glass or plastic. Probably they'll be in a single denomination—one point each—and, therefore, all of one size. "One of the problems is making them difficult to counterfeit."

The big problem, of course, is getting them manufactured. There'll have to be millions of them.

The tokens will be used in connection with ration stamps.

When the system goes into operation, a certain stamp will become good on a certain date for a certain number of red or blue points, probably 16 points. You'll turn in the stamp at the store on a purchase, get tokens in change.

No Expiration Date

It hasn't been decided definitely whether there'll be any expiration date after which a stamp can't be used, but OPA says it probably won't, set a time limit. In any case, the tokens will be good any time you've got any, so expiration dates on the stamps wouldn't mean much.

Probably the stamps to be used will be some of those in Ration Book No. 4, soon to be distributed. Incidentally, OPA hopes that'll be the last ration book of the war—the token system will make it last a long time.

**OPA CONTROLS COAL DELIVERY**

With a limitation order on anthracite coal, now in effect, the Office of Price Administration explained Tuesday its reasons for incorporating in the order a system of delivery priorities, and reemphasized that householders are not being restricted for the entire winter to half the amount of fuel used last season.

The priority plan requires dealers to fill orders first from consumers who have on hand less than one-fourth of the amount of anthracite burned in the last heating season. Next in order of preference are persons who have one-fourth or more but less than one-half, of their needs.

No household or other non-industrial user of anthracite may purchase more than 50 per cent of his total needs at this time.

Principal reason for the priority system, OPA said, is to assure that all consumers will have some anthracite on hand before cold weather sets in. Furthermore, it will give government support to dealers in their desire to take care first of those consumers most urgently in need of fuel. Also, through its provisions against discrimination, it will prevent dealers from favoring old customers as against new ones, and nearby customers over more distant ones in the order in which they make deliveries.

**Took Children Along To Army**

Fort Custer, Mich., Sept. 15 (AP)—A drafted father from Highland Park, Mich., who showed up at the recruit reception center here Monday with his two small daughters in tow, is now on a furlough of several days, under instructions from the Army to make some arrangement for the girls before he reports for duty.

Lt. A. T. Etcheson, Fort Custer public relations officer, said today the selectee, Harry A. Barany, 27, told officers he "didn't have any one to leave the girls with."

Barany's daughters, one 6 years old and the other 4, were cared for by the Red Cross during the afternoon, while Barany was checked through the reception center.

**PUBLIC SALE**  
SATURDAY, SEPT. 25, AT 1:30 O'CLOCK

The undersigned intending to move to Gettysburg will sell at public sale in the Arendtsville Borough, the following:

Personal Property  
25 young laying hens and pullets; shoe cobbler's bench and some tools; furniture; stands; sink; iron kettle and rings; chairs; butchering tools; rope and pulleys; saws; forks; shovels; "steel" drums; boxes; vesting machine; other articles not mentioned.

Terms cash.

**Pledges Fight To Exempt Dads**

Washington, Sept. 15 (AP)—Senator Wheeler (D-Mont.) disclosed Tuesday he will oppose all Administration attempts to delay a Senate vote on his bill to halt the drafting of fathers into the armed forces.

He added that he was amending the proposal to prohibit "indemnity" the induction of fathers, instead of postponing such action until after January 1, as it now provides.

"I am going to call up the bill for action the very first opportunity I have," Wheeler said.

The declaration was Wheeler's answer to Administration proposals to delay action pending a further statement from General George C. Marshall, Army chief of staff, and Admiral Ernest J. King, commander in chief of the fleet.

**ALLIED PINGER IS CLOSING IN ON JAPS AT LAE**

By OLEN CLEMENTS  
Allied Headquarters in the Southwest Pacific, Sept. 15 (AP)—Japanese faced with annihilation at Lae, New Guinea—a fate which has overtaken most of the routed Salamaua garrison—fell back today before Allied pincer forces from prepared positions on two sides of the big air base.

Thunderous artillery exchanges and aerial bombardments by both sides intensified the struggle.

Allied forces landed from the sea above Lae on Sept. 4 and now stand only a mile from the southern end of the Malahang airfield, the bigger of two at Lae. This force reached that point by seizing the village of New Yanga, half way between the airfield and the Busu river.

Americans and Australians who landed from big transport planes in the Markham Valley Sept. 5 have swept through two prepared positions west of Lae and are expected momentarily to engage in bitter fighting with Japanese at Heaths plantation, eight miles from the town. Enemy patrols already have been encountered near the plantation.

"Enemy Is Routed"

Eighteen miles below Lae, where the Allies have captured the airfield and harbor town of Salamaua, General MacArthur's headquarters said "the enemy is completely routed and his forces destroyed." Only a few scattered groups succeeded in fleeing into nearby jungles.

"Their eventual annihilation is certain," today's communique stated.

The opposing air forces exchanged blows but the most damaging one was delivered by the Allies against Wewak, New Guinea. On air strikes

**YOU'LL SAVE MONEY BY PAINTING WITH HIGH STANDARD HOUSE PAINT**

It's dollars to doughnuts that the extra margin of quality in LOWE BROTHERS HIGH STANDARD HOUSE PAINT will save you money. Your own painter knows from experience that High Standard costs less to use than cheap paint. It covers solidly far more square feet of surface, spreads easily and evenly and gives long-lasting beauty and protection.

**FATAL TRAFFIC MISHAPS DROP**

Harrisburg, Sept. 15 (AP)—The Dept. of Revenue Tuesday reported fatal accidents on Pennsylvania streets and highways dropped 31.8 per cent during the first seven months of this year compared with the same period in 1942.

A report by the Department's Bureau of Highway Safety showed 103 fatalities in July brought the seven-month total to 666 as against 1,053 last year. Rural areas, accounted for 321 of the 1943 deaths, compared with 547 in 1942, while 345 died in cities this year against 506 last year.

"It must not be forgotten," the Bureau said, "that during the past years in motor vehicle accident experience the second half of the year always had an increased number of motor vehicle traffic accident deaths, in an increasing number, as the months pass by."

"Special efforts must be made by all of us—operators, pedestrians and cyclists to drive and walk in such a

**HEALTH QUIZ**

Do you have headaches? YES NO  
Do you lack pep or vigor? YES NO  
Do you get irritable easily? YES NO  
Do you feel depressed—nervous? YES NO

The liver should pour out about 2 pints of bile juice into your bowels every day. If this bile is not flowing freely, your food may not digest. It may get stuck in the bowels. This gas builds up & is so much Y U GUT STAGNATED. You feel sour, sick and the liver punks.

It takes less a good old Carter's Little Liver Pills to get 2 pints of bile flowing freely to make you feel "up and up" & a package today. They are directed to be effective in making bile flow freely. Ask for Carter's Little Liver Pills, 10c and 25c.

BRITISH NINTH ARMY ON MOVE, SAYS ANKARA

London, Sept. 16 (AP) — Unconfirmed reports reaching London from Stockholm via Ankara Wednesday said that Britain's great Ninth Army—a force which the Germans assert has been designated for an Allied drive into the Balkans—was on the move today from its Middle East bases facing the island pathway into Greece.

British military officials had no comment to make on the Ankara reports, published in the Stockholm Svenska Dagbladet, which said that Gen. Sir Henry Maitland Wilson's army had embarked for an "unknown destination."

The dispatch coincided here, however, with authentic accounts of ferment in the Balkans, of sweeping new successes by Yugoslav guerrillas, and reports of fierce fighting between German and Italian troops in the Dodecanese Islands off the Turkish mainland.

**Big News Looms**

The Algiers radio, in a broadcast recorded here by the Associated Press, Wednesday again forecast that "important new military developments are imminent," and it was pointed out that the surrender of the Italian navy has cleared the Mediterranean for any assault against German positions in southeastern Europe.

Bases of the Ninth Army in Syria and Transjordan are only 400 miles from the island of Rhodes and less than 600 miles from Crete, Axis outposts in the Mediterranean.

Reports from Cairo, however, said that despite great confusion caused by the Italian surrender, the Germans still have the Balkan situation well in hand and will have to be pried out of their positions by Allied force. Cairo heard that German

Letters To The Editor

(Continued From Page 1)

I for one, digest each issue thoroughly.

I'm in the beginning of my eighth week of basic training here at Camp Hood. I'm actually in an Army Specialized Training Unit, but am taking my basic training in a regular Tank Destroyer Battalion. All the other A.S.T. Battalions have regular infantry officers and training cadre. The plan is for us to have thirteen weeks of basic after which we may be sent back to school, depending upon our qualifications and record.

The Texans all tell us this is the hottest summer they can remember of it and it is just my luck to find myself in the middle of it. Here in Waco the people do all they can to make us feel at home. The civilians stay out of the restaurants, theatres, and places of amusement just to give us a chance to enjoy ourselves over a week-end. Most every home is waiting with open arms to give us a bed at night or just to have us sit around to chat, play the radio, read, and just act like we were at home. We are well taken care of this far from home, and with your paper keeping us up to date on happenings at home, I think we'll be able to stand the conditions that this war throws us in.

Thanking you again for your thoughtfulness, I remain

As ever,  
Pvt. Thomas Enck,  
North Camp Hood, Texas.

Dear Sir:

The time is here again for me to tell you of a change in my address. I'm now at an advanced Army Air Forces Technical School at Tomah, Wisconsin.

Several weeks ago another 'mate' troops, contrary to information received here from other sources, were moving swiftly to occupy the Dalmatian coastal areas and positions in Greece previously held by Italian garrisons.

Wisconsin. I graduated from the Radio Mechanics School at Truax Field on August 8.

I've been here at Tomah for only a few days and haven't started to school yet. Just working around the camp. Tomorrow I'm on K.P. and don't expect to have much fun. But I've done it before—plenty of times at Keesler Field last November and December.

We're living in tents here at Tomah. This is my first experience with that. But it's not too bad—yet.

I do want to thank you for sending me The Times. I appreciate it and it has been reaching me regularly.

Well, I guess that's all for this time as it's almost time for chow. I've really had good food here at the Wisconsin camps—Truax and Tomah.

Thanks again and thanks a lot for The Times.

Yours truly,  
CPL. ROBERT M. REINDOLLAR  
1000 T.S.S., Class 11-B  
Tomah, Wisconsin

Dear Sir:

Much time has elapsed since I have really owed you a letter and now I really want to give my hearty thanks to you and your staff for many enjoyable moments.

Besides the ever welcome home news, the Gettysburg Times helps us all keep track of our buddies who are being transferred every day. You can rest assured you are doing your bit for us all and we appreciate it.

This is also to tell you that I expect to be transferred on or about Monday, September 6. So until I notify you of my new address, please withhold from mailing the Times here.

Ever since I've been at this base, there have always been several fellows from near Gettysburg here. Several weeks ago another 'mate' from near Biglerville looked me up. He will be here for sometime. I hope he enjoys it as much as I did.

For the best part of the past year I've been at Naval schools. As far as I know we are about through with

schooling and all are hoping to get into something bigger.

Again I wish to thank you for the Times, and I hope it will continue to follow me wherever I go.

Sincerely,  
Dean E. Fink, R.M. 3-c  
Box 7, U. S. Sub. Base  
New London, Connecticut.

Dear Sir:

This letter comes to you from somewhere out on the deep blue sea. Some ten weeks ago when the last letter was written I mentioned the possibility of being in Australia at the time you read it. The plans materialized and I spent the past six weeks on the continent. No, it wasn't all leave, only seven days' vacation. The remainder of the time I was on temporary duty in two of the larger cities. The change was a welcome one from New Guinea conditions.

All good things must come to an end and now, much rested and feeling in perfect condition I am returning to a new post in Guinea.

Perhaps you would be interested in a brief account of life on a Liberty ship, one of those wonders of the shipyards that have contributed much toward the progress the Allies have made thus far in the war. The last lap of my trip is being made on such a vessel. Other portions of the journey were made by sea plane, land plane and rail. Maybe the censor will cut this out but just for the sake of comparison the distance travelled by air was seventeen hundred miles in ten hours; by rail, twelve hundred miles in forty-one hours and now seventeen hundred and fifty miles by sea in about six days.

Liberty ships are built for service. Therefore luxuries are at a minimum. Still the accommodations are ample. The cabin assigned to me is ten feet by eight feet with two portholes. Beside the bunk, which is very comfortable, it contains a wardrobe, daven, writing desk, basin with hot and cold running water, electric fan, bookrack and four lights.

Our meals are served in a com-

modious, attractive dining salon with accommodations for sixteen. The menu for each meal offers the choice of at least three meats and as many vegetables. All of the food is excellently prepared. If every Liberty ship has a steward's department that functions as efficiently as does this one the crews should be equally as well satisfied.

It is impossible for every other vessel in the merchant marine to have a messman such as we have serving our food to us here. He adds tremendously to the enjoyment of every meal. "Slim" is a tall, lanky Limey with twenty-two years of life at sea. Something happened to him in every port he has ever visited and he has been in them all on the seven seas. Furthermore he hasn't forgotten an incident. If one-half of the tales he relates are true he has still had more experience that should ever occur in the ordinary life time of an individual man. As long as we want to sit there and listen Slim will entertain us with his past and so far he has never been known to repeat himself. If some editor were to contact Slim he could write a book that would make The Arabian Nights seem tame in comparison.

The captain of the ship is a Finn, the first and third mate Penna. Dutchmen and the second mate is a Swede. To say that they are all fine gentlemen is to put it mildly. They have made this voyage an outstanding experience for me. The greatest privilege granted me has been to take tricks at the wheel anytime I so desire. Needless to say the different quartermasters are happy to concur with their decision.

For several days we sailed through coral green seas. The calmness of the surface was disturbed only occasionally by a school of fish or a whale arching its enormous body above the water as it rose to blow. One area through which we passed reminded me of the Thousand Islands. Most of the islands had inviting coves surrounded by palm trees. Warm tropical waters lapped on their sandy beaches. The islands contained no sign of life so here

REDS ROCKING 600 MILE LONG GERMAN FRONT

London, Sept. 16 (AP)—The great Red Army summer offensive, spread-eagled over a 600-mile long front from the Sea of Azov north to the forested terrain beyond the strategic rail junction of Bryansk, was rocking the entire German hold on the Dnieper River valley and threatening the vital power hub of Dniepropetrovsk. Soviet dispatches reported Wednesday.

(The Soviet Army newspaper Red Star, reported Wednesday that a Russian night attack broke the German intermediate line defending Lozovaya in the Central Ukraine as the Red Army pressed a general advance toward the Dnieper.

(The autumn rains had started falling in the Ukraine, the dispatch

is one natural paradise that man has not as yet decided to claim for his own.

We are now sailing through some heavier seas. The water is as blue as is the water of Crater's Lake. Everybody appears to be entirely satisfied that the sea is choppy. You see it makes our position that much safer. The efficiency of submarines is greatly lessened in stormy weather.

I wish you could be with us at night. But then maybe you would not appreciate it so much. I confess, blackout conditions on a ship aren't so pleasant. The cabin gets rather stuffy down here in the tropics when you have to keep the ports closed. However, up on the bridge it is different. You see, God doesn't observe any blackout rules. "The heavens declare the glory of God" is applicable everywhere but especially in the Southern Hemisphere. Any amateur astronomer knows that there are more stars of the first and second magnitude south of the Equator than north of it. There are so many stars that it doesn't take much of an imagination to pick out any object you want to see. The Southern Cross is still my favorite of all the constellations visible down here. After looking at it almost every night for more than a year, I still find it an inspiring sight.

You know that you are not alone out here on the waters when you have such faithful friends so close. Best wishes for health and happiness to one and all.

Sincerely,  
GEORGE H. BERKHEIMER

said, bogging down roads and fields and slackening the speed of maneuvers, but the tanks and motorized infantry continued to slog forward in pursuit of the retreating enemy.)

General Retreat

The Germans were said to be retreating along the entire front, abandoning town after town together with incalculable stores of war material before the relentless drive of the Soviet armies.

Moscow, however, deliberately ignored a German admission that the Nazis had evacuated Bryansk, although it was evident that Gen. M. M. Popov's motorized columns were in full control of the situation in that area. A Soviet war bulletin reported Russian troops engaged in offensive action in and around the city after slicing four of its five trunk rail lines, and dispatches indicated the Red Army spearheads were biting further north toward the Smolensk salient.

The Russians frequently have withheld announcements of the capture of important strongholds, allowing Berlin to broadcast accounts of "strategic" withdrawals before themselves proclaiming their victories, usually in a special order of the day by Premier Stalin. They are apparently following this procedure as regards Bryansk.

Nearing Kiev

Further south along the Desna River valley, Moscow reported, the Red Army troops smashed closer to Kiev, and one thrust placed them within three miles of Nezhin on the

Kiev-Kursk railroad 80 miles north-east of Kiev. Here the shattering force of the Soviet drive sent the Germans fleeing in disorder toward the Dnieper defense wall.

While Moscow was awaiting official news of the fall of Bryansk, interest centered on the progress of Red Army forces driving for Dnieperopetrovsk. Reports from that front indicated that advance units of the Soviet columns may be within 30 miles of the greater Dnieper bend, following a gain of 15 miles announced yesterday by the Moscow communique. The Russians listed 150 towns as captured in this action.

Butler, Pa., Sept. 16 (AP)—Pvt. Harold John Thompson, 18, of West Sunbury R. 2, has been killed in action in the southwest Pacific, his parents were informed Tuesday. The youth enlisted in the Marines last October 5.

Further south along the Desna River valley, Moscow reported, the Red Army troops smashed closer to Kiev, and one thrust placed them within three miles of Nezhin on the

**It's EASY to Buy BONDS Whose War IS This?**

It's as easy to buy bonds as to buy shirts or socks. Go into any store or place that's an issuing agent. Pay your money—wait while the bond is typed out with your own name and address—and take the bond away with you. You pay \$18.75 for a bond you cash in for \$25 in 10 years—\$37.50 for a \$50 bond, \$75 for a \$100 bond, \$750 for a \$1000 bond. If you need your money before the bond matures you can get your money back with earned interest. Lend now for your future.

This isn't the soldiers' and sailors' war. It's yours and mine. It's America—and all we stand for—that the Axis is fighting. That's you and me. We don't have to go to the front to fight—we can send our money. If we don't do that, we're coasting while others carry the fight at the front and at home. Everyone is either "motive power" or a drag on the war. Do all your share. In honor of a fighter you know—or know about—buy a bond today!

**Buy a bond today to honor someone you know in the service**

Washington wept in his heart for his freezing troops—  
And saw blood on the ice where shoeless feet had trod.  
"A strong nation is not born of indulgence and ease."

Oh, heroes of America, who are abroad in the earth today,  
Enmeshed in the hot and unreasoning machinery of war—  
We would not have you know how we cling to our dollars—  
Our cowardly, slacker dollars, while you die for us.

Franklin, Jefferson, Hamilton, Hancock, Henry—  
"If a people hate war too much to risk all for freedom  
At the drop of a hat—freedom will be taken from them."

Forefathers of America, who carried the fearful weight  
Of a rebellion and a whole nation on your shoulders—  
Who dared to face complete destruction—turn from the sight  
Of our swollen bank accounts, and our little ideas  
Of how few bonds pay the price of our rich inheritance.

Lincoln... with the great rugged soul of you suffering—  
Risking the life of the Union to save it,  
Help us to be a credit to ourselves—and to our children.

American heroes! Boys and men from farms and towns,  
From stark cities, from plains and woods and mountains,  
Who are laying your lives at our feet for our freedom—  
Wait now... for the impact of this successful burst  
Which beats out from corners and vaults,  
From dark and secret places, our dollars—too decent  
To remain in hiding when lending them is our duty,  
Our PRIVILEGE—and your due.

★ If you POSSIBLY can...you must buy a bond TODAY...else shame the collective heart of America.  
For today, all over the country, we all buy a bond in honor of a man or woman at war. Get tough with your money. Whip it out and make it buy bullets and bombs. Only slackers nurse slacker dollars. Send MORE of your dollars to war, to fight. Do it today, for this is AMERICAN HEROES day.

# "SALERNO SECURE"—CLARK

## \$391,877 BOND SALES IN FIRST WEEK OF DRIVE

Less than one-fifth of Adams county's quota has been realized in the first week of the three-weeks' Third War Bond campaign, the committee tabulating daily reports announced today.

A compilation of sales made on Wednesday, the close of the first week of the drive, showed that Adams county has purchased at least \$53,062 worth of bonds. This figure, combined with the total reports announced on Tuesday, showed a grand total of \$391,877.70 worth of sales thus far.

Today's reports, however, are not complete. A number of communities have not reported their sales since the inauguration of the campaign last Thursday. Some have promised to submit a report on Friday.

A number of other issuing agents, not including banks, also have failed to report their sales.

Although the tabulating committee feels confident that county sales are in excess of the amount reported they are somewhat disappointed over results thus far.

### \$1,742,222 Short

"The natural impetus we expected at the outset of the campaign did not develop," one member said, "and for this reason the lag in sales appears to have continued. It does not constitute a representative showing for Adams county. We felt certain that we would have reached the \$800,000 mark during the first week's campaign, but our figures show that we have failed to reach half that amount. Unless there is a decided change and an outpouring of bond-buyers, it does not appear at this time that Adams county will reach its goal."

Unofficial reports were to the effect that several large sales which were expected to be completed this week had not materialized and this added to the disappointment for committee members.

Adams county is \$1,742,222.30 short of its \$2,134,100 quota. To reach that goal \$145,185 worth of bonds will have to be sold every day for the remaining twelve days of the drive.

Philadelphia, Sept. 16 (AP)—Pennsylvanians' war bond purchases exceeded \$253,100,000, slightly more than 25 per cent of the state's goal in the Third War Loan campaign.

State Campaign Chairman E. A. Roberts said purchases in Philadelphia alone during the first week of the drive totaled \$151,422,921.

## To Break Tie Votes, Oct. 1

Clerks of the Adams county board of elections were getting ready today for their busiest session of the year—counting the ballots of Tuesday's primaries. The official count will begin at 12 noon Friday and is expected to continue into next week.

The number of ties that occurred for smaller offices in the township and boroughs of the county, if borne out in the official count, will be decided by the casting of lots, October 1, at noon at the court house.

### ARRIVE IN AFRICA

Cpl. Edward I. Cole has arrived safely in North Africa according to word received by his mother, Mrs. James Cole, of The Narrows.

Mr. and Mrs. James Shindeldecker, West Middle street, have received word of the safe arrival in North Africa of their son, Pvt. Glenn Shindeldecker.

### "Pal" Is Lost

If someone can locate the whereabouts of "Pal," 5-year old black oriole French bulldog they will make Barbara Anne Ziegler, 15-year old daughter of Mr. and Mrs. C. T. Ziegler, Springs avenue, very happy.

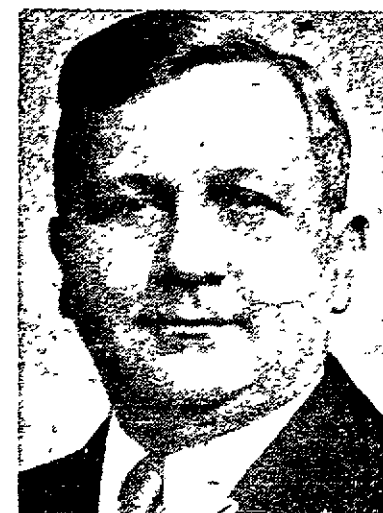

"Pal" has been Barbara's pal ever since he was six months old. They were inseparable. "Pal," incidentally, won third prize in a New Jersey dog show and was popular with all the children in the Ziegler neighborhood.

Two days ago "Pal" disappeared. The Zieglers have found no trace of him. Advertisements in several newspapers brought no results.

## Some Nominees

Winfield G. Horner who topped his opponent by more than 1,100 votes in the race for the Republican nomination for register and recorder.

Quintin D. Rebert who defeated three other Democratic candidates for the Democratic nomination for County Commissioner.

A. J. Carbaugh who successfully conducted a "sticker" campaign for the Democratic nomination for Associate Judge.

LeRoy M. Wintrod who was handed the Democratic nomination for Prothonotary without a contest Tuesday.

Carl W. Kane, county Democratic chairman, who captured one of his party's nominations for County Commissioner in a four-way race, Tuesday.

Fred G. Klunk, unopposed Tuesday for the Democratic nomination for Register and Recorder.

## FIREMEN TAKE \$500 WAR BOND; ELECT MEMBER

Gettysburg firemen at their September meeting, Wednesday evening, voted to buy a \$500 Series "G" U. S. War bond, thereby increasing to \$1,500 the total funds of the company invested in war bonds.

The company netted \$1,593 from the annual bazaar which replaced the usual food sale this year, it was disclosed Wednesday with the submission of the final reports of the committee that handled the event. The firemen solicited cash donations this year instead of foodstuffs with the result that more money was raised for the company's funds than by any food sale in the last several years.

The firemen elected Clarence H. Cluck, West High street, as a new member and acknowledged a \$5 contribution from Paul A. Kinsey.

### Collect Scrap Tuesday

The company discussed plans for the next general collection of all types of salvage. The collection will be made next Tuesday evening when trucks manned by firemen will tour the streets of the town and load all types of salvage materials to help meet this community's share of the state scrap quota.

Vernon Corle, transportation chairman for the salvage collections here, told the members of the company that he is going to Harrisburg this afternoon to attend an area salvage meeting.

President James B. Aumen, who presided, named this committee to arrange for a special activity of the company at Thanksgiving time. Emory Strausbaugh, Clarence Shindeldecker, George March, Donald McSherry, M. E. Crouse, Paul Oyler, John E. Storm, John Bowers, George Bushman and Richard Cole.

About 40 members of the company attended the session.

## L. F. MICKLEY DIES TODAY

Lemuel F. Mickley, 87, a retired carpenter, died this morning at 9:45 o'clock at the home of his daughter, Mrs. Sidney Donaldson at Orrtanna. A complication of diseases caused death.

A native of Adams county, Mr. Mickley was a son of the late Charles and Jane R. (Green) Mickley. He resided all of his life in this county with the exception of several years spent in New York state. He lived for the last four years at the Donaldson home and had been confined to his room during all of that time. He was bedfast for the last nine days.

Surviving are these children: Mrs. John Starnier, Lincolnway east, Gettysburg; R. D.; Mrs. Donaldson, at whose home he died; Donald Mickley, Florida; nine grandchildren, 11 great-grandchildren and one great-great-grandchild.

Funeral services from the Donaldson home at Orrtanna, Saturday afternoon at 2 o'clock with the Rev. G. W. Harrison officiating. Interment in the Fairfield cemetery. Friends may call at the Donaldson home Friday evening from 7 to 9 o'clock.

## Car Thieves In Federal Hands

Local state police this afternoon turned over to federal authorities Raymond Haggert, 19, Hudson Hills, New Hampshire, and a 16-year-old companion, who had been charged with the theft of an automobile from Andrew Starnier, Benderville.

The two, who had been held by Adams county authorities since Tuesday, were released to the federal officials under regulations which makes the larceny of a car a federal offense when the car is removed to another state. A charge before Justice of the Peace John H. Baschore against Haggert will be dropped. The youths will be taken to York for a hearing before the federal commissioner there.

### HOSPITAL REPORT

Mrs. Lloyd Herring, Biglerville R. 1; Mrs. Paul Schulze, Emmitsburg; Carole Sue Heiges, Gettysburg; Mrs. John Marks, Gardners; Mrs. Charles Boyer, Biglerville R. 1; and Howard Riley, Gettysburg R. 5, have been admitted as patients to the Warner hospital. There were no discharges.

### BIRTH ANNOUNCEMENT

Mr. and Mrs. Charles Boyer, Biglerville R. 1, announce the birth of a daughter at the Warner hospital Wednesday.

## Former Massachusetts Governor Indicted In Huge Mail Fraud

Washington, Sept. 16 (AP)—Representative James M. Curley (D-Mass.), and five others were indicted by a Federal grand jury today on 21 counts charging violation of the mail fraud statute in connection with operation of an alleged government war contract brokerage racket.

Another defendant is Donald Wakefield Smith of Washington and Pittsburgh, a former member of the National Labor Relations board.

All six defendants were described as officers and directors of Engineers' Group, Inc., with offices in Washington, Chicago and Boston.

Curley, long prominent in Democratic politics, is a former Governor of Massachusetts and former Mayor of Boston. He is a member of the Democratic National committee.

The indictment alleged that between June 20, 1941, and February 20, 1942, the defendants "falsely and fraudulently" represented themselves as being experienced and competent consulting engineers with special facilities and qualifications

for obtaining war contracts from the government but that they had little or no experience in this field and "could not and did not produce any of the services for which they were paid."

The indictment alleges that retainer fees of as much as \$9,000 were accepted from clients and contracts were entered into calling for commissions of as much as eight per cent of all contracts obtained.

In addition to Curley and Smith the defendants are:

Marshall J. Fitzgerald, Chicago and Washington, secretary and director of Engineers' Group, Inc.

James G. Fuller, formerly of Washington but now serving a five year term in a Federal penitentiary on conviction of sending fraudulent securities through the mails, executive vice president and director of the concern.

James Barton Underwood, formerly of Washington but now serving with the Greek Army at Cairo, Egypt, president and director in January and February, 1942.

Bertram Hall, Dallas, Texas, vice president and director.

## EXPECT GIRLS TO OUTNUMBER MEN STUDENTS

For the first time in the annals of Gettysburg college girls will outnumber boys when the institution opens its 112th year next Thursday, according to a college announcement today. The total student body will number about 300 with an estimated 200 of them being coeds.

The largest class of freshman girls the college ever has received will be enrolled Monday morning when the seventeenth annual freshman week opens.

In previous years the ratio of men to women was about one to three but in the coming term the girls will outnumber the male students about two to one.

### Dr. Hanson To Speak

In addition to the civilian students, there will be an average of more than 500 Air Corps cadet candidates on the campus constantly under the Army training program inaugurated here early this year.

Registration of new students will take place Monday from 9 a. m. to 5 p. m. Tuesday and Wednesday will be devoted largely to a series of placement tests and entrance examinations. Dr. Henry W. A. Hanson, president of the school, will address the student body at the formal opening exercises, Thursday morning.

## 32 FAMILIES SEEK HOMES

Thirty-two families ranging in size from two to five in each family are seeking housing facilities in Gettysburg, according to an official of the War Mapping Division of the U. S. Forest Service of the Department of Agriculture.

The unit, housed in Lee-Meade Inn, along the Emmitsburg road, plans to employ about thirty additional men locally in the early future. In addition other members have been assigned to the local office from the west.

The housing shortage is acute, an official said this morning. "We have been living in trailers, cabins and tourist camps all summer but we must have better accommodations for the winter months. We have 28 families to care for. Fourteen have 3 in each family, nine have four each, four have five in each family and there are five couples. We are seeking homes for these people."

The housing shortage in Gettysburg has been evident for many months. Officials and workers for the firm which laid the "Big Inch" pipe line through here were unable to secure accommodations last year and there has not been any change in the situation at this time.

### RAID VIOLATOR FINED

George Scott, Littlestown R. D., this morning paid a fine of \$5 and costs before Justice of the Peace John H. Baschore, on a charge of violating the air raid regulations earlier this month by refusing to honor the request of a warden, John Bachelsky, that he remain in the local post office building during a morning air raid test.

## Boy Scout Court Of Honor, Monday

The September Court of Honor of the Black Walnut (Gettysburg) Boy Scout district will be held Monday at 8 o'clock at the Biglerville high school, it was announced today.

Transportation of Gettysburg scouts to the court will be arranged, it was stated. The scouts will meet at 7:30 o'clock Monday evening at Christ Lutheran church. Scouts are asked to notify their scoutmaster if they plan to attend so that arrangements may be made to secure enough vehicles for the trip.

Donald P. McPherson, Jr., Esq., is chairman of the Court of Honor.

## CLOSING DRIVE FOR OLD NYLON, SILK HOSIERY

The final drive to complete the collection of silk and nylon stockings in Adams county was announced today by Richard C. Lighter, acting chairman of the county Salvage committee.

The nation-wide collection of the stockings will end September 30. The collection began November 16, 1942, and no new silk or nylon hose have been made since that time. As a result salvage officials believe that nearly all of the used silk and nylon stockings in existence will have been collected by the end of the nation-wide campaign on September 30.

Mr. Lighter in his appeal to the women of the county to turn in all stockings of that type in their possession prior to September 26, thanked the women for their excellent work during the course of the collection which has produced 5,300 pounds of stockings so far in the county.

In proportion to size, Adams county has been among the leading centers for stocking collections in the state, Mr. Lighter said, and the state has been first in the nation for the quantity of stockings collected since the campaign began.

### Shipping Directions

All committee chairmen or others who have more than 100 pounds of stockings on hand are asked to place the stockings in a sack and send them, collect, together with a bill of lading, to Defense Supply Corporation, Green Island, New York. The sack and bill of lading should be marked "Old Silk Hosiery Rags." A duplicate bill of lading should be sent at the same time to the Defense Supply Corporation, Public Ledger Building, Philadelphia.

Those sections with less than 100 pounds on hand are asked to send or take them to Mrs. J. P. Dalbey, 145 Baltimore street, head of the Gettysburg silk stocking salvage committee, who will add the stockings to the ones collected in Gettysburg.

The date, September 26 was set as the closing date for the Adams county campaign to allow the chairman and other collection agencies time to send the stockings to the Defense Supply corporation before the expiration of the drive.

Thousands of pounds of bags for use of the armed forces have been made from the stockings given by the women of the county, Mr. Lighter pointed out.

## Corle Attending Salvage Meeting

Vernon B. Corle, head of the local women's salvage committee is representing Adams county at the eastern counties Salvage meeting this afternoon at Harrisburg.

Mr. Corle will report on the meeting, at which plans will be laid for the salvage drives during the next several months, at a session of all the companies of the county to be held next week to select a chairman for the county salvage committee. The county firemen recently accepted appointment as the county salvage committee.

## Benefit Recital Here September 24

Miss Lillian M. Taylor, Harrisburg colored vocalist, will present a recital in Christ Lutheran church Friday evening, September 24, at 8 o'clock, for the benefit of St. Paul's A.M.E. Zion church.

No admission will be charged but a silver offering will be lifted.

# Yank General Says: "We Are Here To Stay"

Allied Headquarters in North Africa, Sept. 16 (AP)—Lt. Gen. Mark W. Clark declared today the American Fifth Army's beachhead at Salerno is secure, adding:

"Additional troops are landing every day and we are here to stay. Not one foot of ground will be given up."

In a special order of the day to his troops, announced here, Clark said the British Eighth Army was advancing and "in a matter of hours its presence will be felt by the enemy." Clark, who has been leading his men on the Italian mainland, congratulated British and American troops on their stand at the Salerno beachhead.

Simultaneously, Clark launched an offensive in the southern sector of the bridgehead, driving the Germans back between the junction of the rivers Sele and Calore north of Altavilla. The offensive came after four days of defensive action by the Allies.

### By WES GALLAGHER

### Terrific Battle Is Raging

Allied Headquarters in North Africa, Sept. 16 (AP)—American and British troops, engaged in the biggest beachhead battle since Dunkerque, held their Salerno bridgehead like a rock into the eighth straight day while the British Eighth Army raced northward toward Sapri, only 39 air line miles away.

While the terrific fight raged back and forth under the thunder of 15-inch guns from British battleships and the artillery of lesser warships, Allied Naval might poured a flood of reinforcements into the area.

Lt. Gen. Mark W. Clark's Fifth Army, composed equally of British and Americans, was now the largest Allied force engaged in a single battle since the Mediterranean war started, and it was supported again yesterday by more than 2,000 sorties flown by the powerful Northwest African Air Force and separate raids by Middle East heavy bombers.

### Severe Blasting

The entire Allied Air Force thus joined the struggle for the second straight day and hurled hundreds of tons of explosives upon the Germans' positions with earth-shaking barrages.

With unchallengeable control of the sea, the Allies exploited the advantage to the utmost by moving their mobile naval batteries up close to the blackened, smoking beaches and hurling tons of screaming steel into the teeth of the Germans. The British battleships Valiant and Warspite with their 15-inch rifles joined in the bombardment.

General Clark toured the fiery arena, cheering begrimed Tommies and Doughboys with his presence at the advanced positions where he told the troops that every soldier must fight to the last and that there must be no withdrawals.

### Heaviest Casualties

Casualties in this seven-day battle have been the heaviest of any in the Mediterranean fighting. At least four German divisions (Please Turn to Page 2)

## Blast Boche With Hardest Punch Of War

The second day of this record aerial assault found flying fortresses, assuming the role of mobile long-range artillery in close support of the ground troops, spraying bombs with deadly precision on communications, supply dumps and soldiers only a short distance behind the front line in the sector where German armored troops have been attacking the American Fifth Army.

Roll Road Junction—only nine miles inland from the Fifth Army's landing beaches—was the focal point of the attack. As during the preceding day, far more than 2,000 sorties were flown and an official said that the bomb tonnage rained on the Germans was "vastly greater than anything ever dropped on a single target area before in this war theater. It has been vastly greater than the tonnage (Please Turn to Page 2)

Devastating Blows. Nazi troops, as well as their dumps and transport, were unable to escape the devastating aerial blows. American A-36 divebombers, destroyed 47 motor vehicles and damaged at least 13 others when they criss-crossed over a German bivouac area with machine guns wide open. The pilots saw more than 1,000 troops fleeing for cover and many of them were killed or wounded.

As during the preceding day, far more than 2,000 sorties were flown and an official said that the bomb tonnage rained on the Germans was "vastly greater than anything ever dropped on a single target area before in this war theater. It has been vastly greater than the tonnage (Please Turn to Page 2)

Schools Opened In New Oxford. Two hundred and thirteen New Oxford children returned to school there Monday when the New Oxford grade and high school reopened for the coming year. The schools were the latest in the county to open to allow the students to take part in the harvesting of crops in the area.

One hundred and twenty-six of the youngsters, including 49 freshmen are in the high school while 87 students are in the grade schools.

## Need 1,221,000 Men This Year

Washington, Sept. 16 (AP)—The Army and Navy will require 1,221,000 more men during the last four months of this year, and there are only about 775,000 non-fathers available for the draft during that period, Maj. Gen. Lewis B. Hershey told Congress today.

The deficiency of 446,000, Hershey testified before the Senate Military committee, apparently must be met from the pool of 5,586,000 married men of military age with children.

The chief of Selective Service appeared before the committee to give these statistics after high Army and Navy officials had voiced a stern "no" in response to the question whether Congress should act to postpone or cancel the planned induction of pre-Pearl Harbor fathers beginning October 1.

Hershey stated that the October 1 draft order was issued "because we no longer had the assurance that in the manpower pool there remained sufficient men to meet our calls" for September, October, November and December, without taking fathers.

## Mt. Hope

PFC Robert Mickley, who has been a patient at Fort Story hospital, Virginia Beach, has received an honorable military discharge from the Army. He expects to enter the Veterans' hospital at Philadelphia, in the near future.

Mr. and Mrs. Allen Stevens, of Hanover, spent the week-end with Mrs. Stevens' father, G. O. Mickley and family.

G. O. Mickley spent the past week at Uniontown and vicinity.

Mr. and Mrs. Robert Brown and daughter, Esther, and Mrs. Brown, Sr., of Hanover, spent Sunday with Mr. and Mrs. Harry Kint.

Mr. and Mrs. Carl Yoder, Baltimore, spent Sunday with Mr. and Mrs. Allen Currens.

The Misses Sherry and Joanne Bankert, Hanover, is spending this week with their grandparents, Mr. and Mrs. John Kump.

Mr. and Mrs. Arthur Spangler, Hanover, spent Sunday at the home of Mr. and Mrs. John Kump. They

were accompanied home by Miss Norma Mae Spangler, who spent the week here.

Mr. and Mrs. Luther Lightner, of Baltimore, spent Monday at the home of Mr. and Mrs. Harry Lightner.

Mr. and Mrs. Howard Monaghan and daughters, Carolyn and Lillian, and sons, Freddy and Edward, of New Cumberland, spent Sunday at the home of Mr. and Mrs. William Kepner.

Mr. and Mrs. Paul Bankert and daughters, Sherry and Joanne, Hanover, spent Sunday at the home of Mr. and Mrs. John Kump.

The following Sunday school officers were elected on Sunday at the Mt. Hope U. B. church: Superintendent, Roy E. Metz; assistant superintendent, Clair Ford; secretary, Miss Alice Mickley; treasurer, Mrs. Clair Ford; librarians, Mary Jean Metz and Faye Sites. Birthday

superintendent, Mrs. Allen Currens; class leaders, Roy Metz and Clair Ford.

## Mummasburg

Mummasburg—Miss Lydia Keener, Hagerstown, spent the past week at the home of her uncle and aunt, Mr. and Mrs. Monroe Shue.

George Edgar Shue spent the past week at the home of his uncle, Clinton Keener, and family, Hagerstown.

Mr. and Mrs. A. D. Cluck, Gettysburg R. 3 have received word of the safe arrival of their son, S-Sgt. John A. Cluck, somewhere in the Hawaiian Islands.

Mr. and Mrs. Luther Harmon entertained at supper Sunday in honor of Mrs. Harmon's brother, Pvt. Daniel Seymour, who is stationed in a camp in California. Mrs. Seymour and daughter, Rebecca, of Bonneauville; Mr. and Mrs. Robert Groff and daughter, and Private Seymour attended.

Sgt. Charles D. Weaver, of Camp Beale, California, spent the past week at the home of his parents, Mr. and Mrs. John Weaver.

Pvt. Howard Leatherman, of New Cumberland, spent the week-end with his family.

Technical Sgt. Orville Brindle, of Camp Edwards, Massachusetts, spent the week-end here among relatives.

Pvt. Francis Thomas, Jr., who is stationed in a camp in Virginia, spent Sunday among relatives.

Mr. and Mrs. Melvin Miller and son, Fred, Mr. and Mrs. Franklin Miller, of Baltimore, were Sunday visitors at the home of Mr. and Mrs. Donald Lawver.

Bruce Wilson, who entered the Navy last Thursday, is now stationed at Great Lakes, Illinois.

Technical Sgt. Orville Brindle, of Camp Edwards, Massachusetts, spent the week-end here among relatives.

Pvt. Francis Thomas, Jr., who is stationed in a camp in Virginia, spent Sunday among relatives.

Mr. and Mrs. Melvin Miller and son, Fred, Mr. and Mrs. Franklin Miller, of Baltimore, were Sunday visitors at the home of Mr. and Mrs. Donald Lawver.

Bruce Wilson, who entered the Navy last Thursday, is now stationed at Great Lakes, Illinois.

Technical Sgt. Orville Brindle, of Camp Edwards, Massachusetts, spent the week-end here among relatives.

## PANTS BUTTON MURDER CLUE

Waynesburg, Pa., Sept. 16 (AP)—A trouser button has been revealed as one of the clues on which the commonwealth is depending in its prosecution of Samuel Morbit, 32-year-old Carmichael miner, on trial for the death of his 22-month-old son, Henry, last October.

Glenn Canan, a deputy sheriff, one of the 12 witnesses who appeared at the first day of the trial yesterday, told of finding the button in the reservoir where last October the Morbit baby's body was found floating.

Canan identified the button as matching those on the trousers Morbit was wearing at the time he was arrested. Canan said one

of Morbit's suspender buttons was missing.

A dramatic moment came while Special Assistant District Attorney James E. Isherwood, former state Legion commander, was telling the jury of eight men and four women that the commonwealth would show Morbit came home in a drunken rage, choked his son and struck his wife with a blackjack when she protested.

Morbit shouted at the attorney: "That's not true and I can prove it's not!"

Admonished by the court, Morbit sat quietly the rest of the day. Three physicians told the court that Baby Henry's death resulted from suffocation. They said lack of water and air in the child's lungs supported this contention.

The first practical seeding machine was patented in the United States in 1840.

Purple martins migrate in huge flocks numbering tens of thousands.

## Cost of all ingredients in this recipe guaranteed!

Try this salad in a biscuit-baker, baked with enriched and unrationed Pillsbury's Best.

## Pillsbury's PARTY POINT-SAVERS

TEMPERATURE: 450° F. Serves 6 TIME: about 12 to 15 minutes

- 1½ cups sifted PILLSBURY'S BEST Enriched FLOUR
- 2¼ teaspoons baking powder (or 1½ teaspoons double-acting)
- ½ teaspoon salt
- ¼ teaspoon celery salt
- ¼ teaspoon paprika
- ½ cup shortening\*
- ½ cup milk, about
- 1 quart (4 cups) vegetable combination (lettuce, tomatoes, green pepper, cucumbers, onions, carrots, cooked peas and beans)
- Salad dressing
- ½ cup grated nippy cheese

1. Sift flour once, measure; add baking powder and seasonings; sift again. 2. Cut in shortening until mixture resembles coarse meal. 3. Add milk; mix only until all flour is dampened. 4. Knead gently on a lightly floured board for a few seconds to smooth dough. 5. Roll dough out to about 1½-inch thickness. Cut into six 4½-inch squares. Shape each square over bottom of muffin pan. \*Chicken fat, or any other mild-flavored solid fat, may be used as shortening.

Guaranteed Baking! Try this or any good recipe, using Pillsbury's Best. If you're not better satisfied than with any other all-purpose flour, Pillsbury's Cooking Service, Minneapolis, Minn., will refund the cost of all your recipe ingredients! With what flour could you be more sure?

SAYS PUPPET ITALIAN STATE HELPS ALLIES

By DEWITT MACKENZIE (Associated Press Writer)

One of the finest services Fuehrer Hitler could render the Allies is his revival of the fallen and dishonored fascist regime under the control—or so the Nazis say—of its old master, Mussolini.

The United Nations had carried out their aim of smashing Fascism. The collapse of the incompetent and corrupt government exposed the fact it was to the world for exactly what it was—a dictatorship of gangsters who not only waged cowardly war on small and helpless countries, and against their grievously wounded neighbor, but made themselves and their mistresses vastly rich by plundering their own people.

The vast majority of Italians, while heart-broken over the straits to which their country has been reduced by Mussolini's wickedness and stupidity, nevertheless have been rejoicing that they finally have been rid of this nasty old man who personifies the "soft underbelly of Europe." No price is too great to purchase freedom from such a tyrant.

Seek Visible Proof

Now along comes the arch gangster of them all and sets up a little puppet government in the name of Fascism. He tries to give it life by announcing that Mussolini himself is the quisling of this revival—a statement which certainly requires ocular proof before the world will accept it as truth. At this writing the whereabouts of the ex-dictator is a great mystery, and it's even rumored that he's dead. If he is, the devil has a new pal.

Anyway, dead or half alive in his terror, the Duce's usefulness is about the same. This puppet "government," which is a stage-play affair, will drag out its brief existence, to provide a further striking demonstration of the folly of Mussolini's fascist fancies. It will clinch the argument for the overthrow of Fascism and Nazism and the establishment of democracies in their stead.

Back to the Wall

Why is Hitler to this exhibiting Fascism in its nakedness and so taking the chance of weakening his own dictatorship? Well, there are several reasons, all of them understandable. In the first place he is, of course, playing for time, and so is trying to fool the world for a brief period into the idea that Fascism really isn't dead at all but is still a potent influence and a tower of strength to the Axis.

The all highest is particularly anxious to convey this impression to the Balkans. He is trying frantically to prevent further disaffection among his Balkan satellites, whose allegiance to the Axis has been due in considerable measure to Italian influence. He also wants to reassure his home front that all is still well in the Axis camp. And he figures that his rise may provide some discouragement for Allied peoples.

It is a stunt which the Nazi dictator scarcely would try under normal circumstances. However, he is fighting with his back to the wall to save his own position. He can't have the slightest expectation of putting Fascism back on its feet permanently, or of preventing the Allied conquest of Italy.

Time on Hitler's Side

Still, he is gambling that he may create a delay, and hesitation in the enemy camp, which may enable him to discover some fresh ray of hope. His position has become so grave that in undertaking this dramatic propaganda he really has little to lose and everything to gain.

Time is Hitler's ally right now. Already the autumn rains have begun in Russia, and this may give his desperate armies a respite from the disastrous hammering they are getting from the Red forces. Every passing day lessens the danger of an Allied invasion of western Europe, because of weather conditions. Each hour that he can hang on enables him to repair broken fences looking at the matter from that light, Hitler's scheme is a smart one.

Tar Available For Road Work

A rush of road re-surfacing and building throughout Adams county was expected within the next few weeks with the announcement that the townships and boroughs no longer need priorities for tar for road construction.

State highway officials Tuesday called the office of the county commissioners to announce that the priorities had been removed from the material and that large quantities of the road tar is available.

It was expected that most of the townships will begin shortly with plans for road construction that have been held up since the beginning of the war, a court house spokesman said.

PLACED IN 2A

The classification of Edward Hess, 34 Myrtle street, Littleton, has been changed by the area board of appeals from 1A to 2A it was announced today. The new classification has been given for a six-month period.

Social Happenings

Phone Gettysburg 640 or Biglerville 8

Dr. and Mrs. C. H. Heldt and daughter, Elizabeth, North Stratton street, returned Tuesday evening from a vacation spent at Oakland City, Indiana. They were the guests of Dr. Heldt's mother, Mrs. H. C. Heldt, who accompanied them home to spend the winter.

Mrs. William Eckert entertained the members of the Wednesday Night club this week at her home on Lincolnway east. The next meeting will be held in two weeks with Mrs. George S. Forney at the home of her parents, Mr. and Mrs. Willis H. Lady, Biglerville.

Mr. and Mrs. Harold Beeson, East Lincoln avenue, were visitors in York today.

E. T. Whittinghill, 3-c pharmacist mate, and Mrs. Whittinghill, Bainbridge, Maryland, and Mrs. Lloyd Whittinghill and daughter, Patsy, have gone to New Albany, Indiana, to visit friends and relatives for a week or ten days.

Mrs. A. S. Moomaw, Roanoke, Virginia, has been spending several days with her brother-in-law and sister, Prof. and Mrs. Fred Troxell, Baltimore street.

Mrs. Daniel J. Wolf and Miss Peggy Rupp, Gettysburg, and Mrs. Roy Gettler, Biglerville, were visitors in Harrisburg, Wednesday.

Dr. and Mrs. Walter H. Danforth, West Broadway, have returned after a vacation spent with relatives at Grand Isle, Burlington and Bristol, Vermont. On their return trip they visited friends in Baltimore for several days.

Mrs. Arthur C. Alkin entertained the members of the Acom club Wednesday evening at her home of East Lincoln avenue. Mrs. August Boels, a former member of the club, was an additional guest. The next meeting will be held in two weeks with Miss Mary Hartman, Cashtown.

Miss Betty Troxell has returned to Hagerstown to resume her teaching in the high school after spending the summer vacation with her parents, Prof. and Mrs. Fred Troxell, Baltimore street.

Miss Ida Mae Alexander returned to Baltimore today to resume her duties as a student nurse at Union Memorial hospital after a visit with her parents, Mr. and Mrs. A. R. Alexander, East Broadway.

Mr. and Mrs. C. Arthur Grist, of Baltimore, are guests of Mr. and Mrs. William C. Tyson, West Broadway, for several days.

Mrs. Elizabeth Bell, of York, spent Wednesday with friends in Gettysburg.

Mr. and Mrs. James Shindedecker and son, Clair, and Mr. and Mrs. Thomas Adams, West Middle street, visited last Sunday with Mr. and Mrs. Shindedecker's son and daughter-in-law, Mr. and Mrs. Donald Shindedecker, Baltimore.

Miss Mary B. Slifer, daughter of the Rev. and Mrs. Luther B. Slifer, has enrolled as a student at the Woman's Medical College of Pennsylvania at Philadelphia.

Mr. and Mrs. Emmert Leatherman and Mr. and Mrs. Melvin Ditzler, Gettysburg, attended the York Fair today. Miss Louise Leatherman has arrived in Louisville, Kentucky, where she will spend some time.

Mr. and Mrs. Ernest Kranias, 129 North Washington street, entertained Wednesday in celebration of the 14th anniversary of their daughter, Mary Lou. Guests present included Barbara Kinnelfelter, Rae Strohm, Canela Kargas, Ann Stoe, Peggy Ann Smith, Katherine Small, Lois Small, Doris Jean Kitzmiller, Phyllis Menchey and Charles Kranias. Refreshments were served.

Seek Used Radios For Camp Hospitals

Radios, whether in usable condition or not, pianos, old furniture and games are among the articles needed by the members of the armed forces in nearby camps and hospitals, the members of the Camp and Hospital council of this section learned Tuesday at a meeting at Carlisle.

Representing Adams county at the session were Dr. J. Walter Coleman, chairman of the local committee; Mrs. LeRoy H. Winebrenner and Mrs. E. S. Lewars. Old radios which have outlived their usefulness in the home and parts of radios including tubes are needed it was stated. Some of the soldiers are expert radio men and can repair the sets. Fifty additional hot water bottle covers have been sent by the local committee bringing to 500 the number turned in by the county to the armed service hospitals in this section so far.

FIND MISSING BODY

Pittsburgh, Sept. 15 (AP)—The body of John Anderson, 41, who had been missing from home since Monday, was recovered from a reservoir at the city filtration plant at Aspinwall yesterday by Patrolman Peter Kowalski.

DEATHS

H. F. Bragunier

Harry F. Bragunier, 73, died Tuesday afternoon at the home of his son, Raleigh Bragunier, Waynesboro. He had been in failing health for the last year and a half and critically ill and confined to his bed for the last four weeks. He suffered from a heart condition.

Mr. Bragunier was born in Hagerstown, the son of Joseph and Susan (Spielman) Bragunier and lived most of his life in Hagerstown. For the last twelve years he had lived with his son.

He was a wood worker by occupation. His wife, Josephine Ferguson, died eight years ago.

Surviving are these sons and daughters: Walter W., Jacksonville, Fla.; Keller, Washington, D. C.; Raleigh, Waynesboro; Mrs. George Moritz, Gettysburg; Mrs. Mary Besset, Washington, and Mrs. Henry Thaden, Bethesda, Md. Eighteen grandchildren and these brothers and sisters: Mrs. Ida Hartman, Hagerstown, Md.; Mrs. William McLane, Long Island, N. Y.; Mrs. William Conlin, Pasadena, Calif.; Ned Bragunier, Hagerstown, and Jacob Bragunier, Cazenovia, N. Y., also survive.

Funeral services Friday afternoon at 2:30 o'clock from the home in charge of the Rev. George L. Detweiler. Interment in the Calvary grave yard at Beartown.

Friends may call at the home this evening between the hours of 7 and 9 o'clock.

Henry J. Kinneman

Henry J. Kinneman, 83, Abbotstown, died Wednesday morning at 10 o'clock at the home of his son, William H. Kinneman, Hanover. Death was due to a heart condition.

Mr. Kinneman was a son of the late Mr. and Mrs. Jacob Kinneman and was born November 4, 1859. He had served as a member of the Abbotstown town council for a number of years and had formerly been employed as janitor at the Abbotstown school. His wife, who before marriage was Magdalene Anthony, preceded him in death.

Surviving are one son, William H. Kinneman, Hanover; one brother, Charles Kinneman, York R. D., and one sister, Mrs. George Null, York.

Funeral Saturday afternoon with services conducted at the home at 1 o'clock, the Rev. John A. Kleinig, pastor of Grace Reformed church, officiating. Interment in Mt. Olive cemetery, Abbotstown. Friends may call Friday evening at the home.

May Close Rural School; No Teacher

John L. Stock, teacher in the Victory school, Reading township, has been elected teacher of mathematics and science at the York Springs high school to fill the vacancy caused by the leave of absence of Charles A. Kennedy, who was inducted into the Army last week.

The Reading township board will meet in the next few days. It was reported to the office of the county superintendent of schools, to determine whether it is possible to obtain a new teacher for Victory school or whether the school must be closed.

Three Suspected As Delinquents

Three western Adams county men have been posted as suspected delinquents by the Gettysburg Selective Service board. The three are Sherman Ervin Taylor (colored), Gettysburg R. 1; Joseph Patrick Reilly, no fixed address, and William LeRoy Crum, Biglerville. All are listed as having failed to notify the board of change of address.

If the men do not report to the local board within five days, it was stated, their names will be certified to the Federal district attorney for action.

Food Committee Is Proposed

Chicago, Sept. 16 (AP)—Creation by Congress of an independent committee on the nation's war food program, like the Baruch rubber committee, was suggested today at the opening of the National Food Conference by Wheeler McMillen, of Philadelphia, editor of the Farm Journal. McMillen was the first of several speakers, including food industry authorities and a half dozen U. S. senators, invited by Chairman Frank Gannett, Rochester, New York, publisher, who called the conference, he said, at the request of agricultural officials of 16 states.

"After nearly two years of war, the nation finds itself without visible evidence of a consistent food policy," McMillen said in an address prepared for delivery to the conference.

"There can be little reason to expect that those whose exceptional talent for confusion has been its main cause will be able to bring order out of widespread chaos," he continued.

TRAIN KILLS MAN

Eric, Pa., Sept. 16 (AP)—John Durman, 69, hantant and worker, was hit and killed by a train at a street crossing yesterday. Fred Lamberton, acting coroner, said he was attempting to locate relatives in the vicinity of Brocton and Buffalo, New York.

REDS SEEK TO TRAP GERMAN TROOP UNITS

London, Sept. 16 (AP)—Russian forces have captured Novosk, the Black Sea naval base in the Caucasus, Moscow announced today in a broadcast.

London, Sept. 16 (AP)—Battering their way across the central Ukraine plains toward the vital Dnieper river defense wall, approximately 70 miles to the west, Red Army columns which captured Nezhin yesterday apparently were aiming their main thrust today against the Kiev-Poltava-Lozovaya railway, severance of which would isolate German armies to the north and south.

Capture of Nezhin, a main bastion of Nazi defenses before the Dnieper barrier, already has cut off but one rail link between the enemy forces operating in the central and southern sectors of the Ukraine. If the Red Army spearhead can cut the Kiev-Poltava-Lozovaya line before the autumn rains make large scale military operations impossible, the Germans in the south would face the possibility of another defeat as costly as that suffered at Stalinograd.

Premier Joseph Stalin celebrated the fall of Nezhin in another order of the day, terming it "the most important center of the Germans' defense on the road to Kiev."

6,000 Nazis Slain

Wednesday's fighting cost the Germans in all more than 6,000 dead and they surrendered more than 200 towns and villages as they fell before the relentless Red Army sweep, the Russians said. There was no indication anywhere that the enemy would halt short of the Dnieper river, which they have built into a formidable defense barrier.

Soviet forces to the south, driving toward the great bend in the Dnieper, captured Gulai Pole and Pokrovskoye, both 50 miles from Zaporozhe, a Dnieper river city which also is an important point on the one railway line leading to Melitopol and the Crimea.

There was still no announcement by the Russian high command of the capture of Bryansk in the north, which the Germans said they evacuated several days ago. The Russian communiqué reported fierce fighting in the Bryansk sector toward Smolensk and disclosed the capture of Dyatkovka, 20 miles north of the German base, together with caches of war material and ammunition dumps.

DROUGHT CUTS PRODUCTION OF MILK SUPPLIES

Philadelphia, Sept. 16 (AP)—Government-fixed "sales quotas" for Philadelphia milk distributors will be necessary shortly because of drought conditions sharply reducing production in the Philadelphia milk shed, W. P. Sadler, federal-state marketing agent, said today.

"The continuation of the severe drought in southeastern Pennsylvania, Delaware and Maryland has sharply affected nearly two-thirds of the farmers supplying milk to Philadelphia," Sadler said in a statement. "Information coming in from the country indicates a more rapidly declining supply this far in September than was forecast."

"The war food administrator has issued an order which authorizes the fixing of sales quotas for each distributor in a prescribed area. The decline in deliveries from farmers and rising sales will shortly make such action necessary here."

"A drop of a million pounds in the delivery of producers, and an increase of one-half million pounds in class 1 sales from July, brings home to all of us that we cannot expect to continue our purchases of fluid milk at will x x x."

Sadler announced the average August price for all handlers in the area at \$3.855 per hundredweight.

Rites Held For Mrs. Mary Yoder

Funeral services for Mrs. Mary D. Yoder, who died Monday evening at the home of her son and daughter-in-law, Mr. and Mrs. W. F. Yoder, Orrtanna, were held this afternoon meeting at the Yoder home at 1:30 o'clock with services at 2 o'clock at the Fairfield Mennonite church conducted by the Rev. George Stoneback. Interment was made in the Mammashburg cemetery.

The pallbearers were B. E. Barker, Harry S. Stoner, Henry Bernhardt, Blair C. Bieseker, Weaver W. Zimmerman and Samuel Musselman.

Upper Communities

Arendtsville

PFC and Mrs. Clair A. Beamer, Wilmington, North Carolina, were guests of honor at a gathering of relatives Sunday at the home of the former's parents, Mr. and Mrs. Carey Beamer, Buchanan Valley. Those present included Mr. and Mrs. Charles Cole and daughters, Mary Louise and Helen, Mr. and Mrs. Edgar Beamer and son, Arnold, Gettysburg; Mr. and Mrs. Paul Beamer and son, Dickie, Arendtsville; Mr. and Mrs. Ivan Shanesbrook and daughter, Nancy, Gettysburg; Mr. and Mrs. George Smith and son, Kenneth, York; Mr. and Mrs. Robert Beamer and son, Randall, Waynesboro; Clyde Beamer, Gettysburg; Miss Catherine Staley, Taneytown; Miss Helen Beamer, Harrisburg; A. J. Warren, Harrisburg, and Mrs. Elizabeth Reed, Waynesboro.

Mr. and Mrs. F. W. Weigle and Mrs. Clair Taylor, Biglerville R. D., attended the York Fair, Wednesday.

Miss Reba Taylor, Biglerville, has accepted a position as a stenographer at the Glenn L. Martin plant, Baltimore.

Miss Mary Enck, Biglerville, is visiting friends at Greensboro, North Carolina, for a week.

Mrs. Urwin Rowntree, Washington, D. C., arrived today for a visit with her parents, Mr. and Mrs. S. Gray Bigham, Biglerville. She will be joined over the week-end by her husband, Lieut. Commander Rowntree.

Mr. and Mrs. John Albert, Biglerville, spent Wednesday in York.

The September meeting of the Thrifty club was held Wednesday afternoon at the home of Mrs. E. A. Meyer in Biglerville. The president, Mrs. William C. Tyson, presided. The program was in charge of Mrs. Daniel C. Jacobs who had as her subject "Historic Families of Adams County." Prefacing Mrs. Jacobs' paper, Mrs. William M. Lott, told of pioneer life in the county.

Mrs. Arthur Grist, of Baltimore, a former member of the club, and Mrs. Jack Carney, of New York city, were additional guests.

The October meeting will be held at the home of Mrs. G. W. Koser with Mrs. S. Gray Bigham in charge of the program.

Mrs. Elizabeth C. Bell, of York, has concluded a week's visit with Mr. and Mrs. H. G. Baugher, of Aspers.

Mrs. D. M. Bream, of Chambersburg, recently visited her mother, Mrs. Martin Baugher, of Aspers.

Mrs. Joseph Stubbs and daughter, Shirley, and son, Joseph, of Quaker Valley, recently visited Mrs. Stubbs' son, Lauren, at the Hershey Industrial school at Hershey.

Pvt. Roy Cook has returned to Port Eustis, Virginia, after a short visit with his parents, Mr. and Mrs. Arthur Cook, of Aspers.

Mrs. Jack Carney left today to join her husband in New York city after a visit with her uncle and aunt, Mr. and Mrs. W. Clayton Jesler, of Biglerville R. D.

Miss Lois Sincell has returned to Harrisburg after a short visit with her uncle and aunt, Mr. and Mrs. William M. Lott, Gardners, R. D.

Blast Boche

(Continued From Page 1)

nage dropped on Pantellieria, and the heaviest load of bombs dumped on that island before it surrendered was three times the tonnage ever dropped in an enemy raid on London.

German pilots again avoided combat wherever possible and anti-aircraft fire was relatively light.

Four Allied planes were missing from the two days' total of far more than 4,000 combat flights, a percentage of loss so light it amazed aerial combat veterans. Five German Focke-Wulfs were destroyed yesterday while attempting sneak-run raids on the Fifth Army's landing beaches.

Marauders also severed the rail line south of the Sele river bridge midway between Eboli and Sorre and another wave laid their loads squarely on roads in the same vicinity.

Crewmen said they could see Allied warships bombarding the same area and Lt. Lester D. Snell, of 6671 Sunset Blvd., Hollywood, said:

"What a combination! The Navy was blasting away from the sea and our gang from above. We couldn't miss."

100 PER CENT EFFORT

Pittsburgh, Sept. 16 (AP)—Frank Beech, a 69-year-old Pittsburgh war worker, is putting 100 per cent of his salary into war effort. Leger to help with the war effort he gave up a pension to take a small job. He said he is living on a water softener from royalties on a water softener he once helped develop.

NEW SULFA DRUG AID TO INFANTS

Chicago, Sept. 16 (AP)—One of the new Sulfa drugs produced remarkable improvement in 11 cases of epidemic infant diarrhea, a highly fatal disease now reappearing in the midwest, the Journal of the American Medical Association reported today.

The drug is succinylsulfathiazole, a comparatively new sulfonamide, which has been used mostly for treatment of bacillary dysentery and for preparation of patients for surgery of the large bowel.

Dr. Allan H. Twyman and Dr. George R. Horton of Indianapolis said the new sulfonamide greatly benefited the 11 new born babies but offered no explanation for its success, pointing out that no specific cause of the disease has been found.

The death rate of diarrhea is usually about 50 per cent. "Outbreaks of epidemic diarrhea of new born infants occurred in the fall of 1942 in Cleveland, Carlisle, Pa., Detroit, Toledo, O., Dayton, O., and Indianapolis," the physicians said.

Mr. and Mrs. F. E. Raffensperger, Mrs. Byron Brought and son, Paul, all of Harrisburg, spent Tuesday visiting relatives in town.

H. B. Raffensperger has been a visitor in Philadelphia for a day or two.

Miss Jane Guise, who formerly lived in Felton, has arrived in Arendtsville to spend the winter with her grandmother, Mrs. Crist Guise. She is attending high school here.

The Boy Scouts of Arendtsville will begin their collection of scrap on Monday evening. Housekeepers are asked to have scrap gathered and ready for the boys when they arrive.

JUNGLE TROOPS BACKING JAPS IN DEATH TRAP

By OLEN CLEMENTS Allied Headquarters in the Southwest Pacific, Sept. 16 (AP)—Backing the Japanese into a death trap where they are forced to fight, Allied jungle troops have battered through pillboxes, trenches and machinegun nests with the aid of artillery and planes to bring near the fall of the big air base of Lae, New Guinea.

East of Lae, Australians are only two miles from the center of the coastal town and are about to overrun the prized Malahang airbase. On the west, where the intricate defenses were breached after hours of fighting, another force in the Markham Valley is only five miles away.

To the south, Americans and Australians who annihilated most of a Japanese garrison in capturing the airbase and harbor town of Salamaua left behind patrols to hunt down the surviving stragglers and moved in force more than half a mile along the sea shore Lae Sept. 4 and from transport planes behind Lae Sept. 5.

Today's communique reported the capture in the Markham Valley of three defended plantations.

Ahead of the Markham Valley force, a path was blasted by Mitchell medium bombers through enemy defenses along the road and river. Above Lae, other Mitchells destroyed or damaged most of 30 enemy barges at Hansa Bay, silenced machinegun and anti-aircraft posts and demolished warehouses.

Delayed dispatches from the south Pacific told of new Japanese air losses in these operations. American fighters, against 34 enemy planes destroyed or damaged.

MODERN LOCKER PLANT TO OPEN AT EMMITSBURG

Bernard Boyle, Emmitsburg grocer, Friday will formally open the modern frozen foods locker he has been constructing since 1941 in an annex to his grocery store. The locker was finished this summer after permits had been secured for the materials needed to complete the work.

All but a few of the lockers have already been secured by residents of Emmitsburg, Adams county, and surrounding sections and it is expected that more than 300 of the lockers will be in operation Friday when the formal opening is held.

The locker system is divided into two sections. The larger section is devoted to the individual lockers where foods stored by the locker

renters can be kept indefinitely at a temperature below freezing, while a smaller section known as the freezing room can be brought down to a temperature of 40 below zero. All foods to be placed in the lockers are taken first to the freezing room where they are subjected to a 40 below temperature for a short time, and then, after being frozen are removed to the lockers where they will remain until ordered removed by the holder of the lockers.

**Only One in County**

The system is one of the few in the county which has a showcase locker where Mr. Boyle will keep meats and other frozen foods for sale. The customers can see the foods before buying them through the glass in the showcase while the foods themselves will be kept at a temperature equal to that of the regular lockers.

The Emmitsburg grocer will also do all of the processing of the foods, including cutting the meats to order before placing them in the locker system.

The system is the only one of its kind in Frederick county. Another

Emmitsburg

**Emmitsburg.** — The brick building located at 220 South Seton avenue, was recently purchased by Mr. and Mrs. Maurice G. Keilholtz from the Charles P. Mort estate for \$3,600. Mr. Keilholtz states the building will be made over into apartments. He is now improving the grounds.

The house and lot at 117 North Seton avenue was recently purchased by Mr. and Mrs. Thomas Baumgardner from the Mort estate for \$3,775. Mr. Baumgardner states that the house will continue to be rented and that he does not anticipate moving his family to town for the present.

The barn and field at 100 South Alley-East was recently purchased by the Vigilant Hose company from the Mort estate for \$2,475. This lot borders on the fireman's field to the north and both are bounded on the west by Community avenue.

The real estate of the late Charles P. Mort brought the total of \$29,834 at two separate public sales. The buildings at 2, 4, 8 West Main street were bought by Charles A. Harner for \$8,700; the building at 3 East Main street was bought by Edward Houck for \$7,800; the house at 117 North Seton avenue was bought by Thomas Baumgardner for \$3,775; the building at 220 South Seton avenue was bought by Maurice Keilholtz for \$3,600; the barn and field at 100 South alley-east by the Vigilant Hose company for \$2,475; the house and camp on Clear Creek by Howard Z. Mort for \$2,540; the log house and three acres of land on Mountain road by Ernest Keilholtz for \$930, and a lot near Annadale school house by Russell Andrews for \$14.00.

The Emmitsburg Public Library was organized by Sterling Galt in 1905 at which time Mr. Galt donated the original volumes. Miss Mary Higbee served the library for a number of years and recently departed for Pyote, Texas, to become the wife of S-Sgt. H. M. Hoke. An organization meeting was recently held when Miss Louise Sebold was elected president of the board of directors, Mrs. E. L. Annan, Jr., treasurer, Miss Helen Higbee, secretary.

The locker system in the county, which has been in use for some time, is based on the brine system, while the plant to be opened Friday does not require that foods be placed in brine before being placed in the lockers, it was stated.

Emmitsburg Schools Have 350 Enrolled

**Emmitsburg.** — The county school opened on September 13 with Principal A. L. Leary in charge of organization and assignments. He stated that 117 had enrolled in the high school and 233 in the elementary department with additional enrollments to follow. The high school teachers are Miss Margaret Rosensteel, English and Latin; Mrs.

retary. The other members of the board of directors are Mrs. A. M. Nasilfsky, Miss Ruth Shuff, Miss Carrie Rowe, Mrs. A. L. Leary. The library contains 3,107 volumes at present. The officers will hold a rummage sale in the store room owned by Charles A. Harner at 3 West Main street, proceeds of which will be used to further increase the value of the library to the public.

The one hundred thirty-fourth school year opened at St. Joseph's when classes were resumed on September 8, with a mass at 8 a. m., by the Rev. Elbert Gay, sub-director of the Daughters of Charity. Twenty-one new boarders were added to the student body of last year thus increasing the total number over the past years. The seniors conducted a "welcome" at the Log Cabin along Toms Creek serving a dinner and supper to the incoming students. The color scheme in the recreation hall has been changed from green to maroon and blue, and the dining hall has been renovated with a new floor of tan and brown linoleum and large mirrors over each mantle with crystal candelabra on each side.

Mary Davis, first year English and music; Mrs. Theodore Burnman, mathematics and science; Miss Hatlie Myers, history, girls physical education and library; Miss Robinson, science, home arts, cafeteria; Robert Carlans, industrial arts for boys and girls; Mr. Ramsburg, agriculture, boys athletic director.

The elementary teachers are Miss Sara Edwards, Mrs. Edward Stull, Miss Margaret Beauchamp, Miss Shriver, Jacob Adams and N. O. Terpenning. The bankers committee is being represented by George

Name Committee To Sponsor Bond Drive

**Emmitsburg.** — The committee in charge of the bond drive for the Emmitsburg district is being formed. Robert Feitz is serving as temporary chairman with the following assisting: J. L. Nester, Thomas Baumgardner, George Martin, Norman Shriver, Jacob Adams and N. O. Terpenning. The bankers committee is being represented by George

Whillhide, cashier of the Farmers State bank of Emmitsburg. W. Clinton McSherry, of Frederick is general chairman of Frederick county. It is expected that a meeting will be called for Emmitsburg at which time Mr. McSherry will be present to acquaint the various workers with their duties and procedure.

The quota for Frederick county is \$2,000,000 with no quotas allotted to respective towns and communities. Bond literature is available at the Farmers State bank and at the town office.

## PICKS YANKEES TO COP SERIES FROM ST. LOUIS

By JUDSON BAILEY  
(By The Associated Press)

The New York Yankees are riding the crest of an eight-game winning streak, matching their longest previous victory string of the season, but the team is just coasting.

Ignoring the fact that the campaign has two weeks to run and they haven't clinched the pennant yet, the Yankees simply are taking their day to day business in stride and concentrating on the World Series.

In their clubhouse before the games the players are autographing baseballs by the dozens and striving to round up series tickets for their friends. Also before the games Charley Keller and Nick Etten, the heavy armament of the bombers, are taking special batting practice—not because they need it for the American league opposition but to get ready for the big test against the St. Louis Cardinals.

**His 27th Homer**  
Yesterday Keller hit for 20 minutes before most of the players were on the field and then, when the tussle with the Philadelphia Athletics got under way, he hit his 27th home run with two aboard in the first inning.

Arthur Beauregard (Bud) Metheny hit his second homer in two days and Joe Gordon notched his 14th of the season while Hank Borowy pitched six-hit ball to overpower the A's 7-3. Borowy gave a shutout till the eighth, when he made the mistake of grooving a pitch to rookie George Staller, who socked it for a three-run homer.

About the time this was going on James J. Carroll, St. Louis betting commissioner and nationally known odds-maker, disclosed that he had established the Yankees as overwhelming favorites in the series, quoting 13 to 20 against New York and 13 to 10 against St. Louis. This meant a better must put up \$20 to win \$13 if taking the Yanks, or lay \$10 to win \$13 if taking the Cardinals.

The Redbirds, although idle, moved within three games of clinching the National league pennant when weather forced cancellation of the second-place Brooklyn Dodgers' final game with Boston.

**Phils-Giants Split**  
In the only senior circuit activity of the day the Phils divided a doubleheader with the New York Giants. Jack Kraus pitched four-hit ball as the Phils won the first 1-0 on Ray Hamrick's triple, but the Giants bagged the second game 6-3. The double bill started at 11 a. m., less than ten hours after the completion of the Phils-Giants game of the previous night, and drew only 903 paying customers.

Washington strengthened its hold on second place in the American league by shutting out the Boston Red Sox 5-0 on John Niggeling's three-hit hurling while Cleveland dropped another decision to the St. Louis Browns 4-2 through Al Zarilla's three-run homer in the seventh.

Detroit downed the Chicago White Sox 8-2 with Rube Gentry pitching a six-hitter.

## Wins 8th Straight Race At York Fair

York, Pa., Sept. 16 (AP)—With Governor Martin among the on-lookers, My Son, bay horse owned by J. R. Rich of New Castle, Pa., stretched his winning streak to eight straight dashes yesterday at the York interstate fair.

Driver Earl Cummins brought My Son home in the first dash of the second division of the 2:12 class pace, then chopped two seconds off the winning time to win the event in straight heats.

## SPORTS ROUNDUP

By HUGH FULLERTON, JR.  
New York, Sept. 16 (AP)—The hottest golfer in Northern Africa, at last report, seems to be Fireman First Class Herb Johnson, U. S. Navy. . . Corp. Howard L. DuPont of Pinehurst, N. C., relays the results of the first Moroccan open tournament, played Aug. 14, 15, and an amateur-pro event two weeks later. Fireman Johnson, former Hinsdale, Ill., pro, won them both. . . he shot 78-72-150 in the open over a course that "was built inside of a race track and up to two months ago was a camp for our troops" and playing with golf balls which, DuPont says, "some caddies at home would throw away as useless." . . In the pro-tourney Herb teamed with Victor Bellincioni, Moroccan banker, and they turned in a card of 65-62-127. . . Corp. DuPont seems to think the tournament committee, including Sgt. Dugan Aycock of Lexington, N. C., and Corp. Ben Banks of Dallas, Tex., did a good job—they even got the Pasha of Marrakech and his son, Si Ahmed, Glaoui, to play—but, he asks, why can't they get some good golf balls in Africa? "The latest quotations at Gibraltar are \$10 apiece if you can get one."

**YOU PICK 'EM**  
Proceeding on the safe assumption that the Yanks and Cards will meet in the world series, this corner begins a daily presentation of facts about the regular players. . . You can draw your own conclusions.

First basemen—Nick Etten, Yankees: Refugee from the Phils who has been proving he needed only a Yankee uniform; has knocked in 98 runs on a .268 batting average so far; once hit .311 for Phils. Naturally, he's had no world series experience. Victim of the season's worst gag—the Phils are a "hungry" club because they haven't Etten. Ray Sanders, Cardinals: Split the job with Johnny Hopp last year and rode the bench during the world series. Hitting .270 so far with .64 R. B. I. once a softball and soccer player but he hasn't done much soccer booting around first.

**TODAY'S GUEST STAR**  
Wilbur Kinley, Jackson, (Miss.) Daily News: "Signs of the Times: Last year the Southeastern conference had four teams in New Year's bowl games (Georgia, Rose Bowl; Tennessee, Sugar Bowl; Alabama, Range Bowl, and Georgia Tech, Cotton Bowl). This year the Southeastern conference has four teams period."

**SHORTS AND SHELLS**  
Story from the Southwest is that conference coaches put through a rule that gridgers who had used their three years' eligibility in the circuit couldn't come back as service trainees and be eligible because they thought it would be easier to deal with Texas' Roy McKay that way than on the field. Roy, who played a lot of fullback for the Austin campus by the Navy. . . Col. Heine Miller suggests that interest in service boxing tournaments can be maintained by eliminating the winners from further competition so as to give the less expert fighters a chance. . . looks as if the Army already had done that for civilian boxing. . . Tommy Colella, Detroit Lions' halfback, recently was discharged from the Marine Corps because he was allergic to 25 different foods, three weeds, two trees and feathers. . . wonder how he reacts to Redskins and Bears?

**SERVICE DEPT.**  
When Capt. Red Eubank, coach at the South Plains Army Air Field team at Lubbock, Tex., called out his winged commando squad, he discovered four 240-pound tackles, three ex-high school stars and Lieut. George Meier, Jr., who had played at Nebraska. . . The coach probably used his crying towel to wipe the dust out of his eyes and make sure he wasn't seeing things. . . Pfc. William J. Beckloff, formerly of Temple U., and Platoon Sgt. William McSherry, ex-Columbia player, played forward on a Marine basketball team that won 11 of 13 games somewhere in the South Pacific—and it was only runner-up in its league. . . Bill Dawson, end of the Camp LeJeune, N. C., Marine football squad, was cited for his coolness during the Jap sneak attack on Pearl Harbor. What does he do against a naked reverse?

## Phillies Set New Attendance Mark

Philadelphia, Sept. 16 (AP)—Only 903 cash customers saw the Phillies' farewell appearance in Shibe park yesterday—but that wasn't typical, fortunately for the club's finances. The Phillies announced they had drawn an all-time record total of 466,876 to their home games this season—approximately twice the 1942 attendance.

## BIGLER ELEVEN AND MAROONS SCRIME TODAY

Biglerville and Gettysburg high schools' football teams will clash for a practice this afternoon at 4:30 o'clock on the Biglerville field it has been announced by school officials.

It was also announced by Biglerville officials that the opening game of the season with Juniata township, originally scheduled for September 30, will be played Wednesday evening, September 29, at Biglerville.

The reason given for the change was in response to a request made by the company supplying the temporary lighting system.

For the last week and a half Coach Roger Smith has had a squad of 32 members working out daily. Included in the group are four lettermen from last year.

**Hold Scrimmage**  
On Wednesday afternoon the Cannons were given their first taste of rough work when a light scrimmage was held and defense on passing was stressed.

Coach Smith is optimistic about a good season. He has a comparatively fast squad and which will compare favorably in weight with other teams in his class.

Tom Yost, a guard of last year, is being groomed as a blocking back and will probably be designated to call signals. Dave Pitzer, a husky and powerful lad, looks good at fullback, while Clyde Lady, another letterman, is slated for a halfback position along with Dick Ogden, who possesses plenty of speed.

**Other Vets**  
Herbert Dixon and Dan Ebbert, both fairly tall, seem to have the inside on the end positions. They are receiving stiff opposition from Bill Jester and Leo Kleinfelter. Heading the candidates for tackle posts are Robert Brough and George Baugher. Gerald Heller, letterman, and Glenn Punt, are battling for center. The guard berths will probably be manned by Norman Lady, letterman, and Sid Myers. Clifford Brough and John Baugher are putting up a good scrap for guard positions.

At present the second string backs include Stanley McClimens, fullback; Jim Bucher, quarterback; Bob Sternat and Edward Utz, halfbacks.

Other members of the squad include Robert Brough, George Baugher, Glenn Punt, Dale Knouse, James Sillik, Harold Rexroth, Percy Bohrer, Gerald Garretson, Eugene Johnson, Robert Weikert, Clyde Naylor, Ronald Grimm and Marvin Kime.

## Fights Last Night

(By The Associated Press)  
Cleveland—Jimmy Byrns, 182½, Cleveland, outpointed Corp. Mello Bettina, 185½, Beacon, New York (10).  
Elizabeth, N. J.—Tippy Larkin, 151, Garfield, New Jersey, outpointed Patsy Spataro, 139, New York (10); Bobby Ruffin, 136, New York, outpointed Al Guido, 134½, New York (10).

Woonsocket, R. I.—Harry Hintlian, 122, Worcester, Massachusetts, knocked out Johnny Boyce, 123, Garfield, New Jersey (4).

Fort Devens, Mass.—Roger Toothaker, 145, Lowell, knocked out Walter Burrell, 145, Jersey City (3).  
Oakland, Calif.—Luther (Sluggo) White, 139, Baltimore, outpointed Pedro Ortega, 137, Mexico City (10).

## 35,000 Expected At Grid Game In Philly

Philadelphia, Sept. 16 (AP)—Professional football returns to Philadelphia tonight when the Chicago Bears tangle at Shibe park with the Philadelphia Eagles—Pittsburgh Steelers combination in an exhibition game for Inquirer Charities, Inc.

Greasy Neale and Walt Kiesling, Steagles coaches, have shifted Bill Hewitt from fullback to his old left end spot as a defensive move against the Bears, who defeated the Washington Redskins 21-14 last Sunday. Ben Kish, former Brooklyn player recently given a medical discharge by the Army, will replace Hewitt.

Coach Hunk Anderson of the Bruins reported his squad "in fine fettle and ready to go" after a blackboard lecture last night.

Inquirer Charities officials estimated the crowd would reach 35,000.

## Home Runs Habit With New Phillies

Philadelphia, Sept. 16 (AP)—Coincidence department:  
July 5, his second day with the Phillies, Bob Finley, rookie catcher from Knoxville, made his first major league hit—a home run into Shibe park's left field stands.

Yesterday, his second day with the Phillies, Andy Seminick, rookie catcher from Knoxville, made his first major league hit—a home run into Shibe park's left field stands.

## TO ADDRESS SENIORS

Pittsburgh, Sept. 16 (AP)—University of Pittsburgh seniors, at graduation exercises tomorrow, will hear Dr. Edward Charles Elliott, president of Purdue university, talk on the subject, "The Cracking of Wisdom."

## Dempsey Would Have Bouts Aid Bond Drive

Dallas, Tex., Sept. 16 (AP)—Jack Dempsey thinks some of the energy of the nation's young fighters could be turned toward making money for their Uncle Sam and at the same time building them into better soldiers.

Now a lieutenant commander in the Coast Guard with the duty of coordinating its physical training program, Dempsey was here today to preside at a bond auction luncheon. In Houston, he had refereed at a war bond boxing tournament for service men and defense workers that drew over \$4,000,000.

"That illustrates just what I have in mind," said the former heavy-weight champion of the world. "If we could match name fighters like Joe Louis and Billy Conn in the major cities we would raise half this next war loan. I would say Louis and Conn would draw \$100,000,000 in New York."

## STATE ELEVEN TO SEE ACTION THIS SATURDAY

By ED CREAGH  
(By The Associated Press)

The second installment of Pennsylvania's wartime college football season comes due Saturday, and, except that it promises heavier action, it's much of a muchness with last week's.

Two of the state's teams—Muhlenberg and Villanova in this case—play on Pennsylvania soil while a third, Bucknell, sees if it can dilute the Big Red of Cornell at Ithaca, N. Y.

Bucknell coach John Sitarsky plans to use four holdovers from last year in his effort to better Muhlenberg's out-of-state jaunt last Saturday, which ended 13-6 in favor of Yale.

Besides his own boys Sitarsky has three former Manhattan players, two from Temple and one each from Panzer and Hampden-Sydney—all Navy V-12 trainees.

**Cornell Primed**  
At Cornell a Bucknell graduate, assistant coach Lefty James, has been helping drill the Big Red for their season's opener. Head coach Carl Snavely has a 187-pound line buttressed by 210-pound Ralph Cal-cagni—Penn's co-captain last year—and a backfield averaging three pounds lighter.

Muhlenberg, which forced the Elis all the way, has been drilling hard in pass defense. "They're tough," admits Villanova's new coach, Jordan Oliver, who looks for "pretty much of a dogfight."

The Wildcats have a backfield surviving from the regime of Maurice "Clipper" Smith, now a Marine captain, plus a 200-pound fullback, Al Kasulin from University of Miami, and a Boston college expatriate, John Killeen.

Both Muhlenberg and Villanova count heavily on their Marine and Navy students. Anybody within gas-rationing distance of Allentown will be able to find out for himself which can count higher.

## Major League Leaders

(By The Associated Press)  
**American League**  
Batting: Appling, Chicago, .318.  
Runs: Cuse, Washington, 88.  
Runs batted in: York, Detroit, 108.  
Hits: Wakefield, Detroit, 178.  
Doubles: Guttridge, St. Louis, 33.  
Triples: York, Detroit, 31.  
Stolen bases: Case, Washington, 48.  
Pitching: Chandler, New York, 19-3.

**National League**  
Batting: Musial, St. Louis, .353.  
Runs: Vaughan, Brooklyn, 106.  
Runs batted in: Nicholson, Chicago, 106.  
Hits: Musial, St. Louis, 194.  
Doubles: Musial, St. Louis, 38.  
Triples: Musial, St. Louis, 18.  
Home runs: Nicholson, Chicago, 22.  
Stolen bases: Vaughan, Brooklyn, 18.  
Pitching: Cooper, St. Louis, 19-8.

## Eastern League

(By The Associated Press)  
Teams in the Eastern league Governors' cup semi-finals are practically in the same position today as they were at the close of the regular season Sunday—all even. Only difference today is each of the four teams has one victory and one defeat to its credit.

Second-place Elmira and the Hartford Laurels, who finished in the third position, won their contests last night after dropping the initial games in the best-of-five series to Wilkes-Barre and Scranton, respectively.

The Wilkes-Barre-Elmira contest last night was a toss up until the last of the ninth when the Laurels loaded the bases. A timely single by Wood, sent Nowak across the plate for the first and winning run. Wilkes-Barre won the first game, 4-1.

The Scranton-Hartford contest, like the Barons-Pioneers game, was just the reverse of the Tuesday night tilts. The Laurels downed the pennant-winning Pennsylvania club 9-2, after pounding a trio of Nemo Leibold's hurlers almost at will. The initial game went to the entertaining club, 10-4.

## PENN OUTLOOK FOR CAMPAIGN IS UNCERTAIN

By HENRY LITTLEHALES  
Philadelphia, Sept. 16 (AP)—Two former varsity ends who were "lost" when they enlisted as Navy pre-flight cadets and then happily were assigned to their alma mater may hold the key to the uncertain football outlook at the University of Pennsylvania.

Coach George Munger, starting his sixth season as head man of the Quakers, had given up all hope of utilizing the expert services of Herb Nelson and Frank Quillen, 6 ft. 4, 220-pounders, but the Navy sent them back to the Penn campus September 1—three weeks before the season's opener.

Because of their size and experience, the two young Behemoths now are listed as tackles. Nelson is a certainty at right tackle, but Quillen may have trouble ousting Les Zetty, ex-Muhlenberg star, on the left side of the wall.

Munger, who vows he'll be satisfied if Penn gets through the campaign with less than four defeats, rates Frank Sotack, formerly of Pitt, and Francis Kane, a Temple product, as the No. 1 ends, with Jack Rosenthal and Walt Bublun, Penn "natives," in close contention.

**Back Injured**  
A gloomy development in the backfield situation a week ago was the injury of Johnny Makar, bullet-passing, long-booting sophomore. While he's on the sidelines for three or four weeks, his tailback post will be filled by 155-pound Dudley Brundage, a freshman, or Joe Michaels, who was Drexel Tech's captain-elect.

Regular assignments are on the books for two experienced vets—blocking back Bob Odell, brother of Yale's head coach, and wingback Joe Kane, who's no slouch in the passing department.

Johnny Small, a 16-year-old freshman, is "Mr. Big" among the fullbacks, with Art Vincent (Virginia Poly) and George Veling (Villanova) giving him a run for his money.

Penn opens with Princeton here September 25, and follows with three successive home attractions—Yale, Dartmouth and Lakehurst Naval Air station—before traveling to New York to tackle Columbia in its only game abroad, on October 23. The card is rounded out by four more difficult Franklin Field features with Army, Navy, North Carolina and Cornell.

## SOLDIERS WILL SEE BALL STARS

By BUCKY O'CONNOR  
Chicago, Sept. 16 (AP)—The Japs took to baseball a few years ago and now baseball is "taking after" the Japs.

It's going to transport a little bit of America to the service men who are slugging it out with the Nips in the Pacific war zone.

Approval of the tour was announced by Army officials in Washington yesterday, but the personnel of the two 18-men squads representing the American and National leagues has not been chosen. Baseball Commissioner K. M. Landis said he assumed the players would be selected by a vote of the managers in each league.

While there was a suggestion that each club in both leagues have a representative on the squads, Landis said this would not necessarily be the case. His point is that the teams will be selected to give servicemen a taste of real Big League ball and should comprise the best available talent regardless of other considerations.

League presidents and club owners will choose the two managers.

## PUBLIC SALE

HOUSEHOLD GOODS  
Saturday, October 2-1:00 o'clock

Daily except Monday

## Police And Fire Sirens Permitted

Philadelphia, Sept. 16 (AP)—Police and fire sirens sounded in Philadelphia today for the first time since the war began.

The metropolitan district council of defense permitted their use on emergency vehicles after William F. Cowden, chief of the city fire bureau reported there have been 29 accidents involving such vehicles since the first of the year.

Previously sirens were banned except as air raid warning signals. Under the new ruling they may be sounded only at street intersections to avert the possibility of prolonged blasts being mistaken for raid warnings.

## LIQUID FUEL PLANTS ASKED

Washington, Sept. 16 (AP)—A bill to establish a number of government-operated semi-commercial plants for the production of synthetic liquid fuels from coal and other substances has been introduced by Rep. Randolph (D-W. Va.).

Randolph, chairman of a House Mines and Mining subcommittee, which considered the possibilities of synthetic gasoline production, said the plants he had in mind when preparing the bill (HR 3209) would cost from eight to ten million dollars each. He said he felt that one plant should be erected in the bituminous coal fields, one in the Wyoming-Colorado-Utah area where, he declared, 85 per cent of the nation's oil shales are located, and a third wherever government scientists might decide.

The bill is similar to legislation introduced by Senator O'Mahoney (D-Wyo.) but differs in that it would permit the sale of products not sold at cost to government agencies, or placed at the disposal of the War and Navy departments, at "going prices to any purchaser through regular commercial channels."

Randolph said that gasoline produced from coal at the small experimental plant in Pittsburgh had proved "as good as any high-grade aviation fuel used in our bombers." What is now needed, he said, are larger plants "to undertake the development work to the point where private industry can profitably enter."

## DIES FROM FALL

Pittsburg, Sept. 16 (AP)—Frank J. Willard, 63, of Greensburg, died of injuries he received when he fell into the Monongahela river Tuesday from a railroad bridge he had been painting. He suffered a fractured skull.

## REPORT BORDER CLASH BETWEEN JAPS AND REDS

By JAMES D. WHITE  
Washington, Sept. 16 (AP)—Speculation about a Japanese attack on Soviet Russia revived here today with unconfirmed reports from Chungking that a border clash—the first reported in some time—has occurred along the Mongolian frontier.

The Chungking report said the incident occurred north of Pailing-miao, a Japanese-controlled inner Mongolian desert settlement which might be a strategic base position for the Japanese if they should be planning a drive to cut the trans-Siberian rail line in the vicinity of Lake Balkal.

Among experts on Asiatic affairs here, one group holds that the Japanese will not attack, having enough on their hands already with the growing power of the Allies in the Pacific and east Asia.

Another contends that while the Japanese well may be concerned about this, they are nevertheless in this war with the Germans and must realize that once Germany is liquidated the Allies can turn their full attention to the Pacific. And the Germans, this group argues, undoubtedly are pressing the Japanese for a second front against the Russians in the east which would divert much Soviet strength from the advancing lines in the west.

It is assumed that the Japanese would take such a desperate step

# "BAZOOKA" IS NO LONGER AN "ARMY SECRET"

Washington, Sept. 16 (AP)—The Army's secret weapon is a secret no longer—the bazooka made its first public appearance Wednesday at an Army show on the Washington monument grounds.

Named "bazooka" by soldiers, it is an anti-tank rocket gun which the Army said "has proved an effective instrument of destruction against thick brick walls, rock masonry, structural steel and railroad rails as it has against enemy tanks."

Product of long experiment by the Ordnance department, the weapon's mechanism was a military secret until Wednesday, although it has been known by name since the North African campaign.

"The Army now gives this description: 'The bazooka' launcher, or gun, is a metal tube somewhat more than

50 inches in length and less than 3 inches in diameter. It is open at both ends. Attached to the tube are a shoulder stock and front and rear grips for the firer, together with sights and an electric battery which sets off the rocket propelling charge when the launcher trigger is squeezed.

## Two-Man Team

"The launcher is operated by a two-man soldier team—one the firer, the other the loader.

"After the loader has inserted the rocket in the launcher, he turns a contact lever to the 'fire' position, signals 'ready' to the firer, and then drops down and away from the rear end of the launcher and grasps a new rocket.

"When the firer squeezes the trigger, the rocket propelling charge is ignited and flashes from the rear of the launcher tube.

"The rocket itself is heavier than the hand grenade and is nearly two feet long. Its appearance is that of a small, elongated aircraft bomb. Its components are an explosive head, propelling charge powder tube and finned tail, the latter providing accuracy in flight."

The Army said the projectile is capable of piercing the armor of any tank which so far has been in action against Allied troops. The weapon is now being supplied in quantity, it was said, to American and other United Nations forces.

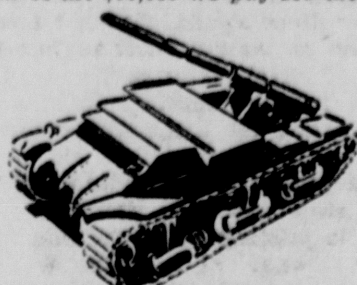

## NAVAL OFFICER "DIES AT SEA"

Philadelphia, Sept. 16 (AP)—Lt. George C. Barclay, U.S.N.R., 49, died at sea September 3 while returning to this country after a year in the southwest Pacific, the Navy department notified his widow yesterday at her home in suburban Cynwyd.

# \*What You Buy With WAR BONDS\*

## Nazi Medicine

Nazi generals in the Battle of Africa discovered the devastating effect of our great 155-mm. guns mounted on fast moving tanks. We'll need gross upon gross of them in the Battle For Europe and your War Bond purchases will have to pay for them. They're worth every cent of the \$50,000 we pay for them.

Hitler remembers Warsaw; he remembers Rotterdam; he will not forget Dusseldorf and Cologne. This destruction came from the air. It's time now for some horizontal firing. Figure it out yourself and increase your War Bond purchases. U. S. Treasury Department

An ensign in the submarine service during the last war, Lt. Barclay was recalled to active duty while a partner in the investment banking firm of Barclay, Moore & company, Philadelphia.

He was a member of the Union league, the University club and the Penn Athletic club.

Besides his widow he is survived by two daughters, Dana and Georgia; a son, John, and his parents, Mr. and Mrs. William K. Barclay of Haverford, Pa.

# With Our Service Men

First Lt. Edgar A. Miller, Jr., M.C., has been assigned to the Base hospital, Hamilton Field, San Rafael, California.

Pvt. James R. Logan is with Det. Qm. Corps, K-9, Ft. Robinson, Nebraska.

Pvt. Ralph E. Stahley now receives his mail in care of the postmaster at Los Angeles, California.

Pvt. Burnell Myers has been transferred from Thomasville Air Field, Georgia, to Co. C, 55th Sig. A. W. Bn., 3rd Platoon, Drew Field, Tampa, Florida.

Jay McLaughlin, Camp Howze, Texas, was promoted to corporal on September 3.

Pvt. Harrison M. Dickson is with Co. F, 1310 SU, STAR, V. P. L. Blacksburg, Virginia.

Pvt. Charles R. Bennett has been transferred from Camp Atterbury, Indiana, to Camp Breckenridge, Kentucky.

Pvt. Melvin C. Herring is now with the Dept. Medical Det., Station Hospital, Ft. McClellan, Alabama. Christian E. Miller has been promoted to corporal technician at Daniel Field, Augusta, Georgia.

Melvin Showers and Robert Dinkinson, seamen second class, now receive their mail in care of the fleet post office at New York city.

Lt. William W. Kane has been assigned to Co. A, 30th Bn., 6th Regt., IRTF, Ft. McClellan, Alabama.

Pfc. Merle S. Shafer is with Co. H, 54th Arm'd Inf. Regt., APO 260, Camp Gordon, Georgia.

A-S John W. Shoop is now with Co. 1319, U.S.N.T.S., Camp Porter, Great Lakes, Illinois.

PTC Charles R. Oyler has been enrolled in a special course of instruction at the Signal Corps school, Camp Murphy, Florida.

Cpl. Donald R. Benner has been transferred from Lakeland, Florida, to the 1067th Q.M. Co., 57th Service Gp., APBR, Avon Park, Florida.

A-C Harvey W. Dickert is with Class 43-J, Cadet Detachment, Yuma Army Air Field, Yuma Arizona.

Cpl. Robert Hankey now receives his mail in care of the postmaster at New York city.

D-S Paul E. Sanders is with the 23rd CTD, (ao) Section 33, University of Buffalo, Buffalo 14, New York.

Fred Trimmer, seaman second class is at Pier 92, West 52nd street, New York city.

T-5 LaVerne E. Starnes is now with the 542nd Ord. H.M. Co. (P.A.), APO 304, c-o postmaster at Bend, Oregon.

Pfc. Charles R. Baker has been transferred to Co. B, 109th Infantry, APO 28, Camp Pickett, Virginia.

Pvt. George L. Hale now receives his mail in care of the postmaster at Shreveport, Louisiana.

Sgt. Donald J. Culp has been transferred from Camp Forrest, Tennessee, to Co. K, 318th Infantry, APO 80, Camp Phillips, Kansas.

Sgt. Charles C. Haner is now with the 359th Bombardment Group, 590th Bomb Squadron, Ephrata, Washington.

Cpl. Robert C. Griffith is now with H.Q. Co. 4, Armored Corps, APO 354, care of postmaster, Nashville, Tennessee.

T-5 Philip T. Beam is with Hq. and Service Co., 613th Armament Maintenance Bn., Ft. Ord, California.

Vfkcs. dolJaro

Cpl. Albert L. Rose has been transferred from Nashville, Tennessee, to Co. C, 214th QM Gas Supply Bn., Camp Forrest, Tennessee.

Paul V. Kuhn is with Co. 980-43.

# PUBLIC SALE OF VALUABLE REAL ESTATE AND PERSONAL PROPERTY

SATURDAY, SEPTEMBER 18, 1943

The undersigned, executor of the last will and testament of Arthur Mickley, late of Orrtanna, Adams County, Pennsylvania, will offer at public sale at the residence of the late Arthur Mickley, situate in Orrtanna, the following described tract of real estate:

A tract of mountain land situate in Franklin Township, Adams County, Pennsylvania, consisting of 23 acres of valuable timber.

At the same time and place the following valuable personal property will be offered for sale:

Chest, gun cabinet, model 90 Winchester 22 rifle, 38 Winchester rifle, single barrel shot gun, double barrel shot gun, large revolver with holster, collection of rifle shells, reloading tools, chest of Civil War relics, a large collection of Indian arrow heads, suit case, old army musket, old time rifle, 2 old shot guns, carbines, 2 old sabres, 5 grain cycles, 75 millimeter shell, saddle holster, lot of books, lot of arrow heads, 2 book cases, case of tools, tool case, and 1931 Ford Coupe.

Sale will commence promptly at one o'clock P. M., Eastern War Time, when terms and conditions of sale will be made known by

THE GETTYSBURG NATIONAL BANK, Executor of the last will and testament of Arthur Mickley, deceased.

# TWA Petitions To Expand Service

New York, Sept. 16 (AP)—Transcontinental and Western Air Inc., announced Wednesday that an application had been filed with the Civil Aeronautics board in Washington for permission to expand its air service to include 95 additional cities.

Approval of the application would bring TWA's aerial service to 123 cities instead of the present 28 and would place most towns of 5,000 or more population along its route east of Kansas City within 25 miles of an air line stop, the company said.

Jack Frye, TWA president, said

"The undersigned, having sold his farm, will sell at Public Sale on the above date his Entire Stock and Farming equipment, on his farm situated in Mt. Pleasant Twp., between Salem Church and Bonneauville.

The following: Five mules; 3 horses, all leaders and good workers; 27 head of cattle, mostly Guernsey; 13 milk cows; 12 heifers; 2 bulls; 5 brood sows with pigs by side; 8 small shoats, Hampshire breed.

Machinery: McCormick grain binder; Deering corn binder; 2 McCormick mowers; 2 drills, Empire and other Farmers' Favorite hoe; I. H. C. corn planter; hay 1 oader; side delivery rake; dump rake; 3 farm wagons; Blizard ensilage cutter M. 21; 2 hay carriages; 2 disk; cultipacker, 10 ft.; 2 spring harrows; pin harrow; manure spreader; roller; hammer mill; Chevrolet motor on truck; 5 furrow p lows; corn sheller; ground scoop; wind mill; single, double and triple trees; chains of all kinds; anvil; forge; drill press; shovels and forks, and etc.

Harness of a ll kinds; milk cooler; 4 new milk cans; buckets and strainer.

Some household goods. Other articles not here mentioned. Sale to begin at 12 o'clock noon, when conditions will be made known by

A. S. WHISTLER

Terms cash.

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times

## TWENTY YEARS AGO

Distinguished Visitors in Gettysburg on Sunday: Gettysburg was host over the week-end to a number of distinguished visitors including Henry Ford, prominent automobile manufacturer of Detroit, Michigan; General John J. Pershing, of Washington; and Major General Hanson E. Ely, commandant of the War college, at Washington.

In an effort to avoid publicity, Mr. Ford signed his name on the Eagle Hotel register as "A. Henry," but John Slaybaugh, who guided the party over the Battlefield Sunday morning, was introduced to the Detroit automobile wizard under his right name.

General Pershing with his son, and another couple, arrived in town from Pittsburgh. Frank Slonaker acted as guide for the party over the Battlefield.

Parochial School Opens With 202 Pupils: With 202 pupils in attendance, Catholic schools of Gettysburg opened their session for the year with Mass at St. Francis Xavier church at 8 o'clock Monday morning, celebrated by the Rev. Father Mark E. Stock. Sister Angela, Superior, is principal of the school. Sister Rita was added to the teaching staff.

Accepts New Position: George Naugle, of Gettysburg, formerly employed as salesman of The Quality Shop, Baltimore street, has accepted a similar position with G. W. Weaver and Son.

To Hold Reception for New President: Dr. and Mrs. Edward S. Breidenbaugh, Carlisle street, have issued cards to the local trustees and faculty of Gettysburg college for a reception to be held at their home Thursday afternoon for Dr. Henry W. A. Hanson, newly elected president of Gettysburg college. Dr. Breidenbaugh is head of the chemistry department at college.

Three Couples Get Marriage Licenses Monday: Miss Ethel Beatrice Taylor, daughter of Mr. and Mrs. H. A. Taylor, Aspers, and William E. Hikes, son of Mr. Emma Hikes, also of Aspers, secured a license from Mr. Hartman and later were married by the Rev. Mr. Hummelbaugh at the parsonage of the Gettysburg United Brethren church.

Licenses were issued to Lester Miller Jacobs, son of Mrs. Viola I. Jacobs, and Miss Bertha May Hoke, daughter of Mr. and Mrs. L. C. Hoke, all of Hanover, and to Ray David Ginter, son of Mr. and Mrs. Charles Ginter, Mr. Pleasant township, and Miss Dorothy Catherine Rutters, daughter of Mr. and Mrs. William Rutters, Oxford township.

Gets Road Job: J. William Ken-delhart, Jr., West Middle street, has accepted a position as assistant inspector with the Pennsylvania State Highway Department. He is working out of Hanover, under J. Robert Fleming, chief inspector.

Purchases Property: Clarence Cromer, Water street, on Wednesday purchased the property of Mrs. Alice Zeider, Carlisle street. Mr. Cromer began moving into his new home on Thursday.

Law Student Weds Miss M. V. Eberhart: At a quiet ceremony performed at 9:15 o'clock Friday morning at the Fairfield Lutheran church, by the Rev. Ralph Baker, pastor, Miss Mable Virginia Eberhart, York street, and Lester Grant Rarig, of Catawissa, were married. The bridegroom is a student at a law school in Philadelphia, where they expect to make their home.

Mr. and Mrs. Rarig are spending a honeymoon at Pen Mar.

Gas Company Promises Better Service: An assurance that work of improving the plant and the entire system of the Gettysburg Gas company is being carried on and will continue with the greatest speed possible, that the improvements just completed and added equipment at the plant will give the consumer a far better quality of gas at a more consistent pressure, and that every effort is being made to effect a price reduction by the beginning of next year is the gist of the understanding reached between directors of the Chamber of Commerce and the Gettysburg Gas company, through William D. Himes, New Oxford, president, and H. Harold Miller, general manager, who met with the Commerce directorate at their regular meeting Friday evening in the parlor of the Hotel Gettysburg.

Personal: Mrs. Sadie Hoffman and Mrs. Lillie Stover spent Sunday with Miss Loretta Smick, York Springs.

Miss Corynne Tyson, of Florida Dale has returned to her home, after spending several months in California, where she was engaged in land reclamation work.

Mr. and Mrs. Charles H. Smith, Broadway, and Mr. and Mrs. Borden of Pittsburgh, have returned from a motor trip to Boston, Massachusetts.

Mr. and Mrs. H. E. Bumbaugh and daughter, Grace, have returned home after spending several weeks in Atlantic City and Philadelphia. Glenn Bream has gone to Sunbury.

RUBBER PLANT,  
REICH CAPITAL  
BOMBED BY RAF

London, Sept. 16 (AP)—A heavy force of RAF bombers attacked a rubber factory at Montlucon only 43 miles northwest of Vichy in enemy-occupied France last night while other bombers hit targets in Berlin and northwest Germany, the air ministry announced today.

The Vichy radio said the town of Chartres also was attacked, but the British announcement made no mention of this.

Last night's raid, first since the September 6 attack on Munich, followed by a few hours the first after-dusk assault by a combined force of American Flying Fortresses, Liberators and Marauders which raised the Paris area. Here the Hispania-Guiza and Caudron-Renault aircraft plants and a ball bearing works were the main targets.

London Pounded  
At the same time German air raiders subjected suburban London to one of its severest bombings in months.

The raid on Paris marked the first time that Fortresses, Liberators and Marauders had joined in the same operation in the European war theatre and the first time they had gone out and come home after dusk. Brig. Gen. Frederick L. Anderson, commander of the U. S. Eighth Air Force Bomber Command, pronounced the experiment a success and presaging the possibility that they would soon team up with the RAF in bombing Europe by night.

Last night's operations cost the RAF eight bombers and two fighters, the air ministry said. One enemy plane was shot down.

While other night bombers were attacking Berlin and northwest Germany, RAF fighter squadrons attacked enemy air fields and transport targets in intruder operations over France.

Mosquito Bombers  
There was no indication that the Berlin raid, apparently carried out by light Mosquito bombers, was anything like the saturation attacks with loads of 1,000 tons of explosives, the last of which was made against the German capital September 4.

The burst of widespread activity in the past 24 hours ended a lull in the extensive Allied air activities against western Europe which followed the climax of an eight-day non-stop offensive against the continent a week ago.

20 Nazis Downed  
These bombing forays were supported by swarms of Allied fighters, including American P-47 Thunderbolts, and a U. S. communiqué said 16 enemy planes were shot down as the Nazis tried unsuccessfully to beat off the raiders.

Allied losses yesterday were listed officially as six heavy bombers and three fighters.

Four German planes also were reported shot down last night—three over Britain and another over northern France.

Some casualties were caused in the greater London area by the German overnight raids, but the only bomb which fell in the city proper dropped in a football field which now is used as a community garden. Actually the number of planes which participated in the Nazi assault was comparatively small and heavy gunfire kept them away from the heart of London.

FBI ARRESTS  
GERMAN SPY

Washington, Sept. 16 (AP)—Director J. Edgar Hoover of the Federal Bureau of Investigation, announced Wednesday the arrest in Newark, New Jersey, of John Da Silva Purvis, 43, on charges that he acted as a spy for Germany.

Hoover said Purvis transmitted information to his "principals" in Europe, and on two occasions received cash payments for his services.

Purvis, a Portuguese citizen, allegedly began his espionage activities early in 1942 when he was contacted by a crew member of a neutral vessel who had been recruited by the German Intelligence service.

Purvis was contacted by at least two couriers and one of them saw him on two occasions, Hoover said.

One of the representatives of the German espionage system brought to the United States a personal letter addressed to Purvis containing certain identifying code words. He also brought a list of 16 specific assignments to be covered by Purvis.

The assignments, according to Hoover, included information on warship construction, damage at Pearl Harbor, losses in sea action, convoy information, information on American bases in Central and South America and on the African coast, including mine fields.

where he has accepted a position with the State Highway department.

Mr. and Mrs. William G. Weaver moved Monday into their new home on the corner of Broadway and Carlisle street.

Rex Gilbert and Robert Deardorff have returned to their homes here after spending two months at Midway Park, Lake Chautauque, as members of the Gettysburg College Serenaders.

## Flashes Of Life

## PAY-OFF

New York, (AP)—The Atlantic Charter's four freedoms already have paid off as far as 89 employees of the Bank of China in Wall Street are concerned.

Regional War Labor Board chairman, Theodore W. Kheel said that the workers merited pay raises because of superior skills, but WLB rules did not cover the increases.

The board pondered, related Kheel, then a member said, "I know, let's give it to them on the basis of the four freedoms."

The vote was unanimous.

## ENGLISH LESSON

Kansas City, (AP) — A TWA plane heard a strange radio call one day in mid-Atlantic, relates Otis Frank Bryan, vice-president of Transcontinental &amp; Western Air, Inc.

"A clear voice in English advised our radio operator he was using the wrong code of the day," Bryan said.

"And we were using the wrong code."

The voice was that of a German submarine commander, he added.

## THE VETERAN

Wichita, Kas., (AP)—Frank L. Roe is being sought here by postal officials; in fact, they've been looking for him ever since the last war.

They want to give Roe his Army discharge papers issued at Camp Funston, December 24, 1918.

## BLONDES NOT PREFERRED

Papeete, Tahiti, (AP) — Because Polynesians thought the first white visitor had a disease—since they were not dark skinned—they termed them Ta'tata pupure, meaning leprous man.

For the same reason a blonde today is called vahine pupure, literally leprous woman.

Millionth Visitor  
At Movie Canteen

Hollywood, Sept. 16 (AP)—The stars were shining bright when 1st Sgt. Carl E. W. Bell of Rising Star, Tex., ventured into the Hollywood canteen.

Marlene Dietrich, Deanna Durbin and Lana Turner met him at the door and formed a guard of honor. Two name bands blared a welcome and Eddie Cantor was master of ceremonies for a show presented by Germinio Simms, Red Skelton, Lena Horne, and many others.

He got a kiss from Miss Dietrich, too!

For Sgt. Bell, invalided home from New Guinea, was the millionth service man to visit screenland's famed retreat for members of the armed services since it opened last Oct. 3, its sponsors said.

## STABBED TO DEATH

Pittsburgh, Sept. 16 (AP)—John Gummings, 30, stabbed in the back with an ice pick while riding a streetcar, died later last night in Mercy hospital. Passengers said a woman, about 25, followed Gummings into the car and sank the pick in his back. Police were seeking her today.

Ravens annually return to the same nesting place.

## PUBLIC SALE

## HOUSEHOLD GOODS

Saturday, September 18, at 1 o'clock

WILLIAM TAWNEY  
Victor Palmer, Auctioneer  
George March, ClerkALLIES WEAR  
JAP UNIFORMS  
IN SALAMAUA

(The first eyewitness story out of Salamaua, the New Guinea Japanese base which Australian units captured last Sunday, came today from Vern Haugland, 35-year old Associated Press war correspondent. Haugland went to Australia in January, 1942, with one of the first convoys of U. S. troops. He was lost 43 days in the wilds of New Guinea that fall after bailing out of a plane, and General Douglas MacArthur personally awarded him the Silver Star for "courage and perseverance.")

## By VERN HAUGLAND

With Allied Forces at Salamaua, New Guinea, Sept. 14 (Delayed)—(AP)—With Japanese troops fleeing swiftly before them, Australian and American soldiers staged a footrace for Salamaua—and the Aussies apparently won by a nose.

First sizeable units of both forces entered the ruined, deserted town early Sunday, Sept. 12, but the Australians claimed they had put a patrol in late the night before which spent the night on Salamaua isthmus.

The Japanese apparently left hastily but in fairly good order. They left weapons and large stores of clothing and supplies in good condition.

## Wear Jap Uniforms

Correspondents engrossed with the late action 18 miles northwest were caught by surprise by the amazingly quick Japanese collapse. We arrived today by slow boat from Buna, scene of another bloody fight with the enemy earlier in the war.

We found this a shattered place with only two or three shacks still standing, and they were badly ridden. But already a bulldozer was fashioning a road between giant shell craters along the isthmus and a little jeep came rattling along to take us to headquarters.

Hundreds of Australians and Americans were swimming or walking along the isthmus, souvenir hunting. Many Americans of the 162nd Regiment, 41st Division, who had fought their way across the mountains from Nassau Bay and Tambu Bay and whose uniforms were in tatters, quickly changed to

The United Telephone Company of Pennsylvania

GIRLS for WORK VITAL to the WAR EFFORT

With The United Telephone Company

THE ARMED FORCES, war industries, and civilian defense units keep telephone wires humming these days. To handle this flood of calls, your telephone company needs more operators—and needs them now. Here is your chance to make a real contribution to the war effort—and at the same time get a job with pleasant working conditions. You will join a corps of selected girls who have dedicated their best efforts to providing swift and accurate service in these critical times.

CAN YOU QUALIFY? To maintain the high standard of telephone service requires girls, married or single, who have good eyesight, hearing, and voice. You should be right-handed, be in good physical condition and be a citizen. No previous experience is necessary.

HOW TO APPLY. If you have wondered "what you can do to help" . . . if you are interested in this opportunity for useful and agreeable work, simply call the Chief Operator, Gettysburg. She will be glad to tell you more about this interesting work and arrange an interview. Workers now engaged in essential activities will not be considered.

Mrs. Clark Wears  
Good Luck Ring

Pittsburgh, Sept. 16 (AP)—Mrs. Mark Wayne Clark, wife of the commander of the American Fifth Army battling the Nazis in Italy, is wearing a good luck ring.

It was the gift of William N. Robson, registrar in the City Deeds registry. Mrs. Clark said:

"It is a great comfort to have this ring, which I slipped on my finger with a fervent prayer."

Mrs. Clark was here in connection with the Third War Loan Bond campaign.

Release Pitboy  
In Strike Case

Nottingham, England, Sept. 16 (AP)—Sidney Page, the 18-year-old pitboy whose imprisonment caused 15,000 coal miners to strike, was released today, but a miner's superstition against beginning work on Friday threatened to prolong the walkout at least another day.

The Page, who was sentenced to a month's imprisonment a week ago when he refused to obey a labor ministry order to work underground, was freed after he had changed his mind. It was announced.

His release came too late for the strikers to return today.

Japanese naval uniforms of white cotton found in great numbers in undamaged warehouses here. What's more, the Japanese clothing was new and perfectly laundered and pressed.

## PUBLIC SALE

SATURDAY, SEPTEMBER 18th

The undersigned will offer for sale at his farm located at Mumsburg, five miles north of Gettysburg on Hard road the following:

## 12 Horses and Mules:

Terms, day of sale. Sale to start at 1:00 P. M. sharp.

O. M. DEARDORFF AND SON.

CRITICAL MILK  
PROBLEM LAID  
BEFORE SENATE

Washington, Sept. 16 (AP)—War Food Administrator Marvin Jones will lay before the Senate Banking committee Friday a critical milk production problem which, if unsolved, might lead to consumer rationing of fluid milk this winter and to higher ration values on butter, cheese and canned milk.

The food chief will suggest, aides said, the possible use of government subsidies during the winter season, when production costs generally advance.

Dairy experts of the War Food administration estimated such subsidies might run between \$140,000,000 and \$160,000,000.

Many areas, particularly urban districts, already are running into milk shortages—a fact which last week led the WFA to inaugurate a program for limiting sales of fluid milk through a system of dealer quotas.

## Two Types of Subsidies

Dairy authorities said the present ceiling prices on milk and dairy

products are insufficient to cover winter feed and other production costs. Inasmuch as President Roosevelt has issued orders that the line be held on food prices, an increase in ceilings appears to be out of the question.

Subsidies might be in one of two forms, or a combination of the two. They might be paid to dealers to enable them to pay dairymen larger prices without increasing consumer prices. Or the subsidies might be made in the form of reduced feed prices. The government would buy the feed at market prices and sell to dairymen at a reduced price.

Often Bring  
Sleepless Nights

Doctors say your kidneys can do 15 miles of tiny tubes or filters which help to purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up at night. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder. Don't neglect this condition and lose valuable, restful sleep. When disorder of kidney function permits poisonous matter to remain in your blood, it may also cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, swelling, puffiness under the eyes, headache and dizziness. Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

## PUBLIC SALE

Valuable Real Estate and  
Personal Property

SATURDAY, OCT. 9, 1943, 1:30 P. M.

Pursuant to an order of the Orphans Court of Adams County, Pennsylvania, Clair R. Grim, administrator c.t.a., of the estate of William M. Lower, deceased, late of Butler Township, Adams County, Pennsylvania, will offer at public sale on Saturday, October 9, 1943, at 1:30 P. M., at the home property of the late William M. Lower, located along the Biglerville-Table Rock State Highway, in Butler Township, the following real estate and personal property.

REAL ESTATE  
Situate in Butler Township, Adams County, Pennsylvania.

## Tract # 1—Farm:

Farm of 32½ Acres, more or less, along the Biglerville-Table Rock improved State Highway, adjoining lands formerly of Dittenhafer, M. Keefeauver, John S. Lower and Samuel Bucher. Entire farm under cultivation and improved with a 2½-story frame house, barn, tool house, brooder house, corn crib, wagon shed and blacksmith shop. Equipped with electricity and well of water. This is a very productive farm, ideally located and suitable for a poultry farm.

This farm was the home of the late William M. Lower.

## Tract # 2—Woodland:

Tract of woodland containing 3 Acres and 31 Perches, more or less, adjoining lands of George Beamer, Arthur Ebert and Frank Eckert, together with right of way to the Biglerville-Table Rock State Highway.

This tract contains growing timber and timber ready to cut.

## PERSONAL PROPERTY

RADIO; oil cans; stove; table; chest; stand; glassware, jars and crocks; canned goods; OLD CLOCK; ALARM CLOCK; chairs; rockers; cradle; beds; dishes; grinder; lawn mower; 3 H. P. DOMESTIC ENGINE; wood saw; belt shafting; feed and bone grinders; grind stone; 6 H. P. DOMESTIC ENGINE; miscellaneous tools; corn sheller; wagon; wheelbarrow; garden tools; plow; cross cut saw; scythe; wood lathe; oats; corn and interest in growing corn, and other items.

Terms and conditions will be made known day of sale.

CLAIR R. GRIM,

Table Rock, Pa.,

Administrator c.t.a. of the estate

of William M. Lower, deceased.

Auctioneer: Slaybaugh.

Clerk: Dewey Wolf.

Keith, Bigham &amp; Markley, Attorneys.

## WANTED!

GIRLS for WORK VITAL to the WAR EFFORT

With The United Telephone Company

THE ARMED FORCES, war industries, and civilian defense units keep telephone wires humming these days. To handle this flood of calls, your telephone company needs more operators—and needs them now. Here is your chance to make a real contribution to the war effort—and at the same time get a job with pleasant working conditions. You will join a corps of selected girls who have dedicated their best efforts to providing swift and accurate service in these critical times.

CAN YOU QUALIFY? To maintain the high standard of telephone service requires girls, married or single, who have good eyesight, hearing, and voice. You should be right-handed, be in good physical condition and be a citizen. No previous experience is necessary.

HOW TO APPLY. If you have wondered "what you can do to help" . . . if you are interested in this opportunity for useful and agreeable work, simply call the Chief Operator, Gettysburg. She will be glad to tell you more about this interesting work and arrange an interview. Workers now engaged in essential activities will not be considered.

The United Telephone Company of Pennsylvania

## An Evening Thought

Men are often capable of greater things than they perform. They are sent into the world with bills of credit, and seldom draw to their full extent.—Walpole

## Just Folks

By Edgar A. Guest

QUATRAINS  
ComparisonSometimes when weary I have grown  
And tempted am from toll to flee,  
I think of boys who drift along  
Day after day on rafts at sea!

## Counsel

Remember son, 'twas never planned  
That man should woman understand.  
For if he could 'tis certain then—  
All women would behave like men.

## Mad Dog

A mad dog yowling down the street,  
Snapping at all he chanced to meet,  
This observation brought to mind:  
"The Adolf Hitler of his kind!"

## The Difficulty

We know the world can some day  
be  
A better place for you and me  
But not, to put the matter straight,  
Until men rid the world of hate.

## Today's Talk

By George Matthew Adams

## LEAVING THINGS BEHIND

The costliest of all baggage is excess baggage. Not merely in money, but in worry, care and bother. We are forever carrying too much, no matter where we go or in what we are engaged.

A business desk littered with a multitude of papers, unanswered letters, documents, and whatnot is excess baggage to the one who works at that desk. On vacations, and other trips, we always carry too much. Often it is the excess that wears us down and not the work that we do.

There is no better habit to acquire than to learn to leave things behind! Let the worries slide away. Forget about unintentional mistakes. Drop all regrets as so much excess, as well as dangerous baggage to the soul.

In youth the dream of possession is at its height. But as the years advance with us we learn the folly of holding on to things. Our wants become fewer. Serving the mind and the impulses of the heart far outlasts that of the body and its environment. The utility of vain display grows less and less. The traveler, after a long journey, the end not yet in sight keeps mulling over in his mind what he can discard and leave behind. The soldier travels with the lightest equipment possible—and discards much of that in combat.

When we go away, however, there are things that we leave behind—friends and those beloved, for example. But we take the memory of their love and good deeds all the way with us, no matter where we go. And when we leave this earth permanently the only things left behind, that remain to inspire and bless, are the deeds of kindness and generosity that gave to us the greatest blessing in life.

We can always afford to leave our troubles behind. They serve no purpose, either to us or to those with whom we may come in contact. We can leave

## OFFICIAL SAYS COAL SHORTAGE IN PITTSBURGH

Pittsburgh, Sept. 16 (AP)—Asserting that there is an acute shortage of coal for household heating in the Pittsburgh district, Howard D. Gibbs, executive secretary of the Retail Coal Merchants of western Pennsylvania, today called upon national and local officials to take prompt steps to remedy the situation.

Gibbs blamed a 20 per cent decrease in coal production and heavy shipment of coal to outside areas for the plight in which the district finds itself.

"The situation is really desperate," he declared. "Unless immediate and effective action is taken, there will be a lot of cold people in Pittsburgh and its environs this winter. The ill effect of such a shortage upon war plant production can hardly be exaggerated."

**Over-Committed**  
Gibbs has just returned from Washington where he conferred with Dr. Charles Potter, assistant deputy Solid Fuels Administrator, who will arrive here tomorrow to study the problem.

"Today," said Gibbs, "I plan to ask Mayor Cornelius Scully to set

## New Oxford

New Oxford—Andrew Martin has moved to Duquesne where he will now make his home.

The seventh and eighth grades of the local school and all of the local high school classes resumed their studies Monday morning for the 1943-44 term. The lower grades began last week, but others postponed their reopening in order to give the students a chance to continue their assistance to the harvest in which work most have spent the summer. Mrs. Thelma R. Alwine is teacher of the two highest grammar grades, succeeding Miss Florence Reitz, who now teaches in Paxtang. In the high school department, Miss Sara Elizabeth Orndorff, Littlestown, replaces Mrs. Jeanne Ream Schlosser, former home economics instructor, who is now engaged as a dietitian in the Lancaster General hospital. Prof. Robert E. Sheeds is now a teacher at the Gettysburg High school, his

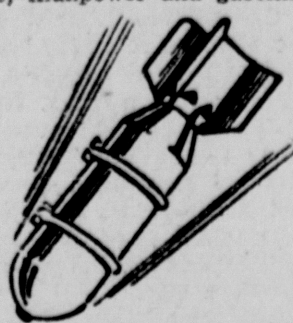

up a committee of civic leaders to help find a solution to the difficulty. "Last night I made a round of the coal yards and mines. At every one are trucks with the drivers sleeping in them, waiting for coal in the morning. I saw 40 or 50 of such trucks at one plant. But the most they get is one or two loads. The coal just isn't available. Producers have over-committed themselves on shipments to the lakes, the east and other points and have no coal for Pittsburgh."

## What You Buy With WAR BONDS

### Block Busters

We read of 2,000 ton bomb raids on German production centers and thrill to the news that another Nazi war center has been leveled. If most of us would realize the tremendous cost of these raids to the United Nations, we would increase our War Bond purchases.

The cost of the 2,000-ton raid on Dortmund in TNT alone was nearly 100 million dollars, not including planes, manpower and gasoline.

Destruction of enemy positions is necessary to defeat our enemy and bring peace to the world. Our part is to provide the material for these raids and invest in War Bonds. "Figure It Out Yourself" and Increase Your Payroll Savings.

U. S. Treasury Department

place being taken by Prof. Paul E. Comer.

Mrs. John H. Wolfe was hostess Tuesday evening to members of the Women's Missionary society of the First Lutheran church, at a regular meeting. Mrs. C. S. Sponseller was co-hostess.

Word has been received here of the recent birth of a son of Mr. and Mrs. Charles Livingston of Sandusky, Ohio. Mr. Livingston formerly made his home here. The child has been named Howard Finley.

The infant son of Mr. and Mrs. Raymond Toal, of Hanover, has been named Shannon Ray. The mother is the former Miss Nadine Kleckrode of this section.

Miss Dorothy Miller has returned home after being a surgical patient at the Hanover General hospital, and is improved after an operation for appendicitis.

Miss Ruth McDannell, teacher of the primary department of the local

## Heiress Seeking Hospital Release

Philadelphia, Sept. 16 (AP)—Cecelia Grant McCormick, Pittsburgh steel heiress, is seeking release from a Philadelphia mental hospital in which she charges she is unjustly confined.

A habeas corpus writ on her behalf, issued by President Judge James Gay Gordon of Common Pleas Court No. 2, is returnable next Wednesday, when a hearing is scheduled in the judge's chambers.

The writ was served yesterday by Dr. Earl Bond, acting superintendent of the Pennsylvania hospital's department of mental and nervous diseases.

Earlier, a Philadelphia attorney, William A. Gray, charged in court that Miss McCormick has been held a virtual prisoner at intervals for 14 years.

Gray said letters from Miss McCormick were "intelligently written"

public school, reports that the following children constitute the first grade for this year: Walter E. Baker, Jr., James M. Dysart, Norma J. Hull, Norman L. Humbert, Shirley Klinefelter, Andrew Lehman, Oren Meckley, George W. Millhines, Stanley Mummert, Ruth Anna Roland, Thomas Schriver, Robert Schriver, Boyd Sieg and George M. Spangler.

The next meeting of the local Garden club will take place in October at the home of the Misses Lillian and Margaret Otto. The club is planning to collect discarded jewelry and trinkets of small commercial value to be sent to the service men in the south Pacific who use them as a medium of exchange. The women of the club are also planning the making of more afghans to be sent to Army hospitals. Several of these articles have been sent to the hospital at Valley Forge.

Among soldiers home on furlough recently was Laurin Sheely, son of Mrs. Esther Sheely, who has now returned to his duties at Camp Edwards, Massachusetts.

Miss Kathryn Aulker, who recently moved from here to Reading, had as guests during the past week the Misses Leah and Mary Frances Smith of this place.

Mrs. W. R. Russell has returned to New Oxford after a trip to Baltimore where she participated in the retreat for lay-women recently held at Mt. St. Agnes college.

## PARTY CHIEFS HEAL WOUNDS FOR ELECTION

Harrisburg, Sept. 16 (AP)—Party leaders set out today to heal breaches resulting from primary contests with little more than six weeks remaining before rival Republican and Democratic slates will be put before voters in the Nov. 2 general election.

State Senator M. Harvey Taylor, GOP chieftain, declared "certainly

and appeared to have been penned 'by a person who is sane.'"

Formerly a popular member of Pittsburgh society, Miss McCormick, now 31, is the adopted daughter of the late John S. McCormick, head of a steel foundry business which is still operated.

factions should get together now," while David L. Lawrence, Democratic leader, asserted "we had few contests" and indicated he expected a minimum of adjustments would be necessary.

Scattered local contests for control of party organizations enlivened the primary somewhat but the vote sagged far below normal. Party heads blamed war and the industrial boom and said there was little prospect of arousing more interest in the November balloting.

### Allegheny Tiffs

One of the most spirited contests occurred in Allegheny county where leaders of rival Republican factions emerged winners. Sheriff Robert J. Corbett, head of the self-styled "real" Republicans, captured nomination as county commissioner—as did his rival, John S. Herron, top man in the "regular" Republican group and an incumbent commissioner.

Twenty-seven Pennsylvania cities will elect mayors in November and in the primary 17 incumbents won renomination, 11 of them without opposition. The Philadelphia

majority race is expected to wax hottest with Acting Mayor Bernard Samuel the Republican standard bearer and William C. Bullitt, former ambassador, the Democratic candidate.

### Radio Acceptances

Samuel is to accept the nomination formally in a radio address at Philadelphia tonight (WCAU-KYW-6:15) while Bullitt is scheduled to broadcast his acceptance tomorrow night (WCAU-KYW-6:15).

Local option referendum in 74 communities Tuesday saw seven transfer from wet to dry on beer and liquor sales.

No completely dry community voted for liquor and only two approved sale of beer. Forty-one wet places voted to authorize beer sales while 16 others decided in the negative. Thirty-six wet communities said yes on liquor and 17 no.

Twenty-six sitting judges won renomination on both Republican and Democratic tickets. Eighteen were nominated by one party only.

In Lehigh county, President Judge Richard W. Iobst of the Common Pleas court was defeated for Demo-

## \$60,000,000 Tax Returns Expected

Pittsburgh, Sept. 16 (AP)—Collector of Internal Revenue Stanley Granger estimated today that by the time his army of clerks wade through the mail they'll get in the next few days, \$60,000,000 will have been paid Uncle Sam during the third quarter of 1943 for income taxes in this district.

Granger said cash deposited in the last two days totaled \$15,000,000, that he has another \$20,000,000 to deposit plus \$10,000,000 due from corporations, and that he expects to find \$15,000,000 to \$20,000,000 in unopened and as-yet-unreceived mail.

Phenol is needed for the production of sulphur drugs.

cratic nomination by District Attorney Joseph E. Gehringer. In Lycoming county, District Attorney Charles Scott Williams won the Republican nomination over Judge Spencer W. Hill.

**RADIO PROGRAMS**

New York, Sept. 16 (AP)—After a change or two, the opening broadcast football schedule on the networks has settled down to two games on three chains for Saturday afternoon. Starting time in each case is 2:45.

Both the Blue and CBS will carry the Camp Grant vs. Michigan contest at Rockford, Illinois, with NBC describing Great Lakes vs. Purdue at Great Lakes, Illinois.

Further in cooperation with the Treasury Department in pushing the Third War Loan drive, the four coast to coast networks are to turn their attention on different days within the next week or so.

In each case from network opening until closing time both regular programs and specially added features will stress the purchase of bonds. Various outstanding personalities will be asked to cooperate.

The cavalcade starts on MBS Saturday, running from 10 a. m. to midnight. It will be continued on Sunday by the Blu, on Tuesday by CBS and be concluded on September 26 by NBC.

**NEW REVENUE BILL TANGLE STIRS CHIEFS**

By FRANCIS M. LE MAY  
Washington, Sept. 16 (AP)—A big question mark hovered over the search for new billions of wartime revenue today as the House Ways and Means Committee postponed indefinitely the opening of hearings on the 1944 general tax measure.

However, Chairman Doughton (D-N.C.) said he still had hopes the measure, which no doubt would embrace new and higher levels, could be enacted by January 1.

The hearings had been set tentatively to begin next Monday, but it was understood neither the treasury nor the Congressional tax staff, recently at loggerheads and apparently unable to work together was ready to present a program.

No Proposals

This situation brought a sharp statement from the Republican side of the Ways and Means committee, by Rep. Reed of New York, who said "No concrete proposals have yet been made, due largely to the President's inability to reconcile conflicting viewpoints within his administration," although the President "as long ago as last January requested a \$16,000,000,000 increase in revenues."

Reed said he favored committee consideration of tax legislation without waiting for the administration's proposals. Mr. Roosevelt told a press conference Tuesday that it might be some time before the treasury is ready to present its recommendations for new levies.

Doughton indicated the committee would not wait long saying "of course we want their views, but if they don't make tax decisions down town, that won't keep us from making decisions up here."

"We must have a new tax bill by January 1," he said, "if we have to work nights to get it."

**NEW REVENUE BILL TANGLE STIRS CHIEFS**

By FRANCIS M. LE MAY  
Washington, Sept. 16 (AP)—A big question mark hovered over the search for new billions of wartime revenue today as the House Ways and Means Committee postponed indefinitely the opening of hearings on the 1944 general tax measure.

However, Chairman Doughton (D-N.C.) said he still had hopes the measure, which no doubt would embrace new and higher levels, could be enacted by January 1.

The hearings had been set tentatively to begin next Monday, but it was understood neither the treasury nor the Congressional tax staff, recently at loggerheads and apparently unable to work together was ready to present a program.

No Proposals

This situation brought a sharp statement from the Republican side of the Ways and Means committee, by Rep. Reed of New York, who said "No concrete proposals have yet been made, due largely to the President's inability to reconcile conflicting viewpoints within his administration," although the President "as long ago as last January requested a \$16,000,000,000 increase in revenues."

Reed said he favored committee consideration of tax legislation without waiting for the administration's proposals. Mr. Roosevelt told a press conference Tuesday that it might be some time before the treasury is ready to present its recommendations for new levies.

Doughton indicated the committee would not wait long saying "of course we want their views, but if they don't make tax decisions down town, that won't keep us from making decisions up here."

"We must have a new tax bill by January 1," he said, "if we have to work nights to get it."

**Episcopal Bishop Coadjutor Ordained**

Harrisburg, Sept. 16 (AP) — A colorful procession through the streets and impressive ceremonies in St. Stephen's Episcopal cathedral marked the ordination and consecration yesterday of the Very Rev. John Thomas Helstand as bishop coadjutor of the Harrisburg Episcopal diocese.

The consecrator was the Right Rev. Henry St. George Tucker, presiding bishop of the Protestant Episcopal church in the United States and bishop of Virginia. The new bishop coadjutor, former dean at St. Stephen's, was named following the resignation of Bishop Hunter Wyatt-Brown of the Harrisburg diocese, who gave up his duties because of illness.

**PUBLIC SALE**  
SATURDAY, SEPTEMBER 18, 1943

The undersigned, having sold his farm, will offer at Public Sale on the premises located one-quarter mile south of the York Springs and Idaville road along the Oxford road the following

**Allentown To Make New Torpedo Plane**

Stratford, Conn., Sept. 16 (AP)—The Sea Wolf, a new torpedo plane described recently by the Navy as a valuable addition to its striking force against Japan, is to be manufactured in quantity by the Consolidated-Vultee Aircraft Corporation at Allentown, Pa.

The announcement was made by Chance Vought Aircraft Division of United Aircraft Corporation, which developed the Sea Wolf's and the Navy's famous Vought F4U-1 Corsair shipboard fighter, now in use in the South Pacific.

**Yankee Sailor Weds Blonde From Iceland**

Philadelphia, Sept. 16 (AP)—Miss Gudrun Bodvardsdottir and First Class Boatsteward's Mate George F. Kane, who met 16 months ago at a servicemen's dance in Reykjavik, Iceland, were married last night.

The blonde, beaming bride said her trip to Philadelphia, by a route undisclosed for military reasons, was the first time she had left Iceland.

Because she is under 21, she needed a guardian's permission to be married, and Judge Adrian Bonnelly of the municipal court undertook the role.

Mrs. Kane said she hoped to get a war plant job when her husband's 30-day leave, his first in two-and-a-half years, expires.

**HERMAN SETS RECORD**

Boston, Sept. 16 (AP)—Billy Herman of the Brooklyn Dodgers established some sort of a record when he reached first base on each of his five trips to the plate in the regularly scheduled contest with the Braves but was thrown out at third twice, at home once and at second the fifth time.

# Allies Occupy Two Island Outposts To Balkans Near Turkish Mainland

## NEW BASES ARE ABOVE CRETE, HELD BY NAZIS

London, Sept. 16 (AP)—Allied occupation of two island outposts to the Balkans, in a move strikingly similar to operations which preceded the invasion of Italy, was reported in dispatches from Ankara today.

One account said that the Greek island of Samos and the Dodecanese island of Lero, off the Turkish coast and about 150 miles north of German-held Crete, were occupied three days ago—the day before Great Britain's Ninth Army was reported to have embarked from its Middle East bases 400 miles across the Mediterranean in Syria and Transjordan.

Used By Italians  
Lero, 30 miles from the Turkish mainland, has a valuable seaplane base and also was used by the Italians as a base for light naval craft. Samos is a much larger Greek island, 40 miles further north, with two of the best airbases in the Aegean sea. Both islands are north of the Italian island of Rhodes.

There was no indication in the Ankara dispatches as to what type of forces were used in the reported occupation operations, but a Stockholm dispatch yesterday said the British Ninth Army, headed by Lt. Gen. W. H. Holmes, had sailed from its Middle East bases after two years of intensive training.

Mystery as to the exact whereabouts of the Ninth Army, coupled with reports of successes by Yugoslav guerrillas who are in touch with the Allied command, suggested a possible Allied invasion of the Balkans was shaping up.

Strengthen Salonika  
Tending to strengthen reports of intensified activity in the Balkans theater was the Cairo report that Maj. Gen. Lewis H. Brereton, commander of all U. S. forces in the Middle East, had been transferred to an important new assignment, and it was suggested that he might now be with the Ninth Army.

German reinforcements, meanwhile, were reportedly being rushed to the Nish-Vardar line in the Balkans with the evident intention of strengthening the strategic base of Salonika, Grecian gateway to the Vardar valley.

### Property Transfers

Joseph M. Rickrode, Hanover, sold to William H. and Irene L. Wagner, Hanover, a property in Conewago township.

Carroll C. and Lida E. Carbaugh, sold to Harry P. and A. Romaine Geiselman, all of Biglerville, a property on West York street in Biglerville.

H. L. Snyder and H. Marshall Stonaker, attorneys-in-fact for certain children of William H. McClell, and the trustees of the Citizens' Trust company sold to Clain C. McClell, Hamiltonban township, a five-acre property in Hamiltonban township.

George W. Gorden and Nannie Gorden, Reading township, sold to William P. Scott, Champ, Maryland, a property in Reading township.

The same property has been sold by Scott to W. J. and Ellen V. McClell, Reading township.

Maclej Koc, also known as Max Kurtz sold to Florence Robertson, 19 acres in Cumberland township, near the Emmitsburg road.

Hubert B. and Ruth Humes Flaherty, New Oxford, and others sold to Hartranft and Lillian B. Stockham, Reading township, a property in that township.

Howard H. and Clara E. Treiber, Reading township, sold to Melvin M. and Susanna M. Sharrer, Tyrone township, a lot in Hampton.

## Letters To The Editor

Dear Sir:

I want to take this opportunity to express my sincere thanks and appreciation to the members of your staff for sending me the "Times."

Several days I met Captain Joe Riley of Gettysburg. It was our second meeting since my arrival at this camp in February, 1943. Captain Riley recognized me before I was able to recognize him as on our first meeting he was then Lieutenant Riley. We had a nice chat together and we talked mostly about the boys from home that we knew and that are now in the service. I think that Captain Riley and I are the only Gettysburgians stationed at this camp.

I have been in the army over a year now, and since February have been with the Military Police and I find my work very interesting at times. I was recently promoted to Sergeant (T-4th Gr) and made chief clerk for my company. Last week both of my brothers went into the Navy so I know the war can't last much longer now!

Last week Joe Louis fought here and also Sugar "Ray" Robinson, so you see they keep us well entertained. Several days before Louis was here General Davis, the highest ranking negro officer in the army, made an inspection of both colored and white units stationed on this post. New York is a nice place, but there is no place large or small that beats Gettysburg.

I am always glad to receive the "Times" because it keeps me informed of where my other buddies are and what they are doing. I know that all the boys both here in the states or across seas appreciate reading about each other. Again I say thanks to you and to the members of your staff.

Sincerely,  
Sgt. Joseph Penn Wansel  
Detachment, CMP No. 2  
Camp Shanks, New York.

"Somewhere in Tennessee"  
Friday evening,  
Sept. 10, 1943

Dear Sirs:  
Am writing you mainly to change the address of the Times which is really swell to get when one is so far away from home and wants to know the news back home.

We have just been off maneuvers a few days and we now feel like real soldiers after taking eight weeks of this type of life.

Our entire battalion is made up of Pennsylvania boys and they have proven they can really take it for we got an excellent rating on maneuvers and were the best gasoline outfit ever to go on maneuvers down here.

Our outfit will only be here temporarily. Thanks for everything and am patiently waiting for my next issue of the Times.

Yours truly,  
Pvt. Justin Houck,  
Co. D, 214th Q.M. (G.S.) Bn  
Camp Forrest, Tennessee

Dear Sir:

I wish to thank you for sending me the "Service Edition" of the Times. Since I have been in the Service I have enjoyed every issue.

Being away from home, everyone enjoys immensely news from home. It helps so much in Army life.

Had I not been so very busy, I would have written sooner.

Mississippi is very hot—too hot. Nevertheless I have adjusted myself to the climate. Of course, there is no state like the home state—Pennsylvania.

As a truck driver, I have lots of fun. And next to mother's cooking there is nothing like Army mess.

Well, the bugler has sounded the call for chow. And so I must conclude.

Again, many thanks for the edi-

tions. I look for them with great eagerness and devour each issue with avidity.

Gratefully yours,  
PFC RAYMOND WILLIAMS,  
Camp Van Dorn, Mississippi

Dear Sir:

I am not much of a writer but I do want you to know how much I have appreciated you sending me the service men's papers. It is a real treat to read the home town news when I am away from home and don't meet anyone from, or near home town. I not only can keep tabs on the home news, but I can find out where my old schoolmates are located that are in the service.

The Carlton hotel in Miami Beach, Florida, will be my home for the next month. It is a comparatively small hotel, three stories high. My squadron happens to be on the top floor.

The food situation here is swell although milk is rather scarce due to transportation problems. The mess halls are very clean and the food is well prepared.

During the present time it is pretty hot here. Even though we go swimming every day, we can't keep cool. Our hotel sergeant informed us that we will be here during the hottest part of the year.

Lights will be going out soon because of blackout regulations, so I must close.

Once again many thanks for the happy moments you have brought me by sending me the service men's paper.

Sincerely yours,  
QAC James G. Fleck,  
409 TG Sqd. M.,  
AAAFIC, BTC No. 4,  
Miami Beach, Fla.

Dear Sir:

Just a few lines to you and my many friends back in good old Gettysburg, to let you know I've arrived safely overseas and am now somewhere in India. It's not the best place in the world, but as long as we can get good American grub and cigarettes, things go pretty smooth.

I want to thank you for sending the paper to me while I was still in the states. It sure was nice to be able to sit down and read that letter from the hometown.

Now for a little more about this Army life. When we left Gettysburg there were 35 of us sent to the

same camp where we took our training together. Then we were split up, but some of us were lucky enough to stay together and as yet we are still together and hoping we stay this way.

I know you would like to know more about things over here, but it's better to say less than to say something that would cause some of the boys to be wounded or killed. So I'll say "So Long" and "Good Luck on the Home Front."

Keep things rolling to the boys and we'll sure do our part to pass it on to where it does the work.

Thanks again,  
PVT ROBERT WOLFORD.

Dear Sir:

Mav I take this long delayed opportunity to express my appreciation for the Service Edition of The Gettysburg Times which I receive regularly and I assure you, look forward to eagerly.

For two and one half months now I have been "at home" Deep in the "Heat of Texas." Am quite accustomed to the temperature, now however in fact I believe it has been quite warm in Gettysburg this summer also, has it not?

Although I had never heard of the Army Air Forces Navigation School at Hondo Texas, until I was assigned here, I have found it to be an exceptionally nice Post, including our WAC quarters, which are really OK.

Needless to say, we are exceedingly busy. Our day begins at 5:45 (when we are "rudely" awakened by the "inevitable whistle" and ends at 9:30 with "lights out" (if one is wise) or more generally, at 11:00 (bedcheck). Never a dull moment really!

News from home is vitally important to me, as it is to everyone in the Service, so for sending me The Times may I again say "Thank You!"

Sincerely,  
Pvt. Ruth Kitzmiller,  
743rd WAC Post Hdq. Co.

Dear Sir:

I want to join the many service men who express their gratitude for the paper you sent us weekly.

Your paper does more than just give us something to read. It makes us forget the condition of the world and the place we're in and think of home—the people—the things we did—this is worth anything for a

service man hundreds of miles from Gettysburg.

Your paper also keeps us a part of our community and gives us a grand feeling to know how the people feel about the boys who are in the service. I know they all try to go their best for us and everyone does do a grand job.

I suppose you have received letters about Camp Howze Texas from some of the other boys stationed here. If they said anything bad about it, it's even worse. Only one from Board No. 2 is in the same Company and he is Pvt Robert S. Walker. Jack Lamont while here lived in the barracks directly across the street from me in Company B. We lived the same distance from each other for about a month and didn't know it until I met him at our PX one evening. I understand Jack is home now to stay.

My work here consists of administrative work. I'm the company clerk for Company D. A lot of my duties are: Patrols the men's allotments care of the service records transfers furloughs discharges correspondence and numerous other things. A company clerk is known as one of the hardest working men in the Army. Often we work late at nights and occasionally all night if we are rushed with work. The personnel officer worked for 36 hours straight last week when we had over 300 men leaving the regiment and all their records had to be completed.

The men in the field have been having it rather easy now and will up until October 15th when small maneuvers start here and will last for three to four weeks. We are scheduled to go on big maneuvers in December for three months in Louisiana.

In closing I want to thank you once again for the paper. It's something I look forward to each week and I know all the boys that receive the paper will tell you the same thing.

Sincerely Yours,  
CPL JAY C. McLAUGHLIN,  
Co. Hq. Company D,  
342nd Infantry APO No. 450  
Camp Howze Texas

Dear Sir:

Just a few lines to thank you for the paper before I go back on mess duty. We have a great time here. Almost every night we go to

the movies. One day we went up to the lake to row boats. The food we get here is swell. I have saved 10 pennies since August 1. I will close now.

Paul Bretzman, A.S.  
Co. 1154  
U.S.N.I.S.  
Camp Howze, Tex.

Dear Sir:

Over six months ago I left Gettysburg one Saturday morning, in a snow storm and came to Oklahoma. Today Oklahoma is a mass of burnt grass. The lawns are dead and even the trees are dying up. For 32 consecutive days we have had temperatures well over a 100 degrees and no rain since May.

You probably will remember the floods that we had out here in May. Will Rogers a native of Oklahoma, in his glorious humor once said: "If you don't like Oklahoma weather, wait 30 minutes and it will change. However, there was one excep-

tion to his saying and that was this: hot weather. The hot winds blow over the ranges continually, so hot one must hold protection before their face or even turn the glass up in the car if you happen to be riding. It compares to that of our open oven.

One thing certain the longer it stays dry and hot the more I wish I were back in Pennsylvania enjoying some mountain scenery and some good water.

I had the opportunity of talking to Major Richard Hershey some time ago, the only person I have seen from around Adams county since I left. Also, Capt Taylor, from Ardmoreville whom I saw in passing in Oklahoma City one evening. Fort Reno is a remount depot for the Army. It was a old Indian reservation before the government took it over as a fort and at one time General Sheridan was its commanding officer. Today the Indian reservation and school is just four miles north of the Post.

I read in the Gettysburg Times about Adams county fruit being expensive this year and peaches selling for \$5 a bushel and up. Well, everyone should be real happy at that—they are 15 cents a piece out here and oranges are 75 cents a dozen.

The Gettysburg Times reaches me every week and I sure appreciate it. Thanks for sending it.

Sincerely,  
LT EDWARD C. BEARD,  
Ft. Reno, Oklahoma.

Dear Sir:

In the midst of a quite enjoyable week-end I wish to express my appreciation for receiving The Gettysburg Times so regularly. I look forward to it as much as I do some of my important letters. I like especially the condensed paper you send us. It really covers everything of interest to us, and I know that (Please Turn to Page 2)

BRITISH NINTH ARMY ON MOVE, SAYS ANKARA

London, Sept. 16 (AP) — Unconfirmed reports reaching London from Stockholm via Ankara Wednesday said that Britain's great Ninth Army—a force which the Germans assert has been designated for an Allied drive into the Balkans—was on the move today from its Middle East bases facing the island path-way into Greece.

British military officials had no comment to make on the Ankara reports, published in the Stockholm Svenska Dagbladet, which said that Gen. Sir Henry Maitland Wilson's army had embarked for an "unknown destination."

The dispatch coincided here, however, with authentic accounts of ferment in the Balkans, of sweeping new successes by Yugoslav guerrillas, and reports of fierce fighting between German and Italian troops in the Dodecanese Islands off the Turkish mainland.

Big News Looms

The Algiers radio, in a broadcast recorded here by the Associated Press, Wednesday again forecast that "important new military developments are imminent," and it was pointed out that the surrender of the Italian navy has cleared the Mediterranean for any assault against German positions in south-eastern Europe.

Bases of the Ninth Army in Syria and Transjordan are only 400 miles from the island of Rhodes and less than 600 miles from Crete, Axis outposts in the Mediterranean.

Reports from Cairo, however, said that despite great confusion caused by the Italian surrender, the Germans still have the Balkan situation well in hand and will have to be pried out of their positions by Allied force. Cairo heard that German

Letters To The Editor

(Continued From Page 1)

I for one, digest each issue thoroughly.

I'm in the beginning of my eighth week of basic training here at Camp Hood. I'm actually in an Army Specialized Training Unit, but am taking my basic training in a regular Tank Destroyer Battalion. All the other A.S.T. Battalions have regular infantry officers and training cadre. The plan is for us to have thirteen weeks of basic after which we may be sent back to school, depending upon our qualifications and record.

The Texans all tell us this is the hottest summer they can remember of and it is just my luck to find myself in the middle of it. Here in Waco the people do all they can to make us feel at home. The civilians stay out of the restaurants, theatres, and places of amusement just to give us a chance to enjoy ourselves over a week-end. Most every home is waiting with open arms to give us a bed at night or just to have us sit around to chat, play the radio, read, and just act like we were at home. We are well taken care of this far from home, and with your paper keeping us up to date on happenings at home, I think we'll be able to stand the conditions that this war throws us in.

Thanking you again for your thoughtfulness, I remain

As ever,  
Pvt. Thomas Enek,  
North Camp Hood, Texas.

Wisconsin. I graduated from the Radio Mechanics School at Truax Field on August 8.

I've been here at Tomah for only a few days and haven't started to school yet. Just working around the camp. Tomorrow I'm on K.P. and don't expect to have much fun. But I've done it before—plenty of times at Keesler Field last November and December.

We're living in tents here at Tomah. This is my first experience with that. But it's not too bad—yet.

I do want to thank you for sending me The Times. I appreciate it and it has been reaching me regularly.

Well, I guess that's all for this time as it's almost time for chow. I've really had good food here at the Wisconsin camps—Truax and Tomah.

Thanks again and thanks a lot for The Times.

Yours truly,  
CPL. ROBERT M. REINDOLLAR  
1000 T.S.S., Class 11-B,  
Tomah, Wisconsin

Dear Sir:

Much time has elapsed since I have really owed you a letter and now I really want to give my hearty thanks to you and your staff for many enjoyable moments.

Besides the ever welcome home news, the Gettysburg Times helps us all keep track of our buddies who are being transferred every day. You can rest assured you are doing your bit for us all and we appreciate it.

This is also to tell you that I expect to be transferred on or about Monday, September 6. So until I notify you of my new address, please withhold from mailing the Times here.

Ever since I've been at this base, there have always been several fellows from near Gettysburg here. Several weeks ago another "mate" from near Biglerville looked me up. He will be here for sometime. I hope he enjoys it as much as I did. For the best part of the past year I've been at Naval schools. As far as I know we are about through with

schooling and all are hoping to get into something bigger.

Again I wish to thank you for the Times, and I hope it will continue to follow me wherever I go.

Sincerely,  
Dean E. Fink, R.M. 3-C  
Box 7, U. S. Sub. Base  
New London,  
Connecticut.

Dear Sir:

This letter comes to you from somewhere out on the deep blue sea. Some ten weeks ago when the last letter was written I mentioned the possibility of being in Australia at the time you read it. The plans materialized and I spent the past six weeks on the continent. No, it wasn't all leave, only seven days' vacation. The remainder of the time I was on temporary duty in two of the larger cities. The change was a welcome one from New Guinea conditions.

All good things must come to an end and now, much rested and feeling in perfect condition I am returning to a new post in Guinea.

Perhaps you would be interested in a brief account of life on a Liberty ship, one of those wonders of the shipyards that have contributed much toward the progress the Allies have made thus far in the war. The last lap of my trip is being made on such a vessel. Other portions of the journey were made by sea plane, land plane and rail. Maybe the censor will cut this out but just for the sake of comparison the distance travelled by air was seventeen hundred miles in ten hours; by rail, twelve hundred miles in forty-one hours and now seventeen hundred and fifty miles by sea in about six days.

Liberty ships are built for service. Therefore luxuries are at a minimum. Still the accommodations are ample. The cabin assigned to me is ten feet by eight feet with two portholes. Beside the bunk, which is very comfortable, it contains a wardrobe, daven, writing desk, basin with hot and cold running water, electric fan, bookrack and four lights.

Our meals are served in a com-

modious, attractive dining salon with accommodations for sixteen. The menu for each meal offers the choice of at least three meats and as many vegetables. All of the food is excellently prepared. If every Liberty ship has a steward's department that functions as efficiently as does this one the crews should be equally as well satisfied.

It is impossible for every other vessel in the merchant marine to have a messman such as we have serving our food to us here. He adds tremendously to the enjoyment of every meal. "Slim" is a tall, lanky Limey with twenty-two years of life at sea. Something happened to him in every port he has ever visited and he has been in them all on the seven seas. Furthermore he hasn't forgotten an incident. If one-half of the tales he relates are true he has still had more experiences that should ever occur in the ordinary life time of an individual man. As long as we want to sit there and listen Slim will entertain us with his past and so far he has never been known to repeat himself. If some editor were to contact Slim he could write a book that would make The Arabian Nights seem tame in comparison.

The captain of the ship is a Finn, the first and third mate Penna. Dutchmen and the second mate is a Swede. To say that they are all fine gentlemen is to put it mildly. They have made this voyage an outstanding experience for me. The greatest privilege granted me has been to take tricks at the wheel anytime I so desire. Needless to say the different quartermasters are happy to concur with their decision.

For several days we sailed through coral green seas. The calmness of the surface was disturbed only occasionally by a school of fish or a whale arching its enormous body above the water as it rose to blow. One area through which we passed reminded me of the Thousand Islands. Most of the islands had inviting coves surrounded by palm trees. Warm tropical waters lapped on their sandy beaches. The islands contained no sign of life so here

REDS ROCKING 600 MILE LONG GERMAN FRONT

London, Sept. 16 (AP)—The great Red Army summer offensive, spread-eagled over a 600-mile long front from the Sea of Azov north to the forested terrain beyond the strategic rail junction of Bryansk, was rocking the entire German hold on the Dnieper River valley and threatening the vital power hub of Dnepropetrovsk. Soviet dispatches reported Wednesday.

(The Soviet Army newspaper Red Star, reported Wednesday that a Russian night attack broke the German intermediate line defending Lozovaya in the Central Ukraine as the Red Army pressed a general advance toward the Dnieper.

(The autumn rains had started falling in the Ukraine, the dispatch

said, bogging down roads and fields and slackening the speed of maneuvers, but the tanks and motorized infantry continued to slog forward in pursuit of the retreating enemy.)

General Retreat

The Germans were said to be retreating along the entire front, abandoning town after town together with incalculable stores of war material before the relentless drive of the Soviet armies.

Moscow, however, deliberately ignored a German admission that the Nazis had evacuated Bryansk, although it was evident that Gen. M. M. Popov's motorized columns were in full control of the situation in that area. A Soviet war bulletin reported Russian troops engaged in offensive action in and around the city after slicing four of its five trunk rail lines, and dispatches indicated the Red Army spearheads were biting further north toward the Smolensk salient.

The Russians frequently have withheld announcements of the capture of important strongholds, allowing Berlin to broadcast accounts of "strategic" withdrawals before themselves proclaiming their victories, usually in a special order of the day by Premier Stalin. They are apparently following this procedure as regards Bryansk.

Nearing Kiev

Further south along the Desna River valley, Moscow reported, the Red Army troops smashed closer to Kiev, and one thrust placed them within three miles of Nezhin on the

Kiev-Kursk railroad 80 miles north-east of Kiev. Here the shattering force of the Soviet drive sent the Germans fleeing in disorder toward the Dnieper defense wall.

While Moscow was awaiting official news of the fall of Bryansk, interest centered on the progress of Red Army forces driving for Dnepropetrovsk. Reports from that front indicated that advance units of the Soviet columns may be within 30 miles of the greater Dnieper bend, following a gain of 15 miles announced yesterday by the Moscow communique. The Russians listed 150 towns as captured in this action.

Butler, Pa., Sept. 16 (AP)—Pvt. Harold John Thompson, 18, of West Sunbury R. 2, has been killed in action in the southwest Pacific, his parents were informed Tuesday. The youth enlisted in the Marines last October 5.

It's EASY to Buy BONDS Whose War IS This?

It's as easy to buy bonds as to buy shirts or socks. Go into any store or place that's an issuing agent. Pay your money—wait while the bond is typed out with your own name and address—and take the bond away with you. You pay \$18.75 for a bond you cash in for \$25 in 10 years—\$37.50 for a \$50 bond, \$75 for a \$100 bond, \$74 for a \$1000 bond. If you need your money before the bond matures you can get your money back with earned interest. Lend now for your future.

This isn't the soldiers' and sailors' war. It's yours and mine. It's America—and all we stand for—that the Axis is fighting. That's you and me. We don't have to go to the front to fight—we can send our money. If we don't do that, we're coasting while others carry the fight at the front and at home. Everyone is either "motive power" or a drag on the war. Do all your share. In honor of a fighter you know—or know about—buy a bond today!

Buy a bond today to honor someone you know in the service.

Washington wept in his heart for his freezing troops—  
And saw blood on the ice where shodless feet had trod.  
"A strong nation is not born of indulgence and ease."

Oh, heroes of America, who are abroad in the earth today,  
Enmeshed in the hot and unreasoning machinery of war—  
We would not have you know how we cling to our dollars—  
Our cowardly, slacker dollars, while you die for us,

Franklin, Jefferson, Hamilton, Hancock, Henry—  
"If a people hate war too much to risk all for freedom  
At the drop of a hat—freedom will be taken from them."

Forefathers of America, who carried the fearful weight  
Of a rebellion and a whole nation on your shoulders—  
Who dared to face complete destruction—turn from the sight  
Of our swollen bank accounts, and our little ideas  
Of how few bonds pay the price of our rich inheritances

Lincoln... with the great rugged soul of you suffering—  
Risking the life of the Union to save it,  
Help us to be a credit to ourselves—and to our children:

American heroes! Boys and men from farms and towns,  
From stark cities, from plains and woods and mountains,  
Who are laying your lives at our feet for our freedom—  
Wait now for the impact of this successful hunt,  
Which beats out from corners and vaults,  
From dark and secret places, our dollars—too decent  
To remain in hiding when lending them is our duty.  
Our PRIVILEGE—and your due.

★ If you POSSIBLY can... you must buy a bond TODAY... else shame the collective heart of America.

For today, all over the country, we all buy a bond in honor of a man or woman at war. Get tough with your money. Whip it out and make it buy bullets and bombs. Only slackers nurse slacker dollars.

Send MORE of your dollars to war, to fight.

Do it today, for this is AMERICAN HEROES day.

## Mt. Hope

PFC Robert Mickle, who has been a patient at Fort Story hospital, Virginia Beach, has received an honorable military discharge from the Army. He expects to enter the Veterans' hospital at Philadelphia, in the near future.

Mr. and Mrs. Allen Stevens, of Hanover, spent the week-end with Mrs. Stevens' father, G. O. Mickle, and family.

G. O. Mickle spent the past week at Uniontown and vicinity.

Mr. and Mrs. Robert Brown and daughter, Esther, and Mrs. Brown, Sr., of Hanover, spent Sunday with Mr. and Mrs. Harry Kint.

Mr. and Mrs. Carl Yoder, Baltimore, spent Sunday with Mr. and Mrs. Allen Currens.

The Misses Shewy and Joanne Bankert, Hanover, is spending this week with their grandparents, Mr. and Mrs. John Kump.

Mr. and Mrs. Arthur Spangler, Hanover, spent Sunday at the home of Mr. and Mrs. John Kump. They

were accompanied home by Miss Norma Mae Spangler, who spent the week here.

Mr. and Mrs. Luther Lightner, of Baltimore, spent Monday at the home of Mr. and Mrs. Harry Lightner.

Mr. and Mrs. Howard Monaghan and daughters, Carolyn and Lillian, and sons, Freddy and Edward, of New Cumberland, spent Sunday at the home of Mr. and Mrs. William Kepner.

Mr. and Mrs. Paul Bankert and daughters, Sherry and Joanne, Hanover, spent Sunday at the home of Mr. and Mrs. John Kump.

The following Sunday school officers were elected on Sunday at the Mt. Hope U B church. Superintendent, Roy E. Metz, assistant superintendent, Clair Ford; secretary, Miss Alice Mickle; treasurer, Mrs. Clair Ford; librarians, Mary Jean Metz and Faye Sites. Birthday superintendent, Mrs. Allen Currens; class leaders, Roy Metz and Clair Ford.

## Mummasburg

Mummasburg—Miss Lydia Keener, Hagerstown, spent the past week at the home of her uncle and aunt, Mr. and Mrs. Monroe Shue.

George Edgar Shue spent the past week at the home of his uncle, Clinton Keener, and family, Hagerstown.

Mr. and Mrs. A. D. Cluck, Gettysburg R. 3 have received word of the safe arrival of their son, S-Sgt. John A. Cluck, somewhere in the Hawaiian islands.

Mr. and Mrs. Luther Harmon entertained at supper Sunday in honor of Mrs. Harmon's brother, Pvt. Daniel Seymour, who is stationed in a camp in California. Mrs. Seymour and daughter, Rebecca, of Bonneauville, Mr. and Mrs. Robert Groft and daughter, and Private Seymour attended.

Sgt. Charles D. Weaver, of Camp Beale, California, spent the past week at the home of his parents, Mr. and Mrs. John Weaver.

Pvt. Howard Leatherman, of New Cumberland, spent the week-end with his family.

Technical Sgt. Orville Brindle, of Camp Edwards, Massachusetts, spent the week-end here among relatives.

Pvt. Francis Thomas, Jr., who is stationed in a camp in Virginia, spent Sunday among relatives.

Mr. and Mrs. Melvin Miller and son, Fred, Mr. and Mrs. Franklin Miller, of Baltimore, were Sunday visitors at the home of Mr. and Mrs. Donald Lawer.

Bruce Wilson, who entered the Navy last Thursday, is now stationed at Great Lakes, Illinois.

## Guldens

Guldens—Sgt. John W. Dutera has arrived safely at an unannounced destination overseas, according to word received recently by his mother, Mrs. George H. Dutera. He has been serving with the Army Air Force since June, 1942.

Mrs. Margaret Kissinger and son, Robert, returned to their home in Harrisburg, Tuesday after having spent several days at the home of Mr. and Mrs. John Starnier.

Mrs. George Dutera and daughter, Miss Mary, and Miss Alice Plank, Gettysburg, were week-end guests of Mrs. Howard Wink and family, Boalsburg. They were accompanied on their return by Mrs. C. E. Tawney, who spent the summer months with her daughter, Mrs. Wink.

Mr. and Mrs. Harry Gladfeiter, Philadelphia, formerly of this place, have been spending several days as the guests of Mr. and Mrs. O. D. Whitte and Mr. and Mrs. J. F. Stainer.

Clearfield, Pa., Sept. 16 (AP)—Coroner E. S. Ehrhard reported Tuesday: Galen Pearce, 15, of Cherry Tree R. D., shot and killed himself in front of a young girl, after she refused to accompany him to church Sunday night.

## Orrtanna

Orrtanna—Corporal and Mrs. Earl C. Pepple have returned to Allentown after spending some time with the former's brother and sister-in-law, Mr. and Mrs. Raymond Pepple.

Victor Re made a business trip to Kane, Connecticut, this week.

Mr. and Mrs. Weaver Zimmerman spent Monday with friends in York.

Mrs. Mary Yoder is reported quite ill at the home of her son and daughter-in-law, Mr. and Mrs. W. P. Yoder.

Lemuel Mickle is also reported quite ill at the home of his son-in-law and daughter, Mr. and Mrs. S. C. Donaldson, where he has been residing for some time.

Mr. and Mrs. Frank Newall and family visited recently with relatives in York.

The schools in this place have an enrollment of 44 pupils, twenty-four are enrolled in the primary room, Miss Sara Miller, teacher. Miss Gladys Walter, teacher of the Grammar school reports an enrollment of 20. Two of the primary pupils are beginners.

Miss Mildred Biesecker, accompanied by Miss Mary Cook, of Gettysburg, recently spent several days in New York city.

Benjamin Lauer, Dixon, Illinois, a native of Orrtanna, spent several days this week with his cousin, Miss Amanda Lochbaum.

Pvt. Theodore Chamberlain has returned to Fort Ord, California, after spending a furlough with his parents, Mr. and Mrs. William Chamberlain. The Chamberlains entertained the following during their son's stay in his honor: Mr. and Mrs. William Livingston and family, of Biglerville; Mrs. F. A. Jafaur, of Pittsburgh; Miss Mae Funt, of York Springs; Mrs. Robert Kump and daughter, Marie, Biglerville R. D.; Miss Kathryn Slaybaugh, Gettysburg; Mrs. Peter Kump, Mrs. Joe Rich, Miss Janet Shindeldecker, and Mr. and Mrs. Joseph Kane, Orrtanna, and Mr. and Mrs. Harmon and daughter, of Hunterstown.

Miss Christine Burkhard, daughter of Mr. and Mrs. Henry Burkhard, has enrolled as a freshman at Bluffton college, Bluffton, Ohio. Miss Mabert Benner accompanied Miss Burkhard and also enrolled as a freshman at the Bluffton college.

Capt. and Mrs. Wilbur Corbin, of Fort Belvoir, Virginia, recently spent a couple of days with Mrs. Corbin's parents, Mr. and Mrs. E. J. Naugle.

Kenneth Wetzel, of Baltimore, recently spent a week's vacation with his parents, Mr. and Mrs. Luther Wetzel.

Mrs. Laura Cease was hostess to the Women's Society of Christian Service at its September meeting in the local Methodist church hall Thursday evening. After the regular program and business meeting a social hour was held and refreshments were served. Mrs. Cease was assisted in serving by Miss Marion Biggs.

Clearfield, Pa., Sept. 16 (AP)—Coroner E. S. Ehrhard reported Tuesday: Galen Pearce, 15, of Cherry Tree R. D., shot and killed himself in front of a young girl, after she refused to accompany him to church Sunday night.

Mr. and Mrs. Harry Gladfeiter, Philadelphia, formerly of this place, have been spending several days as the guests of Mr. and Mrs. O. D. Whitte and Mr. and Mrs. J. F. Stainer.

Clearfield, Pa., Sept. 16 (AP)—Coroner E. S. Ehrhard reported Tuesday: Galen Pearce, 15, of Cherry Tree R. D., shot and killed himself in front of a young girl, after she refused to accompany him to church Sunday night.

## Abbottstown

Abbottstown—Mr. and Mrs. Francis Elder entertained neighbors and friends at their home Friday night in celebration of Mrs. Elder's birthday. She received many presents.

Mrs. Norman Miller and daughters, Jean and Janet, spent the holiday in York with Mrs. Miller's parents.

## PANTS BUTTON MURDER CLUE

Waynesburg, Pa., Sept. 16 (AP)—A trouser button has been revealed as one of the clues on which the commonwealth is depending in its prosecution of Samuel Morbit, 32-year-old Carmichaels miner, on trial for the death of his 22-month-old son, Henry, last October.

Glenn Canan, a deputy sheriff, one of the 12 witnesses who appeared at the first day of the trial yesterday, told of finding the button in the reservoir where last October the Morbit baby's body was found floating.

Canan identified the button as matching those on the trousers Morbit was wearing at the time he was arrested. Canan said one

of Morbit's suspender buttons was missing.

A dramatic moment came while Special Assistant District Attorney James E. Isherwood, former state Legion commander, was telling the jury of eight men and four women that the commonwealth would show Morbit came home in a drunken rage, choked his son and struck his wife with a blackjack when she protested.

Morbit shouted at the attorney: "That's not true and I can prove it's not!"

Admonished by the court, Morbit sat quietly the rest of the day.

Three physicians told the court that Baby Henry's death resulted from suffocation. They said lack of water and air in the child's lungs supported this contention.

The first practical seeding machine was patented in the United States in 1840.

Purple martins migrate in huge flocks numbering tens of thousands

## Cost of all ingredients in this recipe guaranteed!

Try this salad in a biscuit-baker, baked with enriched and unrationed Pillsbury's Best.

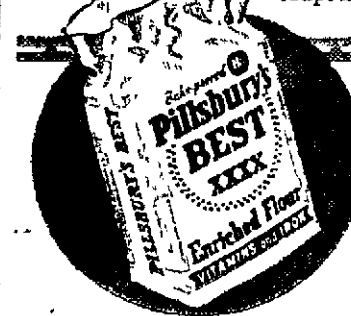

## Pillsbury's PARTY POINT-SAVERS

- TEMPERATURE: 450° F. Serves 6 TIME: about 12 to 15 minutes
- 1½ cups sifted PILLSBURY'S BEST Enriched Flour
  - 2¼ teaspoons baking powder (or 1½ teaspoons double-acting)
  - 1½ teaspoon salt
  - 1½ teaspoon celery salt
  - 1½ teaspoon paprika
  - ½ cup shortening\*
  - ½ cup milk, about
  - 1 quart (4 cups) vegetable combination (lettuce, tomatoes, green pepper, cucumbers, onions, carrots, cooked peas and beans)
  - Salad dressing
  - ½ cup grated nippy cheese

1. Sift flour once, measure, add baking powder and seasonings, sift again. 2. Cut in shortening until mixture resembles coarse meal. 3. Add milk; mix only until all flour is dampened. 4. Knead gently on a lightly floured board for a few seconds to smooth dough. 5. Roll dough out to about ¼-inch thickness. Cut into six 4½-inch squares. Shape each square over bottom of muffin pan. \*Chicken fat, or any other mild flavored solid fat, may be used as shortening.

Guaranteed Baking! Try this or any good recipe, using Pillsbury's Best. If you're not better satisfied than with any other all-purpose flour, Pillsbury's Cooking Service, Minneapolis, Minn., will refund the cost of all your recipe ingredients! With what flour could you be more sure?

### MODERN LOCKER PLANT TO OPEN AT EMMITSBURG

Bernard Boyle, Emmitsburg grocer, Friday will formally open the modern frozen foods locker he has been constructing since 1941 in an annex to his grocery store. The locker was finished this summer after priorities had been secured for the materials needed to complete the work.

All but a few of the lockers have already been secured by residents of Emmitsburg, Adams county, and surrounding sections and it is expected that more than 300 of the lockers will be in operation Friday when the formal opening is held.

The locker system is divided into two sections. The larger section is devoted to the individual lockers where foods stored by the locker

renters can be kept indefinitely at a temperature below freezing, while a smaller section known as the freezing room can be brought down to a temperature of 40 below zero. All foods to be placed in the lockers are taken first to the freezing room where they are subjected to a 40 below temperature for a short time, and then, after being frozen are removed to the lockers where they will remain until ordered removed by the holder of the lockers.

**Only One in County**

The system is one of the few in the county which has a showcase locker where Mr. Boyle will keep meats and other frozen foods for sale. The customers can see the foods before buying them through the glass in the showcase while the foods themselves will be kept at a temperature equal to that of the regular lockers.

The Emmitsburg grocer will also do all of the processing of the foods, including cutting the meats to order before placing them in the locker system.

The system is the only one of its kind in Frederick county. Another

### Emmitsburg Schools Have 350 Enrolled

Emmitsburg. — The county school opened on September 13 with Principal A. L. Leary in charge of organization and assignments. He stated that 117 had enrolled in the high school and 233 in the elementary department with additional enrollments to follow. The high school teachers are Miss Margaret Rosensteel, English and Latin; Mrs. Mary Davis, first year English and music; Mrs. Theodore Burnman, mathematics and science; Miss Hatlie Myers, history, girls physical education and library; Miss Robinson, science, home arts, cafeteria; Robert Carians, industrial arts for boys and girls; Mr. Ramsburg, agriculture, boys athletic director.

The elementary teachers are Miss Sara Edwards, Mrs. Edward Stull, Miss Margaret Beauchamp, Miss Shoemaker and Mrs. Harry Scott. The outside of the school building and auditorium have been painted.

The other members of the board of directors are Mrs. A. M. Nasilitsky, Miss Ruth Shuff, Miss Carrie Rowe, Mrs. A. L. Leary. The library contains 3,107 volumes at present. The officers will hold a rummage sale in the store room owned by Charles A. Harner at 3 West Main street, proceeds of which will be used to further increase the value of the library to the public.

The one hundred thirty-fourth school year opened at St. Joseph's when classes were resumed on September 8, with a mass at 8 a. m., by the Rev. Elbert Gay, sub-director of the Daughters of Charity. Twenty-one new boarders were added to the student body of last year thus increasing the total number over the past years. The seniors conducted a "welcome" at the Log Cabin along Toms Creek serving a dinner and supper to the incoming students. The color scheme in the recreation hall has been changed from green to maroon and blue, and the dining hall has been renovated with a new floor of tan and brown linoleum and large mirrors over each mantle with crystal candelabra on each side.

The real estate of the late Charles P. Mort brought the total of \$29,834 at two separate public sales. The buildings at 2, 4, 8 West Main street were bought by Charles A. Harner for \$8,700; the building at 3 East Main street was bought by Edward Houck for \$7,800; the house at 117 North Seton avenue was bought by Thomas Baumgardner for \$3,775; the building at 220 South Seton avenue was bought by Maurice Keilholtz for \$3,600; the barn and field at 100 South alley-east by the Vigilant Hose company for \$2,475; the house and camp on Clear Creek by Howard Z. Mort for \$2,540; the log house and three acres of land on Mountain road by Ernest Keilholtz for \$930, and a lot near Annadale school house by Russell Andrews for \$14.00.

The Emmitsburg Public Library was organized by Sterling Galt in 1905 at which time Mr. Galt donated the original volumes. Miss Mary Higbee served the library for a number of years and recently departed for Pyote, Texas, to become the wife of S-Sgt. H. M. Hoke. An organization meeting was recently held when Miss Louise Sebold was elected president of the board of directors, Mrs. E. L. Annan, Jr., treasurer, Miss Helen Higbee, sec-

# "This War Will Become Bigger and Tougher— — — During the Long Months to Come"

**Franklin D. Roosevelt**

Italy has fallen—but the war is not over and you know it! Think of Berlin and Tokio—think of the men dying at this moment.

Can we, you and I, afford to let them down—to turn their battlefield victory into a homefront defeat? Let's buy more War Bonds than ever... let's back up their victory with ours—the success of the 3rd War Loan!

There are battles coming—tough, bloody, hard-to-win battles — before this war is over. And it's the last battle that counts. We've got to back up our fighting men... we've got to buy War Bonds with every dollar, every dime we can scrape up.

PRESIDENT ROOSEVELT said it, as Commander-in-Chief:

"I say that we Americans will not be satisfied to send our troops into the fire of the enemy with equipment only equal to that of the enemy. We are determined to provide our troops with overpowering superiority of quality and quantity of arms and armaments..."

Our fighting men will do their job—it's up to you, personally, to keep their victories safe by buying War Bonds NOW with every dollar you can—not with what you'd ordinarily save or invest, but more—every bit more you can manage.

Now Is When It Counts

# "BAZOOKA" IS NO LONGER AN "ARMY SECRET"

Washington, Sept. 16 (AP)—The Army's secret weapon is a secret no longer—the bazooka made its first public appearance Wednesday at an Army show on the Washington monument grounds.

Named "bazooka" by soldiers, it is an anti-tank rocket gun which the Army said "has proved an effective instrument of destruction against thick brick walls, rock masonry, structural steel and railroad rails as it has against enemy tanks."

Product of long experiment by the Ordnance department, the weapon's mechanism was a military secret until Wednesday, although it has been known by name since the North African campaign.

"The Army now gives this description: 'The bazooka launcher, or gun, is a metal tube somewhat more than

50 inches in length and less than 3 inches in diameter. It is open at both ends. Attached to the tube are a shoulder stock and front and rear grips for the firer, together with sights and an electric battery which sets off the rocket propelling charge when the launcher trigger is squeezed.

**Two-Man Team**  
"The launcher is operated by a two-man soldier team—one the firer, the other the loader."

"After the loader has inserted the rocket in the launcher, he turns a contact lever to the 'fire' position, signals 'ready' to the firer, and then drops down and away from the rear of the launcher and grasps a new rocket."

"When the firer squeezes the trigger, the rocket propelling charge is ignited and flashes from the rear of the launcher tube."

"The rocket itself is heavier than the hand grenade and is nearly two feet long. Its appearance is that of a small, elongated aircraft bomb. Its components are an explosive head, propelling charge powder tube and finned tail, the latter providing accuracy in flight."

The Army said the projectile is capable of piercing the armor of any tank which so far has been in action against Allied troops. The weapon is now being supplied in quantity, it was said, to American and other United Nations forces.

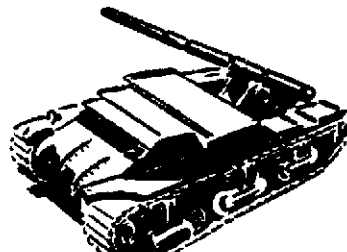

## NAVAL OFFICER "DIES AT SEA"

Philadelphia, Sept. 16 (AP)—Lt. George C. Barclay, U.S.N.R., 49, died at sea September 3 while returning to this country after a year in the southwest Pacific. The Navy department notified his widow yesterday at her home in suburban Cynwyd.

## What You Buy With WAR BONDS

### Nazi Medicine

Nazi generals in the Battle of Africa discovered the devastating effect of our great 155-mm. guns mounted on fast moving tanks. We'll need gross upon gross of them in the Battle For Europe and your War Bond purchases will have to pay for them. They're worth every cent of the \$50,000 we pay for them.

Hitler remembers Warsaw; he remembers Rotterdam; he will not forget Dusseldorf and Cologne. This destruction came from the air. It's time now for some horizontal firing. Figure it out yourself and increase your War Bond purchases. U. S. Treasury Department

An ensign in the submarine service during the last war, Lt. Barclay was recalled to active duty while a partner in the investment banking firm of Barclay, Moore & company, Philadelphia.

He was a member of the Union League, the University club and the Penn Athletic club. Besides his widow he is survived by two daughters, Dana and Georgia; a son, John, and his parents, Mr. and Mrs. William K. Barclay of Haverford, Pa.

## TWA Petitions To Expand Service

New York, Sept. 16 (AP)—Transcontinental and Western Air Inc. announced Wednesday that an application had been filed with the Civil Aeronautics board in Washington for permission to expand its air service to include 95 additional cities.

Approval of the application would bring TWA's aerial service to 123 cities instead of the present 28 and would place most towns of 5,000 or more population along its route east of Kansas City within 25 miles of an air line stop, the company said. Jack Frye, TWA president, said

ALL that lot of ground situated in the Borough of Fairfield, Adams County, Pennsylvania, described as follows:

BEGINNING at the corner of the house now occupied by R. C. Swope, on the corner of York and Main Cross Streets (according to the original plan of said Town of Fairfield), thence by Main Cross Street aforesaid South 38 1/2 degrees East, 14.4 perches to a post on the corner of lands of John Artzberger; thence South 53 1/2 degrees West, 3.2 perches to a post; thence by lands of Peter Shively North 38 1/2 degrees West, 14.4 perches to a post on York Street; thence by said street North 52 degrees East, 3.2 perches to the place of BEGINNING. Improved with 2 1/2 story frame house and a barn.

It being the same lot of ground which Rufus C. Swope, by deed dated January 5, 1895, and recorded in the office of the Recorder of Deeds of Adams County, Pennsylvania, in Deed Book 136 at page 61, conveyed unto Ephraim B. Swope.

Improved with a large 2 1/2 story frame house, garage, and other out-buildings.

Seized and taken unto execution as the property of E. B. Swope and to be sold by me

DANIEL J. WOLFF, Sheriff

Sheriff's Office, Gettysburg, Pa., September 10, 1943

# OFFICIAL SAYS COAL SHORTAGE IN PITTSBURGH

Pittsburgh, Sept. 16 (AP)—Asserting that there is an acute shortage of coal for household heating in the Pittsburgh district, Howard D. Gibbs, executive secretary of the Retail Coal Merchants of western Pennsylvania, today called upon national and local officials to take prompt steps to remedy the situation.

Gibbs blamed a 20 per cent decrease in coal production and heavy shipment of coal to outside areas for the plight in which the district finds itself.

"The situation is really desperate," he declared. "Unless immediate and effective action is taken, there will be a lot of cold people in Pittsburgh and its environs this winter. The ill effect of such a shortage upon war plant production can hardly be exaggerated."

Over-Committed  
Gibbs has just returned from Washington where he conferred with Dr. Charles Potter, assistant deputy Solid Fuels Administrator, who will arrive here tomorrow to study the problem.

"Today," said Gibbs, "I plan to ask Mayor Cornelius Scully to set

## New Oxford

New Oxford—Andrew Martin has moved to Duquesne where he will now make his home.

The seventh and eighth grades of the local school and all of the local high school classes resumed their studies Monday morning for the 1943-44 term. The lower grades began last week, but others postponed their reopening in order to give the students a chance to continue their assistance to the harvest in which work most have spent the summer. Mrs. Thelma R. Alwine is teacher of the two highest grammar grades, succeeding Miss Florence Reitz, who now teaches in Paxtang. In the high school department, Miss Sara Elizabeth Orndorff, Littlestown, replaces Mrs. Jeanne Ream Schlosser, former home economics instructor, who is now engaged as a dietitian in the Lancaster General hospital. Prof. Robert E. Sheads is now at teacher at the Gettysburg High school, his

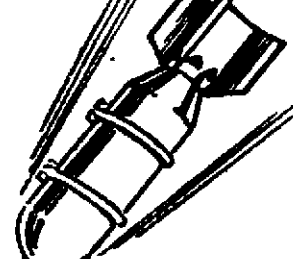

up a committee of civic leaders to help find a solution to the difficulty. "Last night I made a round of the coal yards and mines. At every one are trucks with the drivers sleeping in them, waiting for coal in the morning. I saw 40 or 50 of such trucks at one plant. But the most they get is one or two loads. The coal just isn't available. Producers have over-committed themselves on shipments to the lakes, the east and other points and have no coal for Pittsburgh."

## What You Buy With WAR BONDS

Block Busters

We read of 2,000 ton bomb raids on German production centers and thrill to the news that another Nazi war center has been leveled. If most of us would realize the tremendous cost of these raids to the United Nations, we would increase our War Bond purchases.

The cost of the 2,000-ton raid on Dortmund in TNT alone was nearly 100 million dollars, not including planes, manpower and gasoline.

Destruction of enemy positions is necessary to defeat our enemy and bring peace to the world. Our part is to provide the material for these raids and invest in War Bonds. "Figure It Out Yourself" and Increase Your Payroll Savings.

## Heiress Seeking Hospital Release

Philadelphia, Sept. 16 (AP)—Cecelia Grant McCormick, Pittsburgh steel heiress, is seeking release from a Philadelphia mental hospital in which she charges she is unjustly confined.

A habeas corpus writ on her behalf, issued by President Judge James Gay Gordon of Common Pleas Court No. 2, is returnable next Wednesday, when a hearing is scheduled in the judge's chambers.

The writ was served yesterday on Dr. Earl Bond, acting superintendent of the Pennsylvania hospital's department of mental and nervous diseases.

Earlier, a Philadelphia attorney, William A. Gray, charged in court that Miss McCormick has been held a virtual prisoner at intervals for 14 years.

Gray said letters from Miss McCormick were "intelligently written."

public school, reports that the following children constitute the first grade for this year: Walter E. Baker, Jr., James M. Dysart, Norma J. Hull, Norman L. Humbert, Shirley Klinefelter, Andrew Lehman, Oren Meckley, George W. Millhimes, Stanley Mummert, Ruth Anna Roland, Thomas Schriver, Robert Schriver, Boyd Sieg and George M. Spangler.

The next meeting of the local Garden club will take place in October at the home of the Misses Lillian and Margaret Otto. The club is planning to collect discarded jewelry and trinkets of small commercial value to be sent to the service men in the south Pacific who use them as a medium of exchange. The women of the club are also planning the making of more afghans to be sent to Army hospitals. Several of these articles have been sent to the hospital at Valley Forge.

Among soldiers home on furlough recently was Laurin Sheely, son of Mrs. Esther Sheely, who has now returned to his duties at Camp Edwards, Massachusetts.

Miss Kathryn Auker, who recently moved from here to Reading, had as guests during the past week the Misses Leah and Mary Frances Smith of this place.

Mrs. W. R. Russell has returned to New Oxford after a trip to Baltimore where she participated in the retreat for lay-women recently held at Mt. St. Agnes college.

## PARTY CHIEFS HEAL WOUNDS FOR ELECTION

Harrisburg, Sept. 16 (AP)—Party leaders set out today to heal breaches resulting from primary contests with little more than six weeks remaining before rival Republican and Democratic slates will be put before voters in the Nov. 2 general election.

State Senator M. Harvey Taylor, GOP chieftain, declared "certainly

and appeared to have been penned 'by a person who is sane.'"

Formerly a popular member of Pittsburgh society, Miss McCormick, now 31, is the adopted daughter of the late John S. McCormick, head of a steel foundry business which is still operated.

factious should get together now," while David L. Lawrence, Democratic leader, asserted "we had few contacts" and indicated he expected a minimum of adjustments would be necessary.

Scattered local contests for control of party organizations enlivened the primary somewhat but the vote sagged far below normal. Party heads blamed war and the industrial boom and said there was little prospect of arousing more interest in the November balloting.

Allegheny Tiffs  
One of the most spirited contests occurred in Allegheny county where leaders of rival Republican factions emerged winners. Sheriff Robert J. Corbett, head of the self-styled "real" Republicans, captured nomination as county commissioner—as did his rival, John S. Herron, top man in the "regular" Republican group and an incumbent commissioner.

Twenty-seven Pennsylvania cities will elect mayors in November and in the primary 17 incumbents won re-nomination, 11 of them without opposition. The Philadelphia

majority race is expected to wax hottest with Acting Mayor Bernard Samuel the Republican standard bearer and William C. Bullitt, former ambassador, the Democratic candidate.

Radio Acceptances  
Samuel is to accept the nomination formally in a radio address at Philadelphia tonight (WCAU-KYW-6:15) while Bullitt is scheduled to broadcast his acceptance tomorrow night (WCAU-KYW-6:15).

Local option referenda in 74 communities Tuesday saw seven transfer from wet to dry on beer and liquor sales.

No completely dry community voted for liquor and only two approved sale of beer. Forty-one wet places voted to authorize beer sales while 16 others decided in the negative. Thirty-six wet communities said yes on liquor and 17 no.

Twenty-six sitting judges won re-nomination on both Republican and Democratic tickets. Eighteen were nominated by one party only.

In Lehigh county, President Judge Richard W. Lobst of the Common Pleas court was defeated for Demo-

## \$60,000,000 Tax Returns Expected

Pittsburgh, Sept. 16 (AP)—Collector of Internal Revenue Stanley Granger estimated today that by the time his army of clerks wade through the mail they'll get in the next few days, \$60,000,000 will have been paid Uncle Sam during the third quarter of 1943 for income taxes in this district.

Granger said cash deposited in the last two days totaled \$15,000,000, that he has another \$20,000,000 due from corporations, and that he expects to find \$15,000,000 to \$20,000,000 in unopened and as-yet-unreceived mail.

Phenol is needed for the production of sulphur drugs.

cratic nomination by District Attorney Joseph E. Gehring. In Lycoming county, District Attorney Charles Scott Williams won the Republican nomination over Judge Spencer W. Hill.
